Family Computer Fun Ralph Bond,2005 Family Computer Fun: Digital Ideas Using Your Photos, Movies, and Music will give you ideas for dozens of fun projects to enjoy with your family. The book starts with a quick tour of what's needed for the projects in the book, which doubles as a guide to buying a new PC or products to enhance your current one. Projects in the book include creating custom photos albums to share, editing photos to add effects or retouch, uploading home movies to edit and burn to DVDs, sharing video or photos over the Internet, and turning a PC into a home recording studio. Later chapters offer a quick guide to streaming video and audio to a TV and stereo in the living room. The author creates each project with tools that are both affordable and easy-to-use, and finishes with pointers to more advanced software should you want to explore further. Unlike other books on digital media, the activities in Family Computer Fun are designed with the family in mind, with software that anyone can use and projects that will be fun for the entire family to explore together.
