The Late Truck Driver David Longanecker, 2021-02-03 *The Late Truck Driver* isn't about a deceased truck driver or someone who arrives late to pick up or deliver a load. It's about becoming a truck driver later in life. David Longanecker always dreamed of driving a big rig, but his life took a different path, leading him to enjoy a career as a higher education administrator and in policy analysis. When he retired, however, he chased his dream. In this book, he shares how he made the leap, what it was like prepping for and taking the test to earn his commercial driver's license, and how he earned real-world experience on the road. He also pays tribute to the beauty of big rigs and the pure joy that comes along with looking at them and driving them. There really is nothing like admiring the beauty of a landscape while sitting in the elevated cab of a big rig tractor. Whether you've wondered what it is like to drive a big rig, want to make a career change, or simply crave to know more about truck driving culture, you'll get an accurate picture of what the life is all about with this book.

Parallel Lines R.J. Mitchell, 2023-09-11 *PARALLEL LINES* is the story of a deadly rivalry on both sides of the law. With criminal rival and would be underworld kingpin Declan Meehan on the verge of controlling Glasgow's lucrative illegal drug trade, Detective Sergeant Angus Thoroughgood vows to bring him down. An edgy and fast-paced crime thriller set in the seedy criminal underworld of Glasgow, Scotland, *Parallel Lines* is the first book in the critically-acclaimed DS Thoroughgood series. With Meehan bludgeoning his competition into submission, seizing the city piece by piece, his conflict with Thoroughgood gets all too personal when Celine Lynott, the woman who broke Angus' heart ten-years

earlier, falls for his nemesis. *Parallel Lines* sees author RJ Mitchell drawing from his twelve years of experience as a Glasgow police officer to drag readers into the city's sleazy underbelly to encounter the violent and lawless stories that can be found there.

The Boston Driver's Handbook Ira Gershkoff,Richard Trachtman,2009-03-04 A commuter's survival guide and a visitor's crash course on the sometimes hilarious, sometimes harrowing reality of Boston driving, *The Boston Driver's Handbook: The Almost Post Big Dig Edition* offers expert advice and witty encouragement for conquering the streets. This newly revised edition has tips on everything you need to know-from where to park, how to drive in the winter, how to execute the sidesqueeze in heavy traffic - and everything you don't necessarily need to know but will love to know anyway-from pedestrian point values (absent-minded MIT professor, 2 points; mayor, 10 points) to the best accident excuses of all time. With the latest information on the confusion caused by Boston's Central Artery Relocation Project, *The Boston Driver's Handbook* is as practical as it is entertaining, making it a must-have for the tourist and the Boston native alike.

Driver's Test Don Zolidis,2013-06-07 No amount of parallel-parking practice can prepare sixteen-year-old Gail for this driver's test. Dangerously insane, fun-loving DMV tester Margie is feeling the need for speed, is hot to hit the road, is...well, a terrible instructor. Can Gail pass her test even with someone urging her to push the speedometer to its limit and evade the police? Comedy levels go into overdrive as Margie takes Gail on the wildest ride of her life.

Driverthink Frank Miller,2009-06 *Driverthink* is not just another Go Slow Safe Driving guidebook.

Within its pages are reality based driving tips, ideas and suggestions that can literally save your life. For too long, the focus on safe driving has been to expound Politically Correct driving concepts that simply don't take into account the Reality of driving a vehicle at high speed on modern roads and highways. Otherwise responsible people don't suddenly shed their responsibility when they slip behind the wheel. But they don't often really think about their driving either. Thus the title Driverthink. In order to be responsible, safe drivers, we need to think about our driving. We need to know our machines, know our limitations, maximize our driving skills and gain driving experience as quickly as possible. Driverthink breaks new ground by exploring each of these areas in lively, entertaining detail. Drive Fast or Drive Slow - but Driverthink when you drive Driverthink is a collection of articles from the popular blog of the same name. Written in a lively and entertaining style, each of the articles explore specific driving situations or issues in detail, offering driving tips, ideas and suggestions on how to deal with the different situations. Driverthink is an excellent review for the seasoned driver and a must read for the newer, less experienced driver. Driverthink would suggest that Speed may kill, but unskilled driving can definitely kill. Does the average driver even know what over steer or under steer are? Do they know what kind of rear suspension they're driving on? Do they really understand how these most basic driving concepts will affect the handling of their vehicles - especially in an emergency situation? Driving on our roads and highways must be about reality. It is dealing with that reality that will keep us alive. Following standard issue, politically correct advice offered by those with limited skills and no appreciation for the realities of driving, simply doesn't create safer driving. Just Slow Down, might not be the best advice on a highway where even the slow

lanes are doing limit plus ten. High speed rear end accidents can really ruin the day and excessively slow driving will most surely restrict traffic flow. Perhaps it's not the best advice after all Driverthink is a most serious effort by the author, to start really saving lives on our Highways and Byways. It will help you to become a much safer Driverthink driver It may even save your life.

Parallel Lines Jessica Murthy,2023-06-27 Is willingness ever enough? Minhyun finds himself wrestling with the thought for years before an unsuspecting subway ride forces an answer out of him. Trapped with seven strangers, Minhyun and the other passengers are locked in individual coaches respectively where they need to enter a specific passcode to cross to the next coach. Haunted by his spectres as a leader, Minhyun is reluctant to take up the mantle once again. Having his intentions and integrity questioned on their race against time is something he'd expected. And it wouldn't have mattered, except the person on the last coach is his brother, Dane. Will everyone live to see the finish line or is death waiting at their final destination?

Parallel Lines Norah Spie,2006-03 In this biography Norah Spie reveals the dreams and aspirations of a young African girl, as she grows up, goes to school, looks for her first job, has her first romance. Her frank

style clearly reveals her character, which springs out from the page as you read. Life for young Zimbabweans is changing, as they face political changes that are offering opportunities and providing new challenges. As Norah describes her life the reader comes to an understanding of the mind of a wider Africa, one that is seeking new horizons, looking for more than is offered by traditional society. This account provides an insight into the needs and aspirations of this young woman, who in turn is a mirror through which today's Zimbabwean can be seen. Norah is a qualified journalist/ broadcaster and works for a radio station in Birmingham, UK. She has lived in Sweden, France and is now based in the U.K.
