Woman's Best Friend Megan McMorris,2009-01-07 They may be known as man's best friend, but as the writers in this poignant, funny, and dramatic collection know, there's no gender divide when it comes to canines. Whether walking down the street, gathering at the dog park, hitting the open road, or spending one too many nights together on the couch in front of the TV, a woman and her dog are an enduring pair. And there are many who consider their dogs to be members of their family and themselves to be full-fledged dog moms, even if they're single. From the family dog who takes on the anxiety of a family as the writer's sister battles breast cancer, to the compelling tale of a woman searching for her furry friend in the aftermath of September 11th, to the blind and deaf dog who teaches everyone about keeping on truckin' no matter what predicaments she gets into, the essays in this anthology get at the heart of love — and yes, sometimes love-hate-relationships women have with the dogs in their lives.

Shameless Cristiana Franco,2014-09-26 The figure of the dog is a paradox. As in so many cultures, past and present, the dog in ancient Greece was seen as the animal closest to humans, even as it elicited from them the most negative representations. Still a loaded term today, the word bitch not only signified shamelessness and a lack of self-control but was also exclusively figured as female. Woman and dogs in the Greek imagination were intimately intertwined, and in this careful, engaging analysis, Cristiana Franco explores the ancients' complex relationship with both. By analyzing the relationship between humans and dogs as depicted in a vast array of myths, proverbs, spontaneous metaphors, and comic jokes, Franco in particular shows how the symbolic overlap between dog and woman provided the conceptual tools to maintain feminine subordination. Intended for general readers as well as scholars, Shameless extends the boundaries of classics and anthropology, forming a model of the sensitive work that can be done to illuminate how deeply animals are imbricated in human history. The English translation has been revised and expanded from the original Italian edition, and it includes a new methodological appendix by the author that points the way toward future work in the emerging field of human-animal studies.

Woof-Man Kim Gordon,2005 Ever wonder what's behind the phrase All men are dogs? Why is an entire group of rational homo sapiens associated with a species best known for chasing tails? That's because deep inside every man there's a wolf howling to get out! With a uniquely tongue-in-cheek style, Woof-Man: A Woman's Guide to Her Man's Inner Canine compares well-known characteristics of men with twenty-three different breeds of dogs in a colorful book brimming with dog metaphors. This road map to the Sirian psyche will help men get in touch with their inner canines and put women a nose ahead in the whimsical race between the sexes. From the vain Afghan who thinks he's God's gift to the tranquil Sheepdog who lives for his mate and litter, the twenty-three distinctive personality types featured in Woof-Man: A Woman's Guide to Her Man's Inner Canine are sure to strike a familiar chord with dog lovers of all ages.

Bark If You Love Me Louise Bernikow,2001 A single city woman meets Mr. Right-he has amber eyes and a wily heart. There's only one catch . . . he has four legs and a tail. Relatively indifferent to the natural world, allergic to dogs, and happily independent, writer Louise Bernikow never had a pet and knew nothing about caring for one. But one day while running along Manhattan's Hudson River, she came across an abandoned boxer. He had a gimpy leg and a dim past, but Bernikow instantly, bewilderingly, did the one thing her mother always warned her not to do-she brought the

strange male home. Here is the comical and offbeat story of their first year together. Libro, as she comes to call him (for book, in Spanish), introduces her to the curious world of dog runs and dog people, and to a local dive where the bartender pulls pints from the tap and dog biscuits from the drawer. Bernikow, in turn, introduces Libro to the eccentric neighbors and to life as a media hound. When they meet a handsome man and his equally handsome dachshund, life takes an unexpected turn for both of them. Wonderfully written and captivating to the last, this is a remarkable tale of companionship.

Female(s And) Dogs Brooke Dunnell,2021-09-03 Brooke Dunnell's collection of stories links females and dogs in surprising yet hauntingly familiar ways. Cleverly crafted, it explores a range of voices, ages and socioeconomic conditions, prodding you to see society through fresh eyes. From a missing person's case, and a boy grappling with puberty, through to a girl watching helplessly as her brother trains his dog to kill, this book will pull you in from beginning to end. Runner up in the 2020 Carmel Bird Digital Literary Award. 'Across five short stories and a novella, Brooke Dunnell's Female(s and) Dogs lights a firecracker beneath the sleepy veneer of suburbia. Linked by the recurring motif of vulnerable dogs and the equally imperilled people who look after them, these are stories with bite. Beautifully observed, charged with tension: each story here is a page-turner.' WAYNE MARSHALL, Shirl Brooke Dunnell is a Perth writer whose short fiction has been published in Best Australian Stories, Meanjin, Westerly and other journals and anthologies. Her work has been recognised in a range of competitions including the Neilma Sidney Short Story Prize 2017, Bridport Short Story Prize 2019 and winner of the 2021 Fogarty Literary Award.

Sydney's inner strength bubbles up as she struggles with life as a dog on a journey that opens her eyes to what Dad and Fred endured in Afghanistan. A Girl's Best Friend Joanna Sandmark,2005 It is said that diamonds are a girl's best friend and dog's are a man's best friend but the truth is that a dog wearing diamonds is a girl's best friend. Even without the trinkets, dogs are the males who never let you down, the females who always support you, and the most loyal, trustworthy companions you will ever know. The sparkle in a dog's eyes matches the glisten in a diamond any day. A dog is a girl's best friend and here's the book that proves it! Pairing adorable vintage illustrations and photographs of the bright young things of the 1930s from the pages of the London Illustrated News with a text by a dog-loving screenwriter, it provides vital information that no contemporary female should be without. Instead of prosaic instructions on dog food and care, which you can find anywhere, it gives you the low down on the more important concerns dog owners and potential dog owners have: What your dog says about you, which is the best of breed, how to carry on canine conversations, how money spent on a dog is money well spent, how to make your dog look good and how to look good with your dog....

Will Paige finally embrace her degrading role as Lady full time and quit her job?

A Girl's Best Friend Jan Fook,Renate Klein,2001 Are diamonds really a girl's best friend? We don't think so, and neither will you after a look at this beautifully illustrated book. With contributions about what their dogs mean to them, over eighty women and girls from diverse backgrounds, ages and countries, share their feelings and experiences of living with dogs today. Not just autobiography, but stories, poetry and photographs. Family dogs, lost dogs, terriers to labradors, each one holding a special place in a woman's heart all over the world.
