**The bitter Truth about Jesus** Zahid Khan, God said, "2000 years ago I gave Jesus the mission to fulfil my will to build my kingdom on earth, centred on my love and all the freedoms, which I gave to all my creations as universal value. The crucifixion was the will of the evil and fallen mankind, and it was a crime against humanity." 2000 years later I, Zahid Khan, came as a Messiah and the representative of God's heart to build the Kingdom of God on earth. God told me that the time of religions and their Scharia-system has come to an end and the new world begins as a one family world centred on the living God.

*God Reveals Himself to Mankind as a Visible God* Zahid Khan, Does God exist? When God took me, the author, into the countless heavens, He said to me, "Come inside of me. Let's fly vertically. You shall experience how my existence and everything else began in detail." At this point of dark eternity, God revealed and promised me, "Where you are standing now, there has never been any being, nor any human soul, before. You will be called my eternal heart. Return to mankind and reveal to them: Who I am. Reveal everything you have heard, seen and experienced. I will always be with you. A few thousand years ago, I appeared as a visible God on Mount Sinai. But My own chosen people did not recognize My value. Tell humanity and the German nation: I swear by your name, Zahid, that if you call my name and ask me to come to earth, I will appear on a mountain in Germany. Everyone who is on the mountain on that day will see me with their own eyes as a visible God. Prepare my children for this most supreme event." God

True Moments with God Zahid Khan, God gave birth to love. Love has seen such a time in the past of the dark eternity when there was no one to feel it. There was no one who wanted to get to know love and no one who wanted to say something about love. No one could have an opinion about anything because there were neither angels and human beings nor any other creations existing. There was no one who could say and no one who could listen something about love. There was absolute silence. Even there has been such a time, when not even a concept of love was existing. There was only one who could give birth to love, life and beauty. It was God, our beloved Heavenly Father. I was a small child when I got to know God. God travelled together with me in countless heavens. In this book I have revealed my observations and experiences with God, so mankind can recognize who God really is. Throughout human history the ignorance of mankind has brought many invisible curtains between God and human beings. However, our present time is significant that morning is near to take over this deep dark night This book will give you a deep understanding about who God is and our purpose of life.

*Conversation with God, Heavenly Beings and Lucifer* Zahid Khan, Oh God, when one day the wind will blow the dust over my grave it will remind you: If I had lived longer on earth it would have been my last wish to tell your children more about You and your broken heart.

I Lost my Heart in God - Volume 2 Zahid Khan, God says: "Will I ever find my home in love in my own creation?"

I Lost my Heart in God - Volume 1 Zahid Khan, God says: "The 21st century belongs to the one-world-family centred on me, its Creator. My prophecy of a new heaven and a new earth was written down in the books of many religions. I, God, revealed to the author that the new heaven represents the realization of my will. Once this happens, I will be a visible God for mankind. When the prophecy talks about a 'New Earth', it stands for the time when the earth will be populated with my loved ones who truly belong to me, their Creator. Therefore, it is now time to establish my Kingdom, the Kingdom of God, wherein all people, every one of them, have a living relationship with me." This was spoken directly to

humanity by the Creator of all creations. This book will reveal many secrets about God's heart and help each person to grow in the love of God.

**I Lost my Heart in God - Volume 3** Zahid Khan, God says: My love has always been unconditional and yet you have forgotten ME!

**I Lost my Heart in God - Volume 4** Zahid Khan, God says: Oh my creation, you do not know me. But I know you. In eternal life, you will search my love, sometimes in songs, sometimes in tears. Then you will get to know that without me you will never find your home.

**Science and Spirituality** Zahid Khan, Spirituality and religion are like a tree with its fruits. Spirituality is the fruit of religion and enables to make observations and experiences in the spiritual world. In itself, religion is blind. If you stay at its level and don't develop beyond it, then you get nothing but blind faith. Aside from religious practices, every religion only conveys hope of a better place in the life after death. Spirituality and science search for the Creator in parallel, directly or indirectly. Science explores how things were created, and spirituality gives the answer to why the creation came about. This book will help to understand the human mind and heart at the same time. If both develop, they meet at one point, which leads to a higher spiritual growth of human beings.

**Internet Programming with Visual Basic** Budi Kurniawan, 2000-09-01 This book covers what Visual Basic developers need to know in order to combine Visual Basic with Microsoft Internet Information Server (IIS). Veteran author Budi Kurniawan shows developers everything they need to know to successfully design and implement a Web application without over-simplifying the process or leaving out a single step. He provides a thorough treatment of Webclasses, which, though poorly documented elsewhere, are the key to connecting VB and IIS, while teaching developers how to build a successful VB based IIS application from start to finish.

**Family Letters of Wilhelmina Boehm Ney (1835-1923)** Hugh Hagius, 2015 Wilhelmina Boehm was born in Saxony in 1835 and came to America as a girl. At 18 she was married to Fred Ney, aged 21, in Arnheim, Ohio. Fred and Minna farmed first in Ohio, and then in Illinois, and then in Louisiana. Their family grew to eleven sons and daughters, forty grandchildren, and a lot of great-grand-children. In their old age they went to live with a daughter in Medford, Oklahoma, where Fred died in 1919 at the age of 87, and Minna in 1923, also at 87. Most of the letters in this volume were written by Minna from Medford to her daughter Eliza Hagius, but it includes also a number of other family letters and documents. The letters give a day-to-day picture of farm life in the nineteenth and early twentieth centuries, and what it was to live through World War I and the Spanish Influenza epidemic. They also portray the progress of a large family as it spread westward to the Pacific, and moved off the farm and into the towns and cities.
