*Happy People Are Annoying* Josh Peck,2022-03-15 A wonderfully candid memoir from one of the most recognizable

faces of a generation, actor, writer, Youtuber, and television superstar, Josh Peck. In his warm and inspiring book, Josh reflects on the many stumbles and silver linings of his life and traces a zigzagging path to redemption. Written with such impressive detail and aching honesty, *Happy People are Annoying* is full of surprising life lessons for anyone seeking to accept their past and make peace with the complicated face in the mirror. Josh Peck rose to near-instant fame when he starred for four seasons as the comedic center of Nickelodeon's hit show *Drake & Josh*. However, while he tried to maintain his role as the funniest, happiest kid in every room, Josh struggled alone with the kind of rising anger and plummeting confidence that quietly took over his life. For the first time, Josh reflects on his late teens and early twenties. Raised by a single mother, and coming of age under a spotlight that could be both invigorating and cruel, Josh filled the cratering hole in his self-worth with copious amounts of food, television, drugs, and all of the other trappings of young stardom. Until he realized the only person standing in his way...was himself. Today, with a string of lead roles on hit television shows and movies, and one of the most enviable and dedicated fanbases on the internet, Josh Peck is more than happy, he's finally, enthusiastically content. *Happy People are*

Annoying is the culmination of years of learning, growing, and finding bright spots in the scary parts of life. Written with the kind of humor, strength of character, and unwavering self-awareness only someone who has mastered their ego can muster, this memoir reminds us of the life-changing freedom on the other side of acceptance.

Blues Brothers Laurie McElroy, Nickelodeon Staff, 2009 Drake and Josh are as different as two kids can be. Drake is laid back, cool and popular, while Josh is sensible and abit nerdy. Going to the same school is about the only thing they have in common... until Drake's mum marries Josh's dad! Now everything is about to change... Drake is used to getting attention. But for Josh, being in the limelight makes him shiver - literally - so when he makes his first TV appearance, he is revisited by an old enemy, 'the Twitch'.

And while Josh tries to shake his case of nerves, Drake has to deal with the latest competition for the talent show. Sure, he's won the last two years, but his chances for 'three-in-a-row' could be thwarted unless he gets some help from an unlikely source - his less-than-lucky stepbrother, Josh!

*Drake & Josh Go Hollywood* Laurie McElroy,2006 When stepbrothers Drake and Josh are left home alone for ten days, chaos ensues as they put Megan on the wrong plane, then go looking for her in Los Angeles.

An Epicurious Best Cookbook for Spring • “Healthier Together focuses on real whole foods and bringing community together.”—Kelly LeVeque, celebrity nutritionist and bestselling author of *Body Love Food* writer and health blogger Liz Moody once followed trendy diets and ate solely for fuel, not for flavor. That changed when she met her soon-to-be-boyfriend and

they started cooking nutrient- and vegetable-rich meals. She not only fell in love with food again, but she also discovered that setting goals and sticking to them is easier and more gratifying when paired with someone else. Mincing garlic and sautéing onions together eventually led the couple to marriage—proving that good food really is the universal connector! These 100+ flavor-packed recipes are designed to be cooked and enjoyed by two people, plus they're all gluten-free, dairy-free, and plant-centered. They include homemade alternatives for all the foods you love to share, such as brunch, takeout, and sweet treats. Cooking with a friend/partner/mom is so much better than cooking alone, plus having a partner will keep you both accountable on your healthy eating journey.”—Gina Homolka “Liz
