

English Taiwanese Translator

Karl Hemeling

Translation and Fantasy Literature in Taiwan Y. Chung, 2013-10-24 This book examines the rise in popularity of fantasy literature in Taiwan and the crucial but often invisible role that translators have played in making this genre widely available. Topics covered include global fantasy fever, Chinese fantasy, game industry, the social status of translators, and the sociological direction of translations studies.

An Encyclopaedia of Translation Sin-wai Chan, David E. Pollard, 2001 Language-specific entries relate to the interaction between the Chinese-speaking and English-speaking communities of Hong Kong. At the same time, the work draws on Western knowledge and experience with translation studies in general. This book is a valuable reference for translators, scholars, and students of translation studies.

Introduction to Chinese-English Translation Zinan Ye, Lynette Xiaojing Shi, 2009 Introduction to Chinese-English Translation is the first book published in the U.S. that addresses how to translate from Chinese into English. Part One discusses basic issues in translation. Part Two introduces ten essential skills with the help of actual translation examples. Part Three deals with more advanced issues such as metaphors, idioms, and text analysis. Part Four presents six texts of different types for translation practice. A sample translation is provided for each, and translation strategies are analyzed and discussed. --This unique book is the only resource on Chinese-English translation published in the U.S. --A practical, hands-on book for anyone involved in Chinese-English translation, including professional translators, interpreters, and advanced students --Full of examples, explanations, and exercises Zinan Ye has had a long career in translation, as a medical translator and as an educator at Hangzhou University and the Monterey Institute of International Studies. He has written books on translation and writes regularly for Chinese Translators Journal. Lynette Xiaojing Shi has been a translator and interpreter for 30 years, including at the United Nations. She has taught at the University of Hawaii and the Monterey Institute of International Studies. She has translated a novel and has consulted on Chinese-English dictionaries published in China.

Taiwan Literature: English Translation Series, No. 45 (臺灣文學英譯系列No. 45), 2020-01-31 The New Generation of Taiwan writers, born after 1970, has unquestionably established a distinguished presence in today's literary circles, and they continue to scale the creative peaks. This issue is entitled, "Special Issue on the New Generation Writers," and is intended to locate these works within the context of the development of Taiwan literature so that we may observe the special qualities they have brought to literary modulation and generational change. We have also attempted to summarize in stages the imagination/composition that this new generation has projected on a period of history and on their generation. 臺灣文學英譯系列No. 45 1970 臺灣文學英譯系列No. 45 / 1970

Taiwan Literature, English Translation Series, 2007

Taiwan Literature: English Translation Series, No. 47 ,2021-05-01 Apart from “new poetry”

composed in the vernacular language, the tradition of classical poetry originating in China has also been maintained in Taiwan. We cannot ignore the fact that those poets who continued to compose classical verse, as well as the activities of their poetry societies, are yet another aspect of the diversity of Chinese-language poetic development in Taiwan which at the same time has unique local characteristics. Professor Huang's organization of the issue includes an introductory essay, entitled “Poems that Speak of Taiwan—Speaking of Taiwan Poetry” in which she gives a brief summary of the historical background and special character of the development of classical poetry in Taiwan.

According to her careful plan, Professor Huang divided the poems translated for this special edition into six thematic sections: 1) Taiwan and Taiwanese in the Interstices of History (6 poems) 2) Crossing the Ocean to Taiwan, Putting Down Roots that Grow Along with Chinese Culture (5 poems) 3) Poems on the Aesthetics of Natural Landscape Scenery (6 poems) 4) Climate, Natural Resources, and Food (6 poems) 5) Folk Customs, Festivals, and Sacrificial Ceremony (4 poems) 6) Poems Expressing Emotions, Sentiments and Criticisms (7 poems) In the poetry selected for this issue we see the rich, expansive content of classical Chinese verse from Taiwan. That verse manifests the responses of Taiwanese poets to their times, to nature, to places and to people. It also reflects the many faces of Taiwan's specific temporal and geographical background through depictions of local experiences and the local spirit.

Lost in Translation Yang Wen,2016-08-17 Steer away from awkward, embarrassing Chinese-English translation, word by word, expression by expression, and situation by situation, with this handy guidebook. Whether you're making a presentation, trying to write a resume that will stand out, preparing for an interview or simply trying to make small talk, you'll learn how Chinese and English are similar and different and how to smoothly move from one language to the other. For instance, automatically translates: I want noodles. Subject-verb-object — everything is in the matching order, a dream situation for a linguist. Some rules, however, are so Chinese that no English equivalents can be found, such as those ever present four-word phrases, figurative expressions, and many more. In most cases, mirror imaging these styles in English translation will only confuse people. This guidebook also explores how to choose between following Chinese rules, which will convey every element but sound awkward, and following English rules, which may flow smoothly but not translate everything. Find the right words for the right time — and put them in the right place — and prevent your message from being lost in translation.

—

It could be said that Pai Hsien-yung is the most renowned and

broadly recognized contemporary Chinese writer, whether in Taiwan, China, Southeast Asia, or any

other region of the Chinese world. His literary activities, achievements, and status as an eminent

writer within the context of Taiwan literature is a phenomenon worthy of study. Therefore, we

dedicate an entire issue to exploring it.

臺灣文學 (Taiwan Literature: English Translation Series, No. 46) Chen Chien-wu 陳建武, Lin Hengtai 林恒泰, Xiang Ming 向明, Cheng Chiung-ming 鄭清明, Bai Ling 白玲, Chen Ichih 陳以和, Lu Han-hsiu 盧漢秀, Walis Nokan 瓦歷諾干, Chan Tah Wei 陳太偉, Tu Kuo-ch'ing 杜國清, Wu Sheng 吳聖, Lee Min Yung 李敏勇, Su Shao-Lian 蘇紹良, Li Yu-Fang 李郁芳, Ling Yu 凌宇, Du Ye 杜葉, Chen Li 陳麗, Xiang Yang 向陽, Chang Fang Ci 常芳慈, Yan Ai-Lin 顏艾琳, Li Kuei-shien 李桂賢, Hsiao Hsiao 蕭蕭, Horng Shuling 洪素玲, Lee Chin-Wen 李錦文, 2020-11-01 This issue contains the verse of twenty-four poets. From 1924, when Hsieh Chun-mu first published four "Poems in Imitation," the development of new poetry in Taiwan has a history of almost one hundred years. The roots of new poetry in Taiwan with its "twin flower bulbs," to use the phrase coined by Chen Chien-wu, has now bloomed and borne fruit. It manifests diversified themes, and places great stress on both artistic expression and social concern. It recognizes globalization as the major trend of the times, and maintains a dynamic balance between nativist consciousness and the ensibilities of the Chinese cultural diaspora. Taiwan literature and its new poetry written in Chinese should have a place in the Chinese world community, as well as in the history of world literature. Limited by the space allowed for the journal, we could only select works related to "local" and "quotidian" writing. Yet we hope to observe through these works the manner in which the unique charm and gracefulness of contemporary poetry from Taiwan has blossomed in the garden of world literature. 本期刊1924年開始出版，至今已有一百年的歷史。從1924年，謝冰瑩首次發表四首「模仿詩」，新詩在台灣的發展，已有近一百年的歷史。新詩在台灣的根源，以陳建武所提出的「雙花 bulbs」為喻，如今已開花結果。它呈現了多樣化的主題，並強調藝術表現與社會關懷。它承認全球化為時代的主要趨勢，並在民族意識與中國文化 diaspora 的適應性之間保持動態平衡。台灣文學及其新詩應在華人社區及世界文學史中佔有一席之地。受限於本期刊的空間，我們只能選擇與「在地」及「日常」寫作相關的作品。然而，我們希望透過這些作品，觀察當代詩歌在華人社區及世界文學史中綻放的獨特魅力與優雅。

Translation of Contemporary Taiwan Literature in a Cross-Cultural Context Szu-Wen Kung, 2021-03-02 Translation of Contemporary Taiwan Literature in a Cross-Cultural Context explores the social, cultural, and linguistic implications of translation of Taiwan literature for transnational cultural exchange. It demonstrates principally how asymmetrical cultural relationships, mediation processes, and ideologies of the translation players constitute the culture-specific translation activity as a highly contested site, where translation can reconstruct and rewrite the literature and the culture it represents. Four main theoretical themes are explored in relation to such translation activity: sociological studies, cultural and rewriting studies, English as a lingua franca, and social and performative linguistics. These offer insightful perspectives on the translation as an interpretive encounter between not only two languages, two cultural systems and assumptions taking place, but also among various translation mediators. This book will be useful to scholars and students working on translation and cultural studies, China/Taiwan literature studies, and literature studies in cross-cultural contexts.

No. 49, 202-06-15 For this special issue on "New Generation Women's Fiction from Taiwan," we have specially invited Professor Lee Kuei Yun of the Graduate Institute of Taiwan Literature at Taiwan's Tsing Hua University to be guest editor and take responsibility for the selections. Because of space limitations it has been possible only to select twelve short stories by eleven woman writers. These writers were all born in the 1970s or later and their works were published in the year 2000 or later. Thus, they represent a period of social change in twenty-first century Taiwan and the spirit of the new generation. The introduction that we asked Professor Lee to provide is entitled "Trauma, esire, Contemporary Women's Voices." Aside from giving a brief account of the eleven writers and their works, Professor Lee sketches "a number of writerly qualities that become perceptible... [that] represent the internal trauma, female consciousness, physical lust, cat-uman metaphors, and everyday life, etc." In her introduction, what she particularly stresses is that the sexual desire depicted in these works exposes the internal wounds derived from private individual experience hidden away in the deepest levels of the female consciousness that are exposed for direct observation, and "... [from this] we can tease out a clear semblance of a feminine texture that reverberates with the unique sound of contemporary women's voices." This then is one of the most important qualities of the new generation of aiwanese women's fiction. In the final analysis, trauma and writing about desire are two major themes of Taiwanese women's literature. 本期刊第49期，2022年6月15日出版，為「台灣新世代女性小說」特刊。我們特別邀請台灣清華大學台灣文學研究所教授李桂雲擔任客座編輯，並負責選稿。由於空間限制，我們只能選擇十一位女性作家共十二篇短篇小說。這些作家都是1970年或之後出生，作品發表於2000年或之後。因此，她們代表了二十一世紀台灣社會變遷與新世代的精神。我們請李教授撰寫的導言，名為「創傷、慾望、當代女性聲音」。除了簡要介紹這十一位作家及其作品外，李教授勾勒出「一系列可察覺的寫作特質... [這些特質] 代表內在創傷、女性意識、肉慾、貓人比喻、以及日常生活等」。在導言中，她特別強調的是，這些作品所描繪的性慾，揭露了隱藏在女性意識最深層、從私人個別經驗中衍生出的內在傷口，這些傷口被直接觀察，而「... [從這裡] 我們可以 tease out 出一個清晰的女性紋理，它與當代女性聲音的獨特聲音產生共鳴」。這正是當代台灣女性小說最重要的特質之一。在最終分析中，創傷與關於慾望的寫作是台灣女性文學的兩個主要主題。

Thinking Chinese Translation Valerie Pellatt, Eric Liu, 2010 Literary and dramatic texts. --
Introduction to Chinese-English Translation Zinan Ye, Lynette Xiaoqing Shi, 2010

English-Chinese Dictionary of the Standard Chinese Spoken Language ... and Handbook for Translators, Including Scientific, Technical, Modern and Documentary Terms Karl Hemeling, 1916
Missionary Translators Jieun Kiaer, Alessandro Bianchi, Giulia Falato, Pia Jolliffe, Kazuo Mino, Kyungmin Yu, 2021-09-27 Exploring the history of missionary translation of Christian texts in East Asia, *Missionary Translators* offers a comparative perspective between the features of East Asian languages and the historical context of the translation. Focusing on the Bible and Christian theological works, it looks at the intersection of linguistics, translation studies and history. This book discusses the real-life challenges faced by missionary translators in producing Christian texts in East Asian languages. Students, historians, scholars and those interested in the study of East Asian cultures or translation will find this book to be an insightful and invaluable resource.

Indigenous Cultural Translation Darryl Sterk, 2020-05-01 Indigenous Cultural Translation is about the process that made it possible to film the 2011 Taiwanese blockbuster *Seediq Bale* in Seediq, an endangered indigenous language. *Seediq Bale* celebrates the headhunters who rebelled against or collaborated with the Japanese colonizers at or around a hill station called Musha starting on October 27, 1930, while this book celebrates the grandchildren of headhunters, rebels, and collaborators who translated the Mandarin-language screenplay into Seediq in central Taiwan nearly eighty years later. As a thick description of *Seediq Bale*, this book describes the translation process in detail, showing how the screenwriter included Mandarin translations of Seediq texts recorded during the Japanese era in his screenplay, and then how the Seediq translators backtranslated these texts into Seediq, changing them significantly. It argues that the translators made significant changes to these texts according to the consensus about traditional Seediq culture they have been building in modern Taiwan, and that this same consensus informs the interpretation of the Musha Incident and of Seediq culture that they articulated in their Mandarin-Seediq translation of the screenplay as a whole. The argument more generally is that in building cultural consensus, indigenous peoples like the Seediq are translating their traditions into alternative modernities in settler states around the world.

A Dictionary of Translation Technology Sin-wai Chan, 2004 This dictionary is intended for anyone who is interested in translation and translation technology. Especially, translation as an academic discipline, a language activity, a specialized profession, or a business undertaking. The book covers theory and practice of translation and interpretation in a number of areas. Addressing and explaining important concepts in computer translation, computer-aided translation, and translation tools. Most popular and commercially available translation software are included along with their website addresses for handy reference. This dictionary has 1,377 entries. The entries are alphabetized and defined in a simple and concise manner.
