The Past and Future of the Kaffir Races William Clifford Holden, 1866

The History of Byzantine and Eastern Canon Law to 1500 Wilfried Hartmann, Kenneth Pennington, 2012-02-27 Intro -- Contents -- Acknowledgments -- Abbreviations -- 1. The Formation of Ecclesiastical Law in the Early Church -- 2. Sources of the Greek Canon Law to the Quinisext Council (691/2): Councils and Church Fathers -- 3. Byzantine Canon Law to 1100 -- 4. Byzantine Canon Law from the Twelfth to the Fifteenth Centuries -- 5. Sources of Canon Law in the Eastern Churches -- Index of Councils and Synods -- General Index.

The Atomic Bomb and the End of World War II Herbert Feis, 2015-03-08 This book discusses the decision to use the atomic bomb. Libraries and scholars will find it a necessary adjunct to their other studies by Pulitzer-Prize author Herbert Feis on World War II. Originally published in 1966. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Canon Law and the Letters of Ivo of Chartres Christof Rolker, 2010-01-28 Ivo of Chartres was one of the most learned scholars of his time, a powerful bishop and a major figure in the so-called 'Investiture Contest'. Christof Rolker here offers a major new study of Ivo, his works and the role he played in the intellectual, religious and political culture of medieval Europe around 1100 AD. Comparing Ivo's extensive correspondence to the contemporary canon law collections attributed to him, Dr Rolker provides a new interpretation of their authorship. Contrary to current assumptions, he reveals that Ivo did not compile the *Panormia*, showing that its compiler worked in a distinctly different mental framework from Ivo. These findings call for a reassessment of the relationship between Church reform and scholasticism and shed new light on Ivo as both a scholar and bishop.

Manifesto Ernesto Che Guevara, Friedrich Engels, Karl Marx, Rosa Luxemburg, 2015-04-10 "If you are curious and open to the life around you, if you are troubled as to why, how and by whom political power is held and used, if you sense there must be good intellectual reasons for your unease, if your curiosity and openness drive you toward wishing to act with others, to 'do something,' you already have much in common with the writers of the three essays in this book." — Adrienne Rich With a preface by Adrienne Rich, *Manifesto* presents the radical vision of four famous young rebels: Marx and Engels' *Communist Manifesto*, Rosa Luxemburg's *Reform or Revolution* and Che Guevara's *Socialism and Humanity*.

Through the Kalahari Desert G. Antonio Farini, 1886

Repertorium van de documenten in het Archief Monseigneur Willy Onclin Constant van de Wiel, 1998 This inventory in Dutch contains a description of the records which Msgr. Willy Onclin (1905-1989), professor of Canon Law in Louvain, has left behind from 1960 till 1986. This book consists of two parts. A first part concerns the activities of W. Onclin as peritus to the Second Vatican Council, especially regarding the decrees *Christus Dominus*, *Presbyterorum ordinis* and *Optatum totius*, the dogmatic constitution *Lumen gentium* and the declaration *Gravissimum educationis*. The greater second part draws up an inventory of the documents which W. Onclin gathered in his function as assistant-secretary of the Papal Commission for the Revision of the Code of Canon Law. It is divided following the chapters of the new Code of 1983. In this commission W. Onclin was very active concerning the *Lex Ecclesiae Fundamental*, the canons of Book I or General Norms, of Book II or People of God and the canons on the sacraments. By taking this book in the series *Novum Commentarium Lovaniense in Codicem Iuris Canonici* we want to draw attention to and stimulate the research of the wording of the Code of Canon Law of 1983. This repertory gives namely a survey of the many varied sources, gathered by a world-famous canon lawyer of Louvain, which can be useful for a correct interpretation of the editorial history of the new Code.

The Basutos Eugène Casalis, 1861

Printing Colour 1400–1700, 2015-08-24 In *Printing Colour 1400–1700*, Ad Stijnman and Elizabeth Savage offer the first handbook of early modern colour printmaking before 1700 (when most such histories begin), creating a new, interdisciplinary paradigm for the history of graphic art.

The Manchurian Candidate Richard Condon, 2013-11-25 The classic thriller about a hostile foreign power infiltrating American politics: "Brilliant . . . wild and exhilarating." —The New Yorker A war hero and the recipient of the Congressional Medal of Honor, Sgt. Raymond Shaw is keeping a deadly secret—even from himself. During his time as a prisoner of war in North Korea, he was brainwashed by his Communist captors and transformed into a deadly weapon—a sleeper assassin, programmed to kill without question or mercy at his captors' signal. Now he's been returned to the United States with a covert mission: to kill a candidate running for US president . . . This "shocking, tense" and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (San Francisco Chronicle). "Crammed with suspense." —Chicago Tribune "Condon is wickedly skillful."

Canon & Fuga Jeroen Berkhout,2014-12-19 De schrijver Ogdo Knep, midden dertig, reist naar Florence om getuige te zijn bij het huwelijk van zijn vriend Fred Lethe. Ogdo leeft met de fragmenten van een muziekstuk in zijn hoofd dat hij als kind ooit op een grammofoonplaatje had. Al jaren probeert hij tevergeefs achter de naam van de componist en het stuk te komen door het voor te zingen en te fluiten in muziekwinkels en op conservatoria. Tijdens zijn verblijf in Toscane wil Ogdo werken aan wat hij zijn vergeet- of vrouwenboek noemt, een ode aan de vrouw en tegelijkertijd de afrekening met zijn exen. Op de dag van de huwelijksvoltrekking nemen de gebeurtenissen een wending waardoor de excentrieke professor Daedolo Parpangelo ten tonele verschijnt. Kan hij Ogdo helpen het mysterie van het verzonken muziekstuk in zijn hoofd op te lossen? Canon &Fuga is een ingenieus gecomponeerde roman over liefde, verlangen, vergankelijkheid en muziek. De bijbehorende cd bevat een unieke triosonate in de stijl van de vroege 18de eeuw, vertolkt door Jan Willem de Vriend en leden van diens Combattimento Consort Amsterdam.
