Life After Taylah Bella Jewel,2014-04-20 I fell in love with a married man. It wasn't how it was meant to go. But I don't regret it. A friendship is formed. A relationship is built out of the weakest foundations. A love that blossoms until it's riding on the edge of dangerous. A forbidden love that will change their worlds forever. My mother was taken from me when I was just a girl. She disappeared into nothing, leaving us no answers, no clues, and no closure. Ten years on and my life has never been the same. My brother is withdrawn and angry, caught up in a world of drugs and pain. My father barely speaks. I don't have answers. I don't know if my mother is okay. I don't know if my life will ever be the same. How can you move on when you just don't know? Then I meet Nate. Champion Motocross Racer. Bad boy. Married. He will soon become my everything. There's only one problem with that. He's not mine to have. Our relationship isn't right. Our love is forbidden. Nate teaches me to breathe again. He teaches me to laugh. But most of all he teaches me that regardless of the pain I've lived through, that there is, in fact, Life After Taylah.

*Roman and Jewel* Dana L. Davis,2021-01-05 If Romeo and Juliet got the Hamilton treatment...who would play the leads? This vividly funny, honest, and charming romantic novel by Dana L. Davis is the story of a girl who thinks she has what it takes...and the world thinks so, too. Jerzie Jhames will do anything to land the lead role in Broadway's hottest new show, Roman and Jewel, a Romeo and Juliet inspired hip-hopera featuring a diverse cast and modern twists on the play. But her hopes are crushed when she learns mega-star Cinny won the lead...and Jerzie is her understudy. Falling for male lead Zeppelin Reid is a terrible idea—especially once Jerzie learns Cinny wants him for herself. Star-crossed love always ends badly. But when a video of Jerzie and Zepp practicing goes viral and the entire world weighs in on who should play Jewel, Jerzie learns that while the price of fame is high, friendship, family, and love are priceless. **Midnight Jewel** Richelle Mead,2017-07-03 In the second installment of the bestselling Glittering Court series, Richelle Mead goes beyond the glitz and glamour, delving into the dark, political underbelly of their world through the eyes of one girl who dares to fight for her freedom. A refugee of war, Mira was cast out of her home country and thrust into another, where the conditions were inhospitable at best. In a life-altering twist of fate, she is given the chance to escape once more, and she takes it, joining the Glittering Court. For a select group of girls, the Glittering Court offers a shot at a life they've only ever dreamed of, one of luxury, glamour, and leisure. But for Mira, it means further persecution, not only from her fellow Glittering Court jewels, but from her suitors, as well--men she would potentially be expected to give her life to. By day, she goes through the motions, learning the etiquette and customs that will help to earn her anonymity, even making a couple true friends in the process, the forthright ladies' maid Adelaide and the ambitious laundress Tamsin. But by night, Mira hatches a different plan entirely--one that, if exposed, could get her hanged in the highest court of Adoria. Midnight Jewel is the extraordinary story of a girl with few options who courageously forges a new path, finding love, passion, lifelong friendships, and maybe even a way to freedom.

Discover UK Shoegaze and Dream Pop Vernon Joynson,2023-10-20 Discover UK Shoegaze and Dream Pop is an excellent comprehensive guide to the development of both genres in the UK. It includes detailed discographies, personnel details, biographies, analysis of their music and, where applicable, rarity ratings for all the 80s and 90s acts featured. You'll recognise some names but several less well known acts are included too. There's also a detailed postscript section on the re-emergence of Shoegaze and Dream Pop in the UK in the 21st century and the bands involved in it. This book is the latest in a quartet of books Vernon has written about UK music commencing with the Two Volume Tapestry of Delights (2014), A Sharp Shock To The System (2019) and The Britpop Bible (2022). These three previous titles appeared in print but in view of the cost of living crisis Discover UK Shoegaze and Dream Pop has been published digitally to reduce the retail price and make it affordable for more of you. You will discover a lot about UK Shoegaze and Dream Pop from this book, which is profusely illustrated throughout. There is nothing similar out there!

Melancholy Bella Jewel,2014-09-09 There's never been a time I've cared about anything more than my club. Today that all changed. Today I got you. Maddox is the President of the Jokers' Wrath MC. He's hard, he's determined and he's never had to give his heart over...until the day he found and saved Santana. Sassy and head-strong, she's given him a run for his money for a solid five years. Their tension has built and both of them have danced around a passion that's burning so deep in their souls, it's all-consuming. They want each other - they're just too stubborn to admit it. Heat, lust and sassy natures will have them fighting against what's real. She's feisty, he's stubborn. But everything will change the moment she gets her first taste of the rugged, broody biker. There's one problem with this story...Maddox has a secret. A secret he knows will crush Santana. It will take her life and spiral it out of control, sending them into a world of danger that will risk not only their lives, but everyone in the clubs, too. Will their love withstand the battle? Or will Maddox lose the only girl he's loved, forever?
