**The Essential Guide to the Business & Law of Esports & Professional Video Gaming** Justin M Jacobson,2021-02-19 As esports has grown, the need for professional legal representation has grown with it. Justin's *Essential Guide to the Business & Law of Esports & Professional Video Gaming* provides a great baseline and will help prevent the legal horror stories of esports in the past. Mitch Reames, AdWeek and Esports Insider Justin's exploration of the business and law side of the esports sector fills a gap of knowledge that is an absolute necessity in truly understanding the esports space. Kevin Hitt, The Esports Observer The *Essential Guide to the Business & Law of Esports & Professional Video Gaming* covers everything you need to know about the past, present, and future of esports and professional video gaming. The book is written by one of the foremost attorneys and business practitioners in today's esports and professional gaming scene, Justin M. Jacobson, Esq. This guide is meant to provide you with an in-depth look at the business and legal matters associated with the esports world. • Includes coverage of the stakeholders in the esports business ecosystem, including the talent, the teams, the publishers, and the event organizers. • Explores various legal fields involved with esports, including intellectual property, employment and player unions, business investments and tax write-offs, immigration and visas, event operation tips, social media and on-stream promotions, and much more. • The most current book on the market, with actual contract provisions modeled on existing major esports player, coach, shoutcaster, and sponsorship agreements. About the Author Justin M. Jacobson, Esq. is an entertainment and esports attorney located in New York City. For the last decade, he has worked with professional athletes, musicians, producers, DJs, record labels, fashion designers, as well as professional gamers, streamers, coaches, on-air talent, and esports organizations. He assists these creative individuals

with their contract, copyright, trademark, immigration, tax, and related business, marketing, and legal issues. He is a frequent contributor to many industry publications and has been featured on a variety of entertainment, music, and esports publications and podcasts, including Business Insider, The Esports Observer, Esports Insider, Tunecore, and Sport Techie. Justin has positioned himself as a top esports business professional working with talent in a variety of franchise leagues including the Overwatch League, Overwatch Contenders, and Call of Duty Pro League as well as in many popular competitive titles such as Fortnite, CS:GO, Gears of War, Halo, Super Smash Brothers, Rainbow 6, PUBG, Madden, and FIFA and mobile games such as Brawlhalla, Clash of Clans, and Call of Duty mobile. Previously, he worked with various esports talent agencies as well as in an official capacity on behalf of several esports teams and brands.

*This is esports (and How to Spell it) - LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK AWARD 2020* Paul Chaloner, 2020-05-28 \*\*\*LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK AWARD 2020 'You need this. Trust me, buy it now.' - Weekly GG 'a triumph... a must-read for newcomers and veterans alike' - Forbes Award-winning broadcaster Paul 'Redeye' Chaloner brings us the definitive book on esports, the fastest growing entertainment phenomenon in the world today. From slapping coins down on arcade cabinets to the lights of Madison Square Garden, competitive video gaming has come a long way. Today, esports is a billion-dollar industry, the best players becoming stars in their own right, battling for eight-figure prizes in front of a global audience of tens of millions. From Call of Duty to Counter-Strike, FIFA to Fortnite, a generation of players have turned multiplayer video games from a pastime into a profession. But there are questions. How did we get here? What exactly is competitive gaming - is it a sport? How much money do the top stars make? Do you really have to retire at 23? And just what the hell is Dota? This is esports (and How to Spell it) addresses all of this and more, as award-winning broadcaster Paul 'Redeye' Chaloner takes you inside the unstoppable rise of pro gaming to reveal the bitter rivalries, scandals and untold history of esports, from origins to sold-out arenas. With his trademark wit - and unrivalled access - Paul delivers the definitive book on the fastest-growing entertainment phenomenon in the world today. 'Paul Chaloner is a living legend in the esports space.' - Jason Lake, founder and CEO of the esports team Complexity Gaming 'Terrific stories and insights from the inside.' - T.L. Taylor, professor of Comparative Media Studies

**100 Greatest Video Game Franchises** Robert Mejia,Jaime Banks,Aubrie Adams,2017-08-17

Video games take players on a trip through ancient battlefields, to mythic worlds, and across galaxies. They provide players with a way to try on new identities and acquire vast superpowers. Video games also give people the chance to hit reset – to play again and again until they achieve a desired outcome. Their popularity has enabled them to grow far beyond their humble origins and to permeate other forms of popular culture, from comic books and graphic novels to films and television programs. Video games are universal. In 100 Greatest Video Game Franchises, editors Robert Mejia, Jaime Banks, and Aubrie Adams have assembled essays that identify, assess, and reveal the most important video games of all-time. Each entry makes a case for the game's cultural significance and why it deserves to be on the list, from its influence on other games to its impact on an international scale. In addition to providing information about the game developer and when the franchise was established, these entries explore the connections between the different video games, examining them across genre, theme, and content. This accessible collection of essays gives readers an opportunity to gauge their favorite video game franchises against the best of all time and argue how they each fit among the 100 greatest ever created. Whether casually looking up information on these games or eager to learn how franchises evolved over the years, readers will enjoy this entertaining and informative volume. Comprehensive and engaging, 100 Greatest Video Game Franchises will appeal to fans and scholars alike.

Surviving Esports Andrew Campbell,2019-09-17 Andrew Zyori Campbell's journey from college student to successful Dota 2 caster was not an easy path. It took determination, perseverance and repeatedly recommitting to his dream for him to navigate his way through the esports industry. In Surviving Esports, Zyori reveals both the personal and professional development required to hack it in a highly competitive industry. Zyori's story criss-crosses the globe, taking us around the world, through cyber-bullying, a life-changing haircut, and possibly the most poorly planned Dota 2 tournament in history. Through Zyori's own words, we see the personal growth required to stay the course despite being overworked and underpaid. At times charming and at others painful, Zyori never holds back in his reflections on his personal and professional development. If you've ever wondered what it takes to make it in esports, this book provides unparalleled insights.

The Oxford Handbook of Digital Technologies and Mental Health Marc N. Potenza,Kyle Faust,David Faust,2020-08-20 Digital technology use, whether on smartphones, tablets, laptops, or other devices, is prevalent across cultures. Certain types and patterns of digital technology use have been associated with mental health concerns, but these technologies also have the potential to improve mental health through the gathering of information, by targeting interventions, and through delivery of care to remote areas. The Oxford Handbook of Digital Technologies and Mental Health provides a comprehensive and authoritative review of the relationships between mental health and digital technology use, including how such technologies may be harnessed to improve mental health. Understanding the positive and negative correlates of the use of digital technologies has significant personal and public health implications, and as such this volume explores in unparalleled depth the historical and cultural contexts in which technology use has evolved; conceptual issues surrounding digital technologies; potential positive and potential negative impacts of such use; treatment, assessment, and legal considerations around digital technologies and mental health; technology use in specific populations; the use of digital technologies to treat psychosocial disorders; and the treatment of problematic internet use and gaming. With chapters contributed by leading scientists from around the world, this Handbook will be of interest to those in medical and university settings, students and clinicians, and policymakers.

**A History of Competitive Gaming** Lu Zhouxiang, 2022-05-13 Competitive gaming, or esports – referring to competitive tournaments of video games among both casual gamers and professional players – began in the early 1970s with small competitions like the one held at Stanford University in October 1972, where some 20 researchers and students attended. By 2022 the estimated revenue of the global esports industry is in excess of \$947 million, with over 200 million viewers worldwide. Regardless of views held about competitive gaming, esports have become a modern economic and cultural phenomenon. This book studies the full history of competitive gaming from the 1970s to the 2010s against the background of the arrival of the electronic and computer age. It investigates how competitive gaming has grown into a new form of entertainment, a sport-like competition, a lucrative business and a unique cultural sensation. It also explores the role of competitive gaming in the development of the video game industry, making a distinctive contribution to our knowledge and understanding of the history of video games. *A History of Competitive Gaming* will appeal to all those interested in the business and culture of gaming, as well as those studying modern technological culture.

**B-SPACE 2019** Siti Kholifah, Muhaimin Zulhair Achsin, Ratnaningsih Damayanti, Muhammad Rohmadi, Memet Sudaryanto, 2020-05-12 We are delighted to introduce the 2019 Brawijaya International Conference on Social and Political Sciences (B-SPACE). The aim of B-SPACE (Brawijaya International Conference on Social and Political Sciences) is to provide a platform for various stakeholders, varying from professionals, researchers, and academicians from across the world to present their scientific take and research results on social and political matters. The theme of B-SPACE 2019 was "Gender & Digital Society 4.0". The amount of participants registered on the initial phase was 140. However, BSPACE 2019 cumulatively consisted of 79 scientific papers, presented orally by the respective authors during the two-day-conference. The oral presentation sessions were opened for the public, allowing a productive interaction between the presenters and the audience where knowledge and information were further shared. Aside from the opportunity to present them in front of an audience, the submitted scientific papers are processed to be published in EAI/EUDL proceedings.
