I've Gotten a DWI/DUI. Now What? Corona Brezina,2015-07-15 This book provides teens with DWI/DUI case terminology, discusses their legal rights and responsibilities, the legal process involved in a DWI/DUI charge, and what happens after a conviction.

Michigan DUI Playbook MR Jonathan Andrew Paul,kelly kelly,2015-09-28 As part of my practice, I defend doctors, fellow attorneys, executives, senior military officers, teachers, professional and college athletes, airline pilots, and the good hard working people of Michigan who find themselves charged with a drunk driving offense. I currently live in Ann Arbor with my wife and my kids, and prior to entering private practice, I was an Assistant District Attorney in New York City, and an Oakland County (Michigan) Prosecutor. As a prosecutor, I successfully prosecuted thousands of high profile felony, misdemeanor and drunk driving cases. During my career as a prosecutor, I never lost a trial, and had a 100 percent conviction rate. This was a major accomplishment as the Brooklyn District Attorney's Office is the busiest in the entire country, and Oakland County has a reputation as having some of the best criminal defense attorneys in the State of Michigan. I was pretty good at prosecuting people, but now I'm on the other side of the table using that experience for your benefit. I'm currently a criminal defense attorney at Kelly & Kelly, P.C., a well established and Better Business Bureaus Accredited law firm that has been fighting for clients for the past twenty-five years. While I'm usually the lead attorney on criminal cases, I use a team approach, which gives the client multiple legal minds working on their case, and helping the client get the absolute best outcome. Since leaving my career as a prosecutor, I've been selected and recognized in 2013, 2014, 2015 & 2016 by Super Lawyers Magazine; the prestigious magazine selects the top 2.5 percent of attorneys in Michigan, and in my opinion is the gold standard for attorney rankings. My selection by Super Lawyers Magazine was featured in Hour Detroit Magazine and the New York Times. My work as a Michigan criminal defense lawyer has also earned me a Superb 10.0 Avvo Rating. I'm licensed to practice law in Michigan and New York. I graduated from the University of Michigan Law School, and I'm not at all shy about bragging that I graduated from one of the best law schools in the world. My educational background and my experience as a prosecutor have pushed me to the forefront of criminal defense attorneys in Michigan. I currently serve as the criminal law co-chair for the Washtenaw County Bar Association and I'm a member of the Oakland County Criminal Law Committee.

The Virginia DUI Handbook Luke J. Nichols,2010-09-20 The Virginia DUI Handbook explains in detail the entire Virginia DUI judicial process. This book covers in depth the different laws related to DUIs, the various punishments, fines, fees, and consequences of conviction, the various probation and education programs including ASAP and how to get a restricted driver's license. Additionally, this book addresses the technical defenses to DUI, what

a driver's rights are, and how to avoid being convicted of this serious offense. But more importantly, this book empowers drivers accused of DUI so that they can find a quality attorney and then know how to get the most out of the attorney they hire.

A Guide to Sentencing DUI Offenders, 1996

The DUI Handbook David N. Jolly, 2011-05-01 Driving Under the Influence of alcohol or drugs (DUI) is a very serious offense with potentially extreme consequences. The DUI Handbook for the Accused Vol. II, details the DUI process from beginning to end, including police DUI procedures, field sobriety testing, BAC testing, the court process, how to hire a qualified DUI attorney, more than 360 legal defenses to DUI, and how to avoid a DUI entirely. This second edition updates DUI laws, adds a new chapter on alcohol/drug evaluations, treatment, and alcoholism, and expands growing areas of the DUI arena, including driving under the influence of drugs. This book is a must if you or a loved one has been charged with DUI.

Advanced DUI Investigation Daniel J. Haggin, 2005 This all inclusive reference book deals with all aspects of DUI/DWI and is aimed exclusively towards the investigation of driving under the influence of alcohol and/or drugs. It addresses the subject matter thoroughly and is geared toward the experienced police officer actively involved in DUI/DWI detection and arrest. The book can be carried in a patrol car as a ready reference or be used in the classroom. All of the necessary information needed to professionally investigate incidents of impaired driving, prepare a comprehensive report and then be able to testify as an expert in a court of law is provided. It goes into detail in explaining the intricacies of why a person becomes intoxicated, why the Horizontal Gaze Nystagmus Field Test is a valuable and valid psycho-motor or field test, and it also provides a step by step approach to extrapolating blood alcohol content. The central nervous system of the human being is explained in a manner that is easily understood by the average person, connecting the how and why the CNS is affected and therefore how this impairment manifests itself as a drunk driver as opposed to a drunk pedestrian. The manual also contains sections dealing with alcohol, depressant and stimulant drugs, which are critical to the proper understanding of the observable effects of drugs and alcohol. Also included are instructional objectives for each section, section quizzes and a comprehensive final exam. It will not only help to increase the confidence level of those everyday working street cops who must make decisions about whether to arrest or not arrest on any given impaired or intoxicated driver situation, but it will also provide the basis for the street cop to excel in this field of law enforcement and prepare themselves as an expert in the detection and arrest of DUI drivers.

Utah DUI Defense Glen Neeley, James Nesci, Jason Schatz, 2011 For even the most seasoned attorney admitted to practice in the State of Utah, defending DUI cases has always presented special challenges. Today, due to legislative developments, the introduction of blood alcohol-testing technologies, and an increasingly harsh prosecutorial climate, mounting a successful defense is more difficult than ever. That's why you will come to rely on Utah DUI Defense: The Law and Practice. This reference book ensures that you understand the chemical, biological and technological concepts and issues underlying DUI prosecution and defense in the State of Utah including: DUI Investigations, Driving & Field Sobriety Testing, Drug Recognition Evaluation and Chemical Testing, Blood Alcohol Calculations, Pre-trial Investigations and Motions, Plea Offers and Agreements, DUI Trial Procedures and more. Practical tools and applications designed to streamline and simplify the complex DUI defense process are included on a bonus DVD.

The D. U. I. Handbook David N. Jolly, 2007-05 The Complete User Guide for DUI Driving Under the Influence of alcohol or drugs (DUI) is a very serious offense with potentially extreme consequences. A DUI conviction will result in jail, fines, higher insurance costs, the installation of an ignition interlock device, loss of license, and may also include loss of job, and even deportation if you are not a U.S. citizen. The DUI Handbook For the Accused details the DUI process from beginning to end, including discussing police DUI procedures, the court process, how to hire a qualified DUI attorney, how your attorney will, or should, defend your case, possible defenses to a DUI, and how to avoid a DUI entirely. This book is designed to help simplify a very complicated area of law. View the following websites for more information: www.davidjollylaw.com or www.WashDUI.com

How to Survive a DUI Arrest Michael Chastaine, 2015-04-08 No one ever expects to be arrested for driving under the influence (DUI). For most people, when it happens, it can be a real eye-opener. The pain and shock of finding yourself in this position can quickly become overwhelming and difficult to manage. Most people have no idea on what to expect. If this is not their first time, there are even bigger concerns about the consequences. Mike Chastaine and Amie Beighley, Attorneys at Law, authors, are committed to empowering people who are going through a DUI with the proper knowledge and education to make the right decisions, get their life back on track and, most importantly, to know that this is not the end. Their main message is - you will get through this but you need to make smart choices! Based on years of successfully handling their client's DUI's, Mike and Amie's book How to Survive a DUI: What you NEED to Know, contains exactly what you need to know. This is a must read for all drinkers, even mild social drinkers, and especially important for young drivers. For everyone, this should give them something to think about before they pick up the car keys after drinking.

Duis Decoded William Pelarenos, 2013-10 This comprehensive and concisely written volume creates a template for DUI enforcement and evaluation of DUI arrests for the police officer, the police supervisor, the breath analysis operator, the prosecutor, and the defense attorney. This book accompanies the DUI seminars of William Pelarenos, a retired police officer, a state-certified breath analysis operator, and a state-certified standardized field sobriety testing instructor. The seminars are based on police experience, certified training, and trial experience. During his twenty-six-year tenure with the Cook County Sheriff's Police Department, he made over nine hundred DUI arrests and testified in hundreds of cases including summary suspension hearings, bench trials, jury trials, grand jury testimony, and depositions. During the last five years of his career, he was part of a three-man Cook County wide DUI enforcement unit that effected arrests throughout 21 townships, 132 suburbs, and the city of Chicago. He was called out to investigate DUI-related traffic crashes. He taught standardized field sobriety testing and DUI enforcement to hundreds of police officers from suburban police departments, Cook County Sheriff's Police Department, Chicago Police Department, and state troopers from the Illinois State Police. William Pelarenos, during his career, was honored for his DUI enforcement by the Alliance Against Intoxicated Motorists, Cook County Crime Stoppers, Cook County Sheriff's Police, Illinois Department of Transportation, and Mothers Against Drunk Driving. He is currently holding DUI seminars across Cook County, Illinois, and this text is a compilation and summary of the procedures and issues that are discussed in the seminars. It includes the Illinois Administrative Code and the Illinois Vehicle Code and examples of felony complaints which is used as a reference and resource guide. The Southern Subculture of Drinking and Driving Julian B. Roebuck, Komanduri S. Murty, 2021-12-24 First published in 1996. The Southern Subculture of Drinking and Driving is part of the Criminal Justice series. Volumes in

the Current Issues in Criminal Justice series focus on scholarship, original thought and research, and readability. This one is no different. Julian B. Roebuck and Komanduri S. Murty have produced a volume that will be of vital interest to those who study and create policy on drunken driving one of the more enduring social problems of the past two decades. The volume has two major components that make it unique in the drunken driving literature. First, Roebuck and Murty focus on drunken drivers themselves and, through the use of a large dataset, add to our knowledge of that group of people by describing their characteristics. Second, and perhaps more important, Roebuck and Murty delve into the phenomenology of the drunken driver through a lengthy interview process.

The Arizona DUI Handbook Scott David Stewart,2017-03 The Arizona DUI Handbook provides the tools to begin asserting constitutionally protected rights in preparation for criminal court proceedings. Drivers accused of DUI are sometimes convinced they have no hope of winning their case. They give up without a fight. They never present an adequate defense. They accept plea agreements when they could have won at trial. They hire inexperienced lawyers at a reduced rate believing they're going to lose regardless. Many people attempt to save money by not hiring a lawyer, which is worse. They do not know their rights. They do not understand where and when those rights apply. And because they do not aggressively assert their rights, the results are often unfair, unjust, and sadly permanent. This book provides the essentials of Arizona DUI defense.

Arizona DUI Defense James Nesci,2006 For even the most seasoned Arizona Attorney, defending DUI cases has always presented special challenges. Today, due to legislative developments, the introduction of blood alcohol-testing technologies, and an increasingly harsh prosecutorial climate, mounting a successful defense is more difficult than ever. That's why Arizona attorneys will come to rely on Arizona DUI Defense: The Law and Practice. Written by James Nesci, Board Certified by the National College for DUI Defense and Arizona DUI law expert, Arizona DUI Defense: The Law and Practice ensures that you understand the chemical, biological and technological concepts and issues underlying DUI prosecution and defense in the State of Arizona. You may rely on James Nesci for up-to-date information on key areas including: DUI Investigations, Driving & Field Sobriety Testing, Drug Recognition Evaluation and Chemical Testing, Blood Alcohol Calculations, Pre-trial Investigations and Motions, Practice, Plea Offers and Agreements, and DUI Trial Procedures. Many practical tools and applications designed to streamline and simplify the complex DUI defense process have been developed along with this book. They are all included on a bonus CD-ROM - so you can locate, review and print them out in a matter of seconds. Book Topics Include: Types of DUI
