Equalize-Now The Equal,2012-03-31 For centuries, American elites have accumulated vast wealth. No amount of tinkering with income tax rates--as unfair as these are--will make a meaningful difference. It's time for an Equalization Amendment to start over and undue centuries of inequality. Just as the founding fathers declared independence from a corrupt king, the American people need to declare independence from a corrupt elite. This book explains the hows and whys of the movement. equalize-now.org contains additional information. Post-Equalization, we will see a jolt to the economy as billions of dollars in demand stimulates more invention, innovation, and production than ever before in world history. Soon citizens in other countries will follow the American example and people everywhere will finally achieve the long-sought dream of living in peace.

Equalize Ryan Debruyn,2019-02-07 Gaia has awakened, and the world will never be the same again. Rockland Barkclay has had a rough year. On top of everything else, his father has just passed, and Rocky has to go it alone on their annual trip. But his plans for drinking alone in Algonquin Park are rudely interrupted by a sea of cosmic energy that governs the universe. Ether, the driving force of creation, has returned. Now a confused Rocky must navigate odd hovering messages to survive. With the awakening of the very planet they reside on, humans are in a desperate fight to survive in an evolving world. If only Gaia hadn't woken up so very... very... unhinged.
