William Augustus Henderson

The Making of Tomb Raider Daryl Baxter, 2021-12-20 Back in 1994 at the game company 'CORE Design' in Derby, Lara Croft was born. Through eighteen months of pure hard work from the team, Tomb Raider was released in 1996 and became the success that we see today; taking part in the mid-nineties celebrations of Brit-Pop and Girl Power. This is the story of the team who were involved in creating the first two games, then leaving the series to a new team in 1998. Lara Croft brought class, comedy, and a James Bondian role to the game, dreamt up by Toby Gard and helped to become a pitch with Paul Douglas. The game was a gamble, but because everyone at the company believed in it, it led to huge success for everyone, except for Toby and Paul. 'The Making of Tomb Raider' goes into detail of how Lara and the games were born, alongside why Toby Gard and Paul Douglas left before the sequel was released. Throughout eleven chapters of countless interviews, this book will tell you who was responsible for creating the first two games; from its levels, its music, the many voices of Lara Croft, and much more. The team also reveals all about the star of the second game; Winston the Butler, and how he came to be by Joss Charmet. Over twenty people were interviewed for this story; from the pitch for what would be Tomb Raider, alongside the challenges along the way, up until the release of Tomb Raider 2 in 1997...

Starring Sherlock Holmes David Stuart Davies, 2007-10-16 Sherlock Holmes has been portrayed on screen more often than any other character in history, and this stunning book is the definitive illustrated guide to the films and television series featuring the master detective. Every Sherlock Holmes film and TV series is covered (including foreign and lesser known productions), from the silent movies, through the portrayals of Basil Rathbone and Peter Cushing, to the Jeremy Brett television series and beyond. Illustrated with stills, posters, lobby cards and behind-the-scenes shots, including much rare, previously unpublished material, and also covering the stage and radio works, Holmes' world and Conan Doyle himself, this is simply a must for any fan!
