The Words and Music of Ice Cube Gail Hilson Woldu, 2008-10-30 Ice Cube is one of the most influential figures in the history of rap and hip-hop. Best known for the vitriol of his angry black man recordings of the late 1980s and mid 1990s, Ice Cube epitomizes the genre often referred to as gangsta rap. Much of his music from these years is focused on the disturbing realities of life in black urban ghettos, and as a result it chronicles such complex and controversial issues as racial stereotypes, street gangs, racial profiling, black on black crime, teen pregnancy, absentee fathers, and male-female relationships. His recordings with NWA are noteworthy for their sardonic humor in discussing dire issues. The group's landmark CD *Straight Outta Compton* (1988) is a palette of urban woes recounted in aggressive and hostile street vernacular, while Ice Cube's recordings of the 1990s now represent paradigms of the gangsta style. The first three chapters of *The Words and Music of Ice Cube* explore Ice Cube's recordings between 1988 and 1996 and situate Ice Cube in the context of other rappers of this period—most notably Public Enemy, Ice-T, Tupac, Biggie, and Snoop Dogg—whose music also chronicled explosive issues in urban ghettos. The fourth chapter considers Ice Cube's career in film, beginning with a discussion of his performance in *Boyz n the Hood* and ending with a look at his most recent films, *Barber Shop*, *Barber Shop II*, *Are We There Yet?* and *And Are We Done Yet?* The fifth and final chapter looks back over all of Ice Cube's work to date and considers his impact and his legacy in music and popular culture at large. .

Local Music Scenes and Globalization Thomas Burkhalter, 2014-04-16 This book offers the first in-depth study of experimental and popular music scenes in Beirut, looking at musicians working towards a new understanding of musical creativity and music culture in a country that is dominated by mass-mediated pop music, and propaganda. Burkhalter studies the generation of musicians born at the beginning of the Civil War in the Lebanese capital, an urban and cosmopolitan center with a long tradition of cultural activities and exchanges with the Arab world, Europe, the US, and the former Soviet Union. These Lebanese rappers, rockers, death-metal, jazz, and electro-acoustic musicians and free improvisers choose local and transnational forms to express their connection to the broader musical, cultural, social, and political environment. Burkhalter explores how these musicians organize their own small concerts for 'insider' audiences, set up music labels, and network with like-minded musicians in Europe, the US, and the Arab world. Several key tracks are analyzed with methods from ethnomusicology, and popular music studies, and contextualized through interviews with the musicians. Discussing key references from belly dance culture (1960s), psychedelic rock in Beirut (1970s), the noises of the Lebanese Civil war (1975-1990), and transnational Pop-Avant-Gardes and World Music 2.0 networks, this book contributes to the study of localization and globalization processes in music in an increasingly digitalized and transnational world. At the core, this music from Beirut challenges ethnocentric perceptions of locality in music. It attacks both Orientalist readings of the Arab world, the Middle East, and Lebanon, and the focus on musical difference in Euro-American music and culture markets. On theoretical grounds, this music is a small, but passionate attempt to re-shape the world into a place where modernity is not euro-modernity or euro-american modernity, but where possible new configurations of modernity exist next to each other.

The Arab Avant-Garde Thomas Burkhalter, Kay Dickinson, Benjamin J. Harbert, 2013-11-13 From jazz trumpeters drawing on the noises of warfare in Beirut to female heavy metallers in Alexandria, the Arab culture offers a wealth of exciting, challenging, and diverse musics. The essays in this collection investigate the plethora of compositional and improvisational techniques, performance styles, political motivations, professional trainings, and inter-continental collaborations that claim the mantle of "innovation" within Arab and Arab diaspora music. While most books on Middle Eastern music-making focus on notions of tradition and regionally specific genres, The Arab Avant Garde presents a radically hybrid and globally dialectic set of practices. Engaging the "avant-garde"—a term with Eurocentric resonances—this anthology disturbs that presumed exclusivity, drawing on and challenging a growing body of literature about alternative modernities. Chapters delve into genres and modes as diverse as jazz, musical theatre, improvisation, hip hop, and heavy metal as performed in countries like Iraq, Egypt, Lebanon, Syria, Palestine, and the United States. Focusing on multiple ways in which the "Arab avant-garde" becomes manifest, this anthology brings together international writers with eclectic disciplinary trainings—practicing musicians, area studies specialists, ethnomusicologists, and scholars of popular culture and media. Contributors include Sami W. Asmar, Michael Khoury, Saed Muhssin, Marina Peterson, Kamran Rastegar, Caroline Rooney, and Shayna Silverstein, as well as the editors.

A Nomadic Art Museum Black Cube, 2020-12-03 This monograph examines the reemergence of site-specific contemporary art in the American West and beyond, as seen through the oeuvre of Black Cube, a nomadic contemporary art museum. A Nomadic Art Museum: Black Cube 2015 - 2020 surveys groundbreaking, site-specific art projects produced by Black Cube during its first five years, which span across the United States and Europe. Through a visual compendium of ambitious, experimental, and momentary artworks, this book explores art in the public realm outside of conventional gallery spaces. The extensive chapters feature over eighty artists and highlight documentation of thirty-five situational art projects that materialize in unusual places like abandoned bus terminals, gold mining towns, iconic modernist chapels, and even cars. This book encompasses five years of the roving museum's collaborative ethos and driving mission—the commitment to venturing into the unknown, realizing artists' bold ideas, and reaching new audiences. In addition to contributions from the institution's Founder, Laura Merage, and Chief Curator, Cortney Lane Stell, A

Nomadic Art Museum includes key texts by writers Angella d'Avignon and Paddy Johnson that asses Black Cube's formative years and the significance of site-specific contemporary art in today's world.
