Long-Range Goals Beau Dure,2010-05-31 All over the world, soccer is known as “the Beautiful Game” and is the most popular sport. But in the United States, professional soccer still has a hard time catching on. It has had some successes here. The American Soccer League of the 1920s, Pél  and other international stars in the North American Soccer League's glamorous 1970s, the indoor soccer phenomenon of the 1980s, and the U.S. women's win in the Women's World Cup of 1999 all hinted that the American public is ready to embrace pro soccer. In its short history, Major League Soccer (MLS) has survived and even started to thrive, drawing steady crowds and loyal fans. In *Long-Range Goals*, Beau Dure profiles teams and players, including D.C. United, the Los Angeles Galaxy, Landon Donovan, Freddy Adu, and Coach Bruce Arena, who are all vital to MLS. Some of the triumphs include an expansion of the league and its ownership group, the contribution of MLS players to a strong U.S. World Cup showing in 2002, and the construction of soccer stadiums nationwide. At the same time, MLS has occasionally stumbled, during costly legal battles with players and seeing two teams fold, but its investors have remained strong, figured out how to make money, and support the league. From the league's formation in 1993 to the David Beckham era, this book reveals all the

action on and off the pitch: the politics, the lawsuits, the management of its teams, and the savvy business deals that helped MLS rebound. It also revels in the big personalities of its stars, the grace of its utility players, and the obstacles the league faces in meeting its long-range goals.

Defying Expectations Susan Veness, 2017-11-01 The inside story of the birth of the Orlando City Soccer Club--

Toronto FC John Bankston, 2018 It's not easy being a new team. Toronto FC was the first Major League Soccer team in Canada. They were also the worst in the league. Every year they lost more games than they won. Then Toronto started hiring stars. Some of the highest paid players now play for Toronto. It's paid off. The team has reached the play-offs two years in a row. In 2016, they almost won the Championship. Many think a MLS Cup is coming to Toronto.--Publisher's description.

MLS MAJOR LEAGUE SOCCER (set Of 10) , 2019-09-15

Soccer and the American Dream Ian Lawrence, 2018-11-12 The American Dream is founded upon the ideological belief that 'you can be anything you want to be', regardless of your current class position, and is one of the most emotive, pervasive and ideologically embedded concepts championed by American citizens. Providing contemporary insight into the American Dream via the critical lens of soccer - the world's pre-eminent sport but still a minority interest in the US - this book challenges the notion that America is different, exceptional or unique in the global order, either in real socio-economic-political terms or in perceived cultural terms. Soccer and the American Dream offers an overview of soccer in the US and uses case studies to explore the motives of American university students in undertaking a soccer scholarship, considering the impact of family, social class and career development upon social mobility and upon the game itself. Providing a fascinating new insight into the nexus of sport, education, culture and society, this is a topical resource for students, scholars and practitioners across the fields of soccer, higher education, youth sport, sports development, sports

coaching and sport management.

Soccer Goes American Jackson Shire,2019-01-13 Ever heard that TV companies encouraged players to dive so there could be more time for commercial breaks? Or that American soccer teams used to be run by corporate giants? Or even that the US came in third in the 1930 World Cup? We may be living in an age where soccer is America's up-and-coming sport, but that doesn't mean the game hasn't had its ups and downs here in the States. We've gone from being one of the world's premier soccer powers to having no semblance of a professional league, and everywhere in between. And that's all led us to today, an environment that can draw stars like Zlatan Ibrahimovic or develop enticing talent like Christian Pulisic. Today, Major League Soccer is becoming one of America's major sports leagues, and now, you get to hear from current stars, US soccer Hall-of-Famers, and top executives about what's going on behind the scenes and what's still to come.
