The Suicide Solution Daniel Emina, Rick Lawrence, 2021-09-14 This is a book for people who

are struggling to find their way out of a cave of anxiety, depression, and suicidal thoughts—and for anyone who cares for someone who's been lost in that cave. Suicide is now the leading cause of death among young adults 18-34, and the fourth-leading cause of death among the middle-aged. Just as a computer's hardware determines its foundational capabilities and its software determines how it interfaces with the world, humans' hardware is tied to our biology and our software dictates how we relate to others and ourselves. Together, these parts of our identity determine our functionality, limitations, and possibilities. We become the story we have decided to live inside. When Jesus said, "I have come to set captives free," He meant that He came to "debug" our programming. Jesus invites us to partner with Him to bring to the surface and then move past our debilitating bugs. This book is a conversation between a minister and a psychiatrist. Informed by the clinical realities of anxiety, depression, and suicide, the authors draw from the transformational relational strategies of Jesus to chart a path into life and freedom.

Back to You Mira Lyn Kelly, 2022-11-22 From USA Today bestselling author Mira Lyn Kelly comes a sexy collection featuring a billionaire romance, a hockey romance, and a fake relationship romance.

Hard Crush Ten years ago, I was the geek with too many ideas and one girl I wanted forever. A billion dollars later, and one night with a soft body is as close to forever as I get. It's all I want. Or it was. I never thought I'd see her again... I never thought I'd see her again Let alone find her in the same spot I left her ten years ago, teaching at the high school where we fell in love. I should have kept walking But I wanted that laugh. That smile. I wanted five minutes before I got back to the life with no room for my past. One kiss was all I meant to take But then her fingers were in my hair, her breath hot against my lips. My hands... everywhere. Now I want more I want her, but she only wants the guy I used to be. And just like the first time... I can't stay, and she won't leave.

Dirty Player He's got a dirty mouth... It started as a joke... A throw away promise between friends. A dare for a single kiss at our reunion and nothing more. But that kiss... That kiss was no joking matter. It was hot and wet. A hands-everywhere, breathless kind of insanity that left us both teetering on the brink.

She's got rules about guys like me... Rules I respect the hell out of when they apply to any other pro athlete. But as they apply to me? Those rules are about to be broken. Dirty Bad Boy I'm not a total dick. Most days, I'm a damned decent guy. Just not around my buddy's sister... She's sexy as sin... She's sharp as hell, and she's also the lush little harpy who's been rubbing me wrong since we were kids. I don't want to do her a favor... If it had been any other damsel in distress looking to shake some unwanted attention, I'd have been the perfect fake boyfriend for all of five minutes. But Laurel brings out the bastard in me, and five minutes hardly seemed enough time to make her squirm. She wants to one-up me... But I want to win. And maybe I need a favor too.
