**Mining eBay Web Services** John Paul Mueller, 2006-02-20 Improved Speed, Accuracy, and Convenience—Yours for the Taking eBay is continuously improving the features it offers buyers and sellers. Now, the biggest improvements are ones you can build for yourself. Mining eBay Web Services teaches you to create custom applications that automate buying and selling tasks and make searches more precise. Do you have dozens of items to sell? You can prepare complete descriptions and terms and submit them all with one click. Are you searching for an item with special purchasing or shipping conditions? You can't do this manually, but your custom application can. Would you benefit from charting your buying and selling trends? This book shows you how to mine and organize information that simply isn't available otherwise. All by itself, the improvement in speed will dwarf anything you've experienced—especially if you connect to eBay via dial-up. But speed is just one piece of an entirely new way of navigating the eBay marketplace. Here's a little of what you'll find covered inside: Creating new listings in bulk and automatically submitting them Getting all the facts you need about an item in one step Performing searches based on shipping or payment terms Completing tasks more quickly by working with locally stored eBay data Working with eBay's new authentication and authorization technology Ensuring the accuracy of your listings Quickly accessing buyer and seller information Using the new Java and SOAP interfaces Using calls to perform tasks not supported by the manual interface Charting trends in your buying and selling habits Tracking eBay listings with mobile devices Developing secure applications Automatically submitting feedback in batches You'll learn to do all of this and more using the language of your choice: JavaScript, VBA, Visual Basic 6, Visual C++ 6, Visual Basic .NET, C#, PHP, or Java. You also get all the details on participating in various eBay developer programs, where everything you need as an individual is completely free.

**eBay Business All-in-One For Dummies** Marsha Collier, 2018-01-08 The selling, marketing, and business tips you need to succeed eBay is the perfect place to learn the ropes of what it's like running an online business. It provides the tools, technology, and platform a would-be entrepreneur needs to launch their first successful small business. It takes some know-how, however, to get that business off the ground and grow it into a success. In eBay Business All-in-One For Dummies, Marsha Collier shares the expertise she gained as one of eBay's first Power Sellers on how to get ahead, stay ahead, and expand your business onto other platforms when it's time to grow. eBay continues to grow as it connects new individuals with items to sell with would-be buyers every day. Combining essential information covering seven key topics, this all-encompassing guide shows fledgling entrepreneurs how to sell like a pro, present and market your items, become a power seller, deal with office and legal issues, and so much more. Discover the secrets behind driving views for listings Find out how to source merchandise for resale Get advice on the back-office tasks of running a business Grow your business beyond the eBay platform If you have an eye on building a business on eBay—and beyond—this is the one-stop guide you need to succeed.

**How to Sell on Ebay** Bri, 2015-04-29 There are a lot of people that have looked at eBay and looked at the success that others have had and want to be part of that group that is making money. It is not that hard to do, but many people get started and do not fail per se, but give up very early because they do not see that overwhelming success. There are reasons that some people make it and some people do not. Those reasons vary a lot, but there are some hit secrets that can change the game for anyone that is not seeing the success they want. This does add a little extra time to the project, but at the same time it is well worth it. The extra time that you put into your eBay adventure will come back to you in the end. You can be part of that group that wholly supports themselves from their eBay account. We will show you how, starting with the basics of account set-up to the end results of big businesses. Let us get started.

Machine-to-Machine Marketing (M3) via Anonymous Advertising Apps Anywhere Anytime (A5) Jesus Mena, 2016-04-19 In today's wireless environment, marketing is more frequently occurring at the server-to-device level—with that device being anything from a laptop or phone to a TV or car. In this real-time digital marketplace, human attributes such as income, marital status, and age are not the most reliable attributes for modeling consumer behaviors. A more effective

*eBay Bookkeeping Made Easy* Nick Vulich, 2014-07-30 I've been selling online for fifteen years now. During that time I've learned a lot about bookkeeping, business permits, and taxes. During that same time I have saved thousands of dollars in taxes by saving my receipts and keeping good records. And, so here's the deal... > Did you know eBay has an app that can automatically import all of your sales, fees, and other information and crunch the numbers to show whether you're making a profit or loss? > Did you know that same app will also import all of your information from Etsy and Amazon, if you sell on those platforms? > What would you say if I told you that you could save \$500 or more on your taxes every year just by writing down the mileage when you head to the post office, store, or bank? > And, you'd probably think I'd lost my marbles if I told you that you could deduct parts of your next vacation from your taxes. The advice in this little book can easily save you thousands of dollars every year.

**How to Make Money on eBay - Maximize Profits** Jill b., 2014-11-08 Secrets of a 16-year Full-Time Seller and Pioneering Power Seller Have you sold some items but are looking for more to sell? Are you looking to expand your eBay business but don't know where to start? This is NOT a garbage book written by someone with little or no eBay experience describing what eBay is and what an eBay business is! I have made a full-time living selling on eBay since 1998. I started selling on eBay in my college dorm room. Within 2 years, I had made enough money to cover 2 years of Ivy League college tuition. I was one of the pioneering Powersellers. In the nearly two decades of selling on eBay, I have been through, and survived many economic booms and busts. I am now moving further into the countryside and semi-retiring from eBay selling. In this book, I will reveal all my closely guarded secrets to selling on eBay including: my best retail sources, how to maximize profits using retail arbitrage, how to find deals from both online and brick and mortar stores, how to reduce risk and shipping costs. \*\*This book is NOT for eBay novices\*\* This book assumes the reader has some knowledge of selling on eBay. The ideas in this book apply to all sellers. The details apply to US-based sellers. This book is NOT a get-rich quick scheme. Selling on eBay is easy. But it can also be hard. If everyone could get rich selling on eBay, everyone would be doing it! I will not build castles in the air for you. I will not tell you that you can make money on eBay by selling unspecified items from unspecified wholesalers. I will not give you a list of toys and tell you to go on Craigslist to find them. I will not claim that I work two hours a day selling on eBay and make thousands a month. (Come ON! Get real...) Selling on eBay is a BUSINESS and I have been in this business long enough to know that there are no guarantees, regardless of past performances. Instead, I will give you the TOOLS to help you find products and to TOOLS to help you maximize your profits on eBay. Unlike other eBay authors, I do not recommend buying stock wholesale to resell on eBay. I will explain why in this book. I do not look for items to sell at garage sales or storage auctions. Finding a niche market is great, but I will show why you do not need to have a niche to make money on eBay. Instead I will show you how to maximize profits with tricks on how to get the best deals on NEW items from retail sources like Staples, Kohl's, Target and MORE! \*\* SOME OF THE TRICKS REVEALED IN THIS BOOK ARE NOT FOR THE FAINT OF HEART \*\* I provide many tools, secrets and tips in this book and hope that it will help you to thrive on eBay in good times and survive in bad times. Are you ready to maximize your profits? Buy This Book Today!

**How to Make Money on eBay - The Complete Series** Jill b., 2015-01-27 Save 20% on individual titles when you buy the entire How to Make Money on eBay series today! Are you looking to start your own business? Perhaps even your own home based business? With eBay you can start your business with practically \$0 down and with little to no risk! I have made a full time living selling on eBay since 1998. This entire How to Make Money on eBay series will guide you right from the start - From setting up your selling accounts to packing & shipping to customer service and beyond, I will guide you through it all. I do not like or advocate wholesaling or garage sale-ing! When you're ready to take your business to the next step, Maximize Profits will teach you how to lower your risk by taking advantage of retail arbitrage. I discuss in detail how you can get the best resale deals from big box retailers including Staples, Kohl's, Target and even on Amazon! Finally, International Sales takes selling to the final level - taking advantage of international retail arbitrage. This book covers the risks and rewards, as well as what you can expect when shipping to specific countries like Canada, the UK, Australia and even Brazil. Don't wait any longer! **Get Your Business Online Now!** Todd Alexander, 2012-02-28 Online business, or e-commerce, has become the buzzword of the past year. The media and key influencers alike are talking about the potential of e-commerce but many Australian businesses have not reached their potential and those managing them don't know how to go about it. One of the obstacles is the lack of affordable, local knowledge in the area. The assumption is that anyone with a website can appear on Google and be successful - but the reality is vastly different. Consultants will charge tens of thousands of dollars to give the same advice that is contained in this book, which includes an outline of the e-commerce opportunity, how to design and build an effective website, the best marketing and advertising strategies, logistics and payment solutions, utilising marketplaces and mobile commerce, and the key to outstanding online customer service. In this straightforward user-friendly guide, Todd Alexander, an author with 10 years' experience as an e-commerce expert, provides the essential tools to get all types of businesses get online and make their websites successful and profitable.
