**Biblical Psychology** Oswald Chambers, 2018-12-18  
Oswald Chambers reveals the psychological processes in the Bible, framing his commentary through the Biblical concept of the soul, man, and the divine. A thorough examination of the Bible's way of thinking, this book highlights the wisdom of the holy Bible and its value in revealing the workings of the human mind. With relevant quotation of the scriptures, Oswald Chambers demonstrates how the Bible's teachings and recounting of events such as the life of Christ demonstrate and reflect upon human psychology. The author eloquently establishes the connection between the spiritual essence of the human soul, with our physical form, and finally the mind. The relationship of these three constituents of the human being, and its expression upon the pages of scripture, form the central pillar of this instructional text. As a teacher and evangelist, the writer's capacity to educate and explain is in the fullest evidence upon these pages. Since its original publication in 1912, Oswald Chambers' work has been praised for its lucidity and clarity. Clear explanations of how humans relate to God as His creation, and how the human conscience and emotions originate from the spiritual heart of man, make this work a spiritual classic that Christians may learn and benefit from for all time.

*Eth Ceper - Besora'oth* Yahuah Tseva'oth, 2014-01-01  
The Besora'oth is a collection of the Four Gospels of the Brit Chadasha (New Testament) set forth in a PaRDeS format, with Hebraic terms inter-lineated for key concepts. There are also direct Hebrew quotes in both the Hebrew language and transliterated Hebrew for the English reader. These portions include the prayer, called the our Father, the statements made at the Last Supper, the statement at the

cross, the quotation of Yesha'yahu (Isaiah) 61, plus others. One of the most important features is the inclusion of the fragments from the Gospel according to the Hebrews (Eusibeus/Jerome). This book is an indispensable resource for those who preach the Gospels and seek understanding from a Hebraic point of view.

**The Ultimate Resource** Doug Batchelor, 2006-08-02 In a time of so many distractions from television, to the internet, movies, and more Bible study is fast becoming obsolete. Integrating Exegesis and Exposition Christopher Cone, 2015-04-04 Integrating Exegesis and Exposition is a handbook introducing Biblical study (exegesis) and the communication of the Bible in preaching and teaching (exposition). This method encourages communicators to incorporate the process of Bible study into the presentation of the message, so that learners discover not only how to understand the portion of Scripture being communicated at that moment, but also so that they can develop their own skills in Bible study. The premise of Integrating Exegesis and Exposition is that the study, practice, and communication of the Bible are interconnected. The relationship between these three suggests that to encourage transformation by the renewing of the mind, communicators of the Bible ought to take a more holistic and integrated approach to handling the Bible - an approach that is modeled in the Bible itself.

**Liquid Scripture** Jeffrey S. Siker, 2017-09-01 The electronic Bible is here to stay—packaged in software on personal computers, available as apps on tablets and cell phones. Increasingly, students look at glowing screens to consult the Bible in class, and congregants do the same in Bible study and worship. Jeffrey S. Siker asks, what difference does it make to our experience of Scripture if we no longer hold a book in our hands, if we again “scroll” through Scripture? How does the “flow” of electronic Scripture change our perception of the Bible’s authority and significance? Siker discusses the difference made when early Christians adopted the codex rather than the scroll and Gutenberg began the mass production of printed

Bibles. He also reviews the latest research on how the reading brain processes digital texts and how churches use digital Bibles, including American Bible Society research and his own surveys of church leaders. Siker asks, does the proliferation of electronic translations reduce the perceived seriousness of Scripture? Does it promote an individualistic response to the Bible? How does the change from a physical Bible affect liturgical practice? His synthesis of the advantages and risks of the digitized Bible merit serious reflection in classrooms and churches alike.

*Hermeneutics* Henry A. Virkler, Karelynn Gerber Ayayo, 2023-10-24 This textbook provides students and general readers with clear, accessible guidance for interpreting the Bible. With nearly 120,000 copies sold, it has become a trusted resource for serious students of the Bible. The authors' successful approach shows how proper theory leads to sound practice. This book gives readers not only an understanding of the principles of proper biblical interpretation but also the ability to apply those principles in sermon preparation, personal Bible study, or writing. The authors outline a seven-step hermeneutical process that includes (1) historical-cultural analysis, (2) written contextual analysis, (3) lexical-syntactical analysis, (4) literary analysis, (5) theological analysis, (6) comparison with other interpreters, and (7) application. The third edition has been updated throughout to account for new developments in the field and to incorporate feedback from professors and students. Exercises have also been updated and streamlined. Resources for instructors are available through Textbook eSources.

**Restoring God** Brian Goodwin, 2023-12-20 Broken things do not need to stay broken. They can be restored—and people are no different. A person's soul can experience brokenness from relationships, personal loss, or

various experiences. The pain is real, but it doesn't need to stay that way. At its core, *Restoring God* presents stories of testimony from broken people whom God made whole again. Every person can be renewed and can find hope once more. We can travel the path to restoration using the compass of the Restoring God. There are elements that lead to restoration, such as faith, hope, patience, and perseverance. These elements, supported by author Brian Goodwin's personal narrative and stories from the Bible, help the path to become clearer. Restoration involves revival through repair—finding our true identity through the one who created us with purpose and choosing to live according to God's values and guidance. With God's help, you can find hope and healing to be made whole once more. This inspirational guide explores the elements needed for restoration from God and shares one man's personal journey to restoration.

*Salvation Manual* Nsikan E. Johnny, 2022-09-15 This book is an illuminating guide on critical, sensitive and salvation-based topics that will intrigue, educate, inspire and above all promote the doctrine of salvation as the focal point of the entire Bible. The book highlights the fact that humanity's greatest need has never been the food that satiates his hunger, the building that gives him shelter, the status that makes him relevant or anything that caters to his physical needs, albeit it consists of topics that discuss humanity's daily needs and how they can be acquired in line with God's word. It adequately emphasises that the salvation of souls constitutes the greatest need and should occupy the top echelon of our priorities. The scripture says that faith comes by hearing and hearing by the word of God (Romans 10:17). But what happens when the word is not correctly taught, or correctly taught but not completely broken down and hence not properly understood? This book

breaks down biblical lessons in a manner that will be easily understood by readers. Many have read the Bible and taught from it wrongly because they missed the central theme of the Bible which is the salvation of our souls but the words in this book have been written to help the reader avoid reading the Bible amiss and achieve this precious and priceless gift - salvation - that will make existence in this world a meaningful one. The lessons readers will learn are drawn from the context of the scriptures, the express commands of God and from the lives and experiences of several biblical characters. Readers are made to examine some biblical characters' strengths and flaws, successes and failures and extract valuable lessons that will guide them on the journey through life. While people can scan through the Bible and get a general understanding of the stories within these chapters, this book will draw the readers' attention to vital lessons they may not have noticed.

**Zeitrechnung und Zyklen des Himmels** Michael J. Franz, 2024-04-16 Anfangs war mir nicht klar, dass die kosmischen Zeitabläufe und Zyklen des Himmels eine Botschaft beinhalten, die so gewaltig ist. Zu Beginn bin ich

nur über eine Ungereimtheit gestolpert, die den Anlass gab, tiefer zu graben und zu einer unerwarteten und sehr spannenden Reise geführt hat. Eine Reise, die mich wiederholt zutiefst hat staunen lassen, wie genial unser Schöpfer ist und auf wie vielen Ebenen Er zu uns spricht und die gute Nachricht von Seinem Reich und von der Wiederherstellung des Königreiches für das biblische Israel verkündet. Mich hat auch erschüttert, wie weit Lüge und Korruption der Gegenseite tatsächlich gehen. Denn der allmächtige und lebendige Gott hat einen vollständigen Kalender, bei dem es nicht nur um Seine Feste geht, sondern der als Ganzes durch und durch präzise und prophetisch ist. Zu diesem Kalender sind alle eingeladen, die zu Seinem Reich gehören. Denn er ist den Erlösten gegeben, damit sie den Puls der Ewigkeit und des Himmels durch ihr gelebtes und veranschaulichtes Zeugnis auf die Erde bringen. Wie sieht dieser biblische Kalender aus? Welche Muster und Aspekte der Zeitabläufe zeigen sich in den Aussagen der Heiligen Schrift? Was ist ein Tag und wann beginnt er? Wann beginnt eine Woche und wie lang ist sie? Wann beginnt ein Monat und wie lange währt er? Wie viele Monate hat ein Jahr, wann beginnt es und wie lang ist es? Was bestimmt die Berechnung der biblischen Festzeiten (Moedim)? Welche Rolle spielen dabei Sonne, Mond und Sterne? Wozu dient die Himmelsmechanik als kosmisches Uhrwerk? Was haben Zeitrechnung und Zyklen des Himmels mit dem Evangelium und dem Neuen Bund zu tun? Wer sich für diese Fragen interessiert, ist eingeladen, mit auf diese Reise zu gehen, an dessen Ende ein vollständiges Kalendermodell entworfen wird, das die Festzeiten (Moedim) JHWHs beinhaltet und zur praktischen Anwendung gedacht ist.
