Innovation Management in the Intelligent World Tugrul U. Daim,Dirk Meissner,2020-12-17 This book introduces readers to state-of-the-art cases and tools for managing innovation in today's rapidly changing business environment. It provides a wealth of methodological knowhow and guidance on practical applications, as well as case studies that reveal various challenges in technology and innovation management. Written by a mix of academic scholars and practitioners, the respective chapters present tools and approaches for the early detection of emerging fields of innovation, as well as relevant processes and resources. The contributing authors hail from leading innovative companies including Google, Amazon, Intel, Daimler-Benz, and NASA.

Big Data MBA Bill Schmarzo,2015-12-21 Integrate big data into business to drive competitive advantage and sustainable success Big Data MBA brings insight and expertise to leveraging big data in business so you can harness the power of analytics and gain a true business advantage. Based on a practical framework with supporting methodology and hands-on exercises, this book helps identify where and how big data can help you transform your business. You'll learn how to exploit new sources of customer, product, and operational data, coupled with advanced analytics and data science, to optimize key processes, uncover monetization opportunities, and create new sources of competitive differentiation. The discussion includes guidelines for operationalizing analytics, optimal organizational structure, and using analytic insights throughout your organization's user experience to customers and front-end employees alike. You'll learn to "think like a data scientist" as you build upon the decisions your business is trying to make, the hypotheses you need to test, and the predictions you need to produce. Business stakeholders no longer need to relinquish control of data and analytics to IT. In fact, they must champion the organization's data collection and analysis efforts. This book is a primer on the business approach to analytics, providing the practical understanding you need to convert data into opportunity. Understand where and how to leverage big data Integrate analytics into everyday operations Structure your organization to drive analytic insights Optimize processes, uncover opportunities, and stand out from the rest Help business stakeholders to "think like a data scientist" Understand appropriate business application of different analytic techniques If you want data to transform your business, you need to know how to put it to use. Big Data MBA shows you how to implement big data and analytics to make better decisions.

MY JOB Gen Z Suzanne Skees,Sanam Yusuf,2021-04-16 Nonfiction business/career studies, sociology of work, real-life vignettes of young people at work along with how-tos for job hunting and career building. MY JOB Gen Z: --provides hope and help to young adults launching careers during a pandemic and recession, --defines the unique qualities of Generation Z based on field research and our survey, --profiles ordinary and famous Gen Zers striving toward and succeeding in their dream jobs, and --offers resources on how to identify your skills, apply for internships and jobs, negotiate terms and salary, work remotely, and forge ahead with your dream job in a fast-changing world. MY JOB Gen Z, written by and for Generation Z (born in and after 1995), combines research into the unique experiences and qualities of this rising generation with the results of our own global survey. We compare what the data say about Gen Z with who YOU say you are, including an array of real-life profiles of ordinary Gen Zers--how they feel about work, what they want most from their careers, and the challenges they encounter along the way. We spotlight famous Gen Zers who've already had impact on society, built companies, and made millions--and reveal what drives them to succeed. Then we guide you through best practices for creating your own resume and professional profile, applying for internships and jobs, conducting online and in-person interviews, discerning your valuable skillset and pursuing your own dream job. The real-life examples and pragmatic advice offered in MY JOB Gen Z will convince you that you are not alone, in an often-challenging and isolating world. It will leave you inspired by your peers doing amazing things and motivated to pursue your own dream job. Book Review 1: A collection of intimate interviews with people regarding the personal, familial, cultural, and geographic factors in their working lives. Inspired by Studs Terkel's Working (1974), which profiled ordinary American workers, editor Skees (God Among the Shakers, 1998) takes the concept global. Six of her 16 subjects live in the United States, including a slack-key guitarist in Honolulu, an architect in Cincinnati, and a recruiter/headhunter in Tampa, Florida. The rest are on other continents, including a coffee farmer in Nicaragua, a Masai warrior in Tanzania, a married couple running an eco-friendly factory in India, a rickshaw puller in Bangladesh, and a private equity manager in Hong Kong. Skees organizes the material into five sections ("Entrepreneurship," "Industry and Transportation," "Farming, Food, and Animals," "Finance and Technology," and "Music & Arts"), but each first-person account stands on its own, and they can be read in any order. A map, photograph, and editor's note introduce each, and footnotes supplement the text. Skees nimbly maintains a consistent narrative flow, with none of the readability problems that are common in transcriptions. Whereas Terkel packed a great many workers into his book, Skees gives her subjects more space to muse, digress, and occasionally contradict themselves. The results are highly personal, often poignant, sometimes gritty, and routinely granular--perhaps more than some readers may expect, or even desire. The editor sets out to demonstrate that "our job = our self." But such detailed portraits also reveal that formula's commutative property--how personal preferences, chance, circumstances, and location shape each person's job choice and performance. Skees is a nonprofit international development specialist, and doing work that contributes to the greater good emerges as a strong theme. As a result, this is a small, and perhaps skewed, sample of the world's workforce (although a second volume is forthcoming), but it will inspire readers by showcasing workers across diverse industries, income levels, countries, and cultures expressing how they find meaning in their work beyond earning money. A vocational and sociological travelogue that readers will find to be time well spent. -- Kirkus Book Review 2: Book 2 of the series, MY JOB: REAL PEOPLE AT WORK AROUND THE WORLD, features fifteen true stories by professionals in the North America, the Caribbean, Central America, Southeast Asia, the U.K., and Africa, in such fields as addiction recovery, agribusiness, college admissions, ecotourism, and diplomacy. Each narrator begins by outlining what it's really like to do their job and ends up revealing their innermost traumas and dreams. More than a virtual travel guide to villages, farms, and cities around the world, MY JOB Book 2 documents the nitty-gritty reality of each occupation, and highlights unique cultures and experiences, yet illustrates how much we have in common through our shared human experience of work. BookLife Prize - 2019 Plot/Idea: 10 out of 10 Originality: 9 out of 10 Prose: 8 out of 10 Character/Execution: 8 out of 10 Overall: 8.75 out of 10 Assessment: Idea/Concept: The stories of our jobs become the stories of our lives, writes Suzanne Skees in her introduction to this second volume in her My Job series. Skees's project surveys the on-the-ground truth of what work is like right now, around the world, as the dynamics of labor are upended by automation and contract work. Skees demonstrates her acumen as a curator and editor -- gathering a diverse roster of workers to tell their stories -- and as a listener. She invites her subjects to discuss their careers, their hopes, their disappointments, and the changes they've seen at length, all with disarming frankness. Her subjects include a nursing student in Honduras; an environmental activist in American coal country; a banana farmer in Uganda; a college admissions counselor in Rwanda; and a fringe diplomat in Tel Aviv. Few books dig so deeply into life as it's actually lived, with such unsparing intimacy. Prose: Skees's own prose is sharp, clear, and purposeful, but outside of introductions and some notes, most of the book come straight from the mouths of her subjects through first person monologue. Skees breaks the chapters up into short labeled sections. This is helpful for skimmers, but the shortness of the individual sections gives the chapters a stop-and-start feeling, impeding narrative momentum. Originality: This isn't the first book to survey workers in their own words about work, nor even the first one by Skees to do so, but the author has selected a fresh, fascinating cross section of people to reveal truths about the world and this current moment. Execution: The book offers insights, wisdom, challenges to orthodox thinking, and some arresting first-person storytelling. It's both eye-opening and a pleasure to learn about the day-to-day work of a Zambian mobile-money agent and to discover how that work is vital to a population outside of the banking system. That said, the narrators' individual voices sound somewhat similar to each other, and the speakers too rarely offer up surprising or engaging anecdotes. The emphasis here is strongly on the work itself, and the sociopolitical context that

created the opportunity for such work. There's great value in capturing that, but the book might prove more enticing for general audiences with a greater emphasis on voice and storytelling. -- Booklife/Publisher's Weekly

How to Wear Socks John Jannuzzi,2020-05-12 A giftable illustrated guide to wearing socks, packed with history, upkeep and maintenance tips, and style advice Socks, a bare necessity in anyone's wardrobe, are often a one-and-done, wear-it-if-it's-clean kind of garment. You put them on, pull them up, and go about the rest of your day. But there's a lot more to a good sock than meets the eye, or the foot. Within the world of socks, there are a staggering number of options, from material to style to length to, of course, color and print. How to Wear Socks teaches you everything you need to know about socks. Written by fashion editor John Jannuzzi, the book includes a deep dive on the history, the basics, the key styles, and proper upkeep and maintenance. Once you have a solid foundation, Jannuzzi shows you exactly how to pair socks with different types of shoes. Whether they're black, white, short, long, or patterned, there are rules. The book also includes fun sidebars on Famous Socks and style tips from sock connoisseurs. How to Wear Socks proves that this fashion necessity should no longer be an afterthought.

Classic Elite Knits Classic Elite Yarns,2008 For over 25 years, knitters have relied on premium-quality yarns and patterns from Classic Elite, one of the country's most respected leaders in the knitting industry. Now, Classic Elite Knits gathers a wide variety of their very best designs in one superbly packaged collection. One hundred different, easy-to-follow patterns are included for such essentials as sweaters, hats, and gloves for women, children, and men, as well as accessories such as bags, purses, and scarves. Completely contemporary but crafted to remain stylish for years to come, the patterns are presented in myriad sizes and spotlight the work of such beloved designers as Melissa Leapman, Annie Modesitt, Michele Rose Orne, and Kathy Zimmerman. And the book will appeal to all skill levels: beginners and intermediates will be challenged to expand their repertoires while experts will find plenty of patterns to keep their fingers happy.

One False Move A.W. Whaley,2013-07-04 One False Move is the story of Anthony William Lee and how his life has taken a drastic change during the same week as the United States Career Aptitude test. He joins a rebel group and goes undercover in a dystopian United States; but is that the way things will stay? The ultimate ethical dilemma? become a double agent? kill? The lines of the constitution are blurred, the document is going up in flames; what will he choose?

Runner's World ,2007-05 Runner's World magazine aims to help runners achieve their personal health, fitness, and performance goals, and to inspire them with vivid, memorable storytelling.

Confessions of a Middle School Nerd Gabriella Webster,2013 In this fresh and relatable, laugh-out-loud novel, thirteen year old Kylie Wattson exposes herself as a klutzy, nerdy, awkward teenage girl with stories to tell and lessons to learn. Through a series of quirky retellings, Kylie relates her goal of making nerdy an accessory, learning--in the end--that we're all a little nerdy, and that's okay. With witty intelligence, Kylie shares what she's learned about self-worth, acceptance, and individuality.

TIME the New Mindfulness The Editors of TIME,2018-11-28 We live in challenging times. How can we stay sane and balanced? The Next Right Thing Emily P. Freeman,2019-04-02 Nothing gets our attention like an unmade decision: Should I accept the new position? Which schooling choice is best for my kids? How can I support my aging parents? When we have a decision to make and the answer isn't clear, what we want more than anything is peace, clarity, and a nudge in the right direction. If you have trouble making decisions, because of either chronic hesitation you've always lived with or a more recent onset of decision fatigue, Emily P. Freeman offers a fresh way of practicing familiar but often forgotten advice: simply do the next right thing. With this simple, soulful practice, it is possible to clear the decision-making chaos, quiet the fear of choosing wrong, and find the courage to finally decide without regret or second-guessing. Whether you're in the midst of a major life transition or are weary of the low-grade anxiety that daily life can bring, Emily helps create space for your soul to breathe so you can live life with God at a gentle pace and discern your next right thing in love.

3 Kings Zack O'Malley Greenburg,2018-03-06 Tracing the careers of hip-hop's three most dynamic stars, this deeply reported history brilliantly examines the entrepreneurial genius of the first musician tycoons: Diddy, Dr. Dre, and Jay-Z Being successful musicians was simply never enough for the three kings of hip-hop. Diddy, Dr. Dre, and Jay-Z lifted themselves from childhood adversity into tycoon territory, amassing levels of fame and wealth that not only outshone all other contemporary hip-hop artists, but with a combined net worth of well over \$2 billion made them the three richest American musicians, period. Yet their fortunes have little to do with selling their own albums: between Diddy's Ciroc vodka, Dre's \$3 billion sale of his Beats headphones to Apple, and Jay-Z's Tidal streaming service and other assets, these artists have transcended pop music fame to become lifestyle icons and moguls. Hip-hop is no longer just a musical genre; it's become a way of life that encompasses fashion, film, food, drink, sports, electronics and more - one that has opened new paths to profit and to critical and commercial acclaim. Thanks in large part to the Three Kings-who all started their own record labels and released classic albums before moving on to become multifaceted businessmen-hip-hop has been transformed from a genre spawned in poverty into a truly global multibillion-dollar industry. These men are the modern embodiment of the American Dream, but their stories as great thinkers and entrepreneurs have yet to be told in full. Based on a decade of reporting, and interviews with more than 100 sources including hip-hop pioneers Russell Simmons and Fab 5 Freddy; new-breed executives like former Def Jam chief Kevin Liles and venture capitalist Troy Carter; and stars from Swizz Beatz to Shaquille O'Neal, *3 Kings* tells the fascinating story of the rise and rise of the three most influential musicians in America.

Knitting Socks with Handpainted Yarn Carol Sulcoski,2013-03-15 Providing technical guidance as well as fun, creative patterns, this resource tackles handpainted yarns, identifying the many challenges--and many opportunities--they provide for knitting socks. Focusing on how to make the most of these much-loved yarns, it explains how to design projects with hand-dyed material versus other types of yarns, how to avoid the pitfalls of pooling and splotching, and how to combine multicolored hand paints with other types of yarns. Fresh, modern sock patterns from a variety of contributors illustrate their successful techniques, showing that with creativity and a little technical know-how, knitters can fully take advantage of these beautiful, yet sometimes tricky, yarns.
