🔍 **THE DOG WHISTLEBLOWER** Lloyd Turner, 2011-10-20 The world is a crazy place so if you are going to live life you need to see the big picture. Those who do not see and grasp the big picture view of life are doomed to misery without an anchor. The world is complex and scary; there is fear and suspicion intertwined in relationships. Religion and its antics are discouraging, and racial injustice is not just an American problem it is a world problem. As a matter of fact racism and class are the most prevailing forces driving the world toward Armageddon. The great tribulation period is shaping up right before our eyes and few if any see it. Do you hear the dog whistle?
