William Thomas Lowndes

Monthly Literary Miscellany ,1851

The Bibliographer's Manual of English Literature

William Thomas Lowndes,2022-06-04 Reprint of the original, first published in 1861.

Love's Awakening Laura Frantz,2013-09-15 Ellie Ballantyne, youngest child of Silas and Eden, has left finishing school. But back at her family home in Pittsburgh, Ellie finds that her parents are away on a long trip and her siblings don't seem to want her to stay. When she opens a day school for young ladies, she begins tutoring the incorrigible daughter of the enemy Turlock clan. The Turlocks are slaveholders and whiskey magnates, envious of the powerful Ballantynes and suspicious of their abolitionist leanings. As Ellie becomes increasingly tangled with the Turlocks, she finds herself falling in love with an impossible future--and Jack Turlock, a young man striving to free himself from his family's violent legacy. How can she betray her family and side with the enemy? And will Jack ever allow her into his world? Masterful storyteller Laura Frantz continues to unfold the stirring saga of the Ballantyne family in this majestic tale of love, loyalty, and the makings of a legacy. With rich descriptions of the people who settled and civilized a wild landscape, Frantz weaves a tapestry of characters and places that stick with the reader long after they turn the last page.

Ark Signs ,2017-08-18 The Ark Encounter in Kentucky is not just a huge replica of Noah's Ark - it's a powerful teaching tool that answers many questions related to biblical history. For those who have walked along its decks and viewed the detailed exhibits, a wealth of information is revealed to strengthen their faith. This book is both a wonderful memento of your trip to the Ark Encounter and a photographic collection of all of the informative, educational signs and posters at the exhibit. What can be learned about the earth's transformation after the Flood, and the rise of Babel?How did the Ark's design help with lighting and ventilation on the ship?What ancient technologies helped eight people care for thousands of animal kinds? From the unusual to the practical, these answers help dispel the doubt and confusion related to the Book of Genesis and the story of one faithful man who would build a ship that survived a worldwide judgment, changing the very face of our world.
