The Resurrection Chronicles: Books 1 - 3 M.J. Haag,2019-06-07 Demon Ember - Mya's world is falling apart. After a series of earthquakes, deadly animals surface and begin the spread of a zombie-like plague. Only hours later, huge, grey-skinned men emerge that possess impossible strength and speed, making humans easy prey. The one that finds Mya is determined not to let her escape. Although he keeps her safe from the animals, Mya knows nothing can keep her safe from him. Demon Flames - As hellhounds continue to roam and the zombie plague spreads, Drav leads Mya to the source of her troubles—Ernisi, an underground Atlantis and Drav's home. There Mya learns that the shadowy demons, who've helped devastate her world, are not what they seem. Trapped in Ernisi, Mya tries to convince Drav to return her to the surface so she can continue her search for her family. However, he's determined to keep her where he knows she'll be safe. When Mya falls ill, Drav must choose between her and his people. Demon Ash - The world is nothing like Mya remembers. While in Ernisi, cities have been bombed and burned in an attempt to stop the hellhounds and the plague. The survivors are doing everything they can to win back their world from the hell that was unleashed with the first quake. With Drav's help, Mya reunites with her family, but they are far from safe. Marauders, hellhounds, and the infected are doing their best to destroy what's left of the world, and it's up to Mya and Drav to save it. Fans of The Walking Dead, romance in any form, and reading with the lights out will obsess over The Resurrection Chronicles.

Language Typology and Language Universals 2.Teilband Martin Haspelmath,Ekkehard König,Wulf Oesterreicher,Wolfgang Raible,2008-07-14 This handbook provides a comprehensive and thorough survey of our current insights into the diversity and unity found across the 6000 languages of this planet. The 125 articles include inter alia chapters on the patterns and limits of variation manifested by analogous structures, constructions and linguistic devices across languages (e.g. word order, tense and aspect, inflection, color terms and syllable structure). Other chapters cover the history, methodology and the theory of typology, as well as the relationship between language typology and other disciplines. The authors of the individual sections and chapters are for the most part internationally known experts on the relevant topics. The vast majority of the articles are written in English, some in French or German. The handbook is not only intended for the expert in the fields of typology and language universals, but for all of those interested in linguistics. It is specifically addressed to all those who specialize in individual languages, providing basic orientation for their analysis and placing each language within the space of what is possible and common in the languages of the world.

Peter Krimsov: The Stalingrad Conspiracy Lester S. Taube,2014-11-14 All readers of spy fiction who have been existing in a partial vacuum since the last James Bond story can now step into the exhilarating atmosphere of a new kind of intense and suspenseful spy adventure by meeting Peter Krimsov. When Major Peter Krimsov, a former language professor, is sent on a mission behind German lines at Stalingrad, he overhears a plot by a Russian general to defect to the Nazis. He is promptly assigned to the ultra-secret State Security Department, and ordered to uncover the Russian traitor. But Krimsov has a more urgent reason to find the traitor. To conceal the meeting, a nearby village has been wiped out by Nazi extermination squads. Raped and murdered in that village was Krimsov's pregnant wife. His first assignment is to track down Karl von Bringler, the sole German general still alive who attended the meeting, but who has disappeared. Krimsov's travels take him throughout Europe and finally to Argentina in search of Pilar, the beautiful mistress of the missing German. Ruthless and deadly, both as a man hunter and lover, he uses Pilar as his bait to corner von Bringler for a confrontation. The irony of the search is that Krimsov himself also falls in love with the designing woman. Returning to Russia with his explosive secret, shattered in body and close to death, he must unravel the final threads of the massive plot that reaches to the very pinnacle of his government.
