How to Start a Home-Based Event Planning

Business Jill S. Moran, 2015-07-02 Event planning continues to be a thriving business area for the motivated entrepreneur. Jill S. Moran is a certified special events professional with twenty-five years of experience in the field and the owner of an award-winning event-planning company. This fourth edition of her popular book includes updated ideas about creating business plans, balancing home and work, building a client base, and a more in-depth discussion on the role of social media in your event planning business.

Wedding & Event Planning 101 Joy Haymer

Agness, 2018-01-26 Wedding & Event Planning 101 has everything you need to know how to execute a beautiful wedding. What are the steps to having a successful event? How do you market yourself? Learn how to be a poised, polished professional. Whether you're new to the business or a seasoned pro, this book will help you fine-tune the details.

Confessions of an Event Planner Judy

Allen, 2009-03-26 For anyone planning events—student, novice, or experienced professional—*Confessions of an Event Planner* is an “apprenticeship in a book.” This insider’s guide takes you on a narrative journey, following a fictional event planning company that stages various types of events around the world for many different clients. While other books, college courses, and training programs give you the theory and how-to of the profession, *Confessions of an Event Planner* reveals the real world of event planning and what can happen—usually the unexpected—on an event program when actual participants are added to the event planning design and execution mix. In a climate of media scrutiny and corporate scandals, event planners must be masters of discretion, knowing how to

avoid and deal with everything from sexual romps to financial shenanigans, to chainsaw wielding salesmen dead set on “re-landscaping” the grounds of the resort they’re staying at. From an event planner who’s seen it all and knows how to deal with it all, comes practical first-hand advice delivered in an entertaining and accessible format. Each chapter is set in a unique location, with a cast of characters, and a host of challenges and problems to overcome—from the boardroom to the resort guest bedrooms. Readers learn what they can come up against, how to problem solve creatively on the fly, get ideas for staging spectacular events, and see the principles of event planning in action. The scenario in each chapter is introduced by an outline of what will be covered in the chapter, and each chapter concludes with a series of review questions to explore key issues and stimulate reflection or discussion for individuals or groups. Ideal as a companion to Judy Allen’s six other event planning books, as a textbook in event planning courses, or as a professional training tool *Confessions of an Event Planner* prepares planners for what they can expect once they start working in the world of corporate and social event planning, and will help decision-makers set company policies, procedures and protocol and promote discussion about codes of conduct in the office and offsite.

The Business of Event Planning Judy

Allen, 2002-07-09 Practical tools and expert advice for professional event planners Before planning an event, there is much that must be done behind the scenes to make the event successful. Before any thought is even given to timing or location of the event, before the menus are selected and the decor designed, there are proposals to be written, fees and contracts to be negotiated, and safety issues to be considered. This book takes you behind the scenes of event planning and explains every aspect

of organizing and strategic planning. This book will be of value to both the professional event planner and to clients who are dealing with planners. Its comprehensive coverage includes: how to prepare winning proposals, and how to understand them if you are the client; how to determine management fees; negotiating contracts; safety issues; designing events in multicultural settings; and new technology that makes operations more efficient (such as online registration and response management, database project management tools). The book also includes practical tools such as sample letters of agreement, sample layouts for client proposals, forms, and checklists. Professional event planner Judy Allen offers first-time or professional event planners all the top-class advice they need to make their special events come off without a hitch.

The Event Planning Toolkit Linda Joyce Jones, 2020-12-04 The Event Planning Toolkit will help you rise to the occasion to plan and execute extraordinary meetings and events by getting organized, reducing time-wasting mistakes, and inspiring creativity. The Event Planning Toolkit provides the information you need to prepare and execute each aspect of your event with precision and enjoy the big day with less stress and fewer unpleasant surprises. It provides the assistance you need to make your event a real hit. Many people find the thought of planning an event to be an intimidating prospect. They think they're not organized enough, or they don't have the experience required to pull it off. But whatever the occasion, the path to success is straightforward; it's a matter of thinking through the details and using a proven strategy to create an action plan and execute that plan on time and on budget. In this book, you will not only learn how to manage your scope, time, and resources, but also identify goals, create a budget, find the

right venue, assemble an effective team, and much more. Use The Event Planning Toolkit to uncover some juicy nuggets of information that you can apply to your next event and give you the courage and confidence take on any new project or assignment that comes your way.

Becoming an Event Planner Armand

Limnander, 2021-01-19 A revealing guide to a career as an event planner written by W Magazine executive editor Armand Limnander and based on the real-life experiences of powerhouse event planner Bronson van Wyck—necessary reading for anyone considering a path to this profession. *Becoming an Event Planner* takes you behind the scenes to find out what it's really like, and what it really takes, to become an event planner. Behind every great event is a visionary planner, and Bronson van Wyck, founder of the award-winning event firm Van Wyck & Van Wyck, treats his events as works of art. He has masterminded celebrations for Dior, Condé Nast, Rolex, Gwyneth Paltrow, Beyoncé, and the Obamas. W Magazine executive editor Armand Limnander shadows van Wyck as he and his team produce a marquee event: a gala for the New York arts organization Creative Time. Using design, food, and entertaining, van Wyck transports his guests to carefully conceived, often fantastical temporary spaces. He reveals how the best event planners are aesthetic gurus, skilled social connectors, talented collaboration artists, and, most important of all, makers of memories. Discover van Wyck's path to prominence as you gain wisdom and insight from an event planner operating at the highest level.

Event Planning Judy Allen, 2009-04-16 This bestselling all-in-one guide to the event planning business is back and better than ever, fully updated and revised to reflect the very latest trends and best practices in the industry. This handy, comprehensive guide includes forms,

checklists, and tips for managing events, as well as examples and case studies of both successful and unsuccessful events. Judy Allen (Toronto, ON, Canada) is founder and President of Judy Allen Productions, a full-service event planning production company.

Gala! Patricia Coons, Lois M. Baron, 1999 Public relations and volunteer fund-raising pro Patti Coons here offers hundreds of invaluable tips and timetables, sample invitations and media packages, people-managing and people-inspiring guidelines--all the tools you need!

Event Planning Ethics and Etiquette Judy Allen, 2010-06-01 The world of event planning can be alluring and dangerous at once-exotic locales, wining and dining, and people traveling without their spouses. In such situations the line between business and pleasure blurs and the nature of relationships gets cloudy. With a thoughtless act or a less-than-tactful word, long-lasting business relationships can be ruined forever. Beyond that, budgets are on the chopping block and competition for business is tight. In that environment, people often cut not just financial corners, but the ethical ones, too. There's a fine line between innocent perks and inappropriate gifts or kickbacks. Event planners today must navigate a minefield of potentially sticky situations that can easily blow up in their face. Without a professional code, lines of acceptable behavior are easily crossed. And what you do personally can hurt you professionally. Event Planning Ethics and Etiquette provides event planners with the companion they need to stay out of trouble, keep professional relationships healthy and profitable, avoid the riskier temptations of the lifestyle, and win business in a highly competitive market using ethical business practices. Explains how to establish policies and codes of behavior, in the office and onsite at events. Offers guidelines on

when it is acceptable to accept a gift, what is acceptable, and what is inappropriate. Shows how to prepare yourself, as well as your staff, for what to expect, and how to handle the unexpected with business finesse. Covers business etiquette in event planning crisis management situations. Helps you to avoid putting yourself and your company at personal and professional risk. Features real-life examples and situations, and advice on how to handle them with poise and professionalism. Includes a list of Event Planning Do's and Don'ts. Event Planning Ethics and Etiquette will be of value to the professional event planner; to event planning suppliers and clients working with industry professionals; as well as to those in related fields, such as public relations, administrative professionals, communications; and anyone in the hospitality, culinary, and travel industry.

Professional Event Coordination Julia Rutherford Silvers, 2012-01-24 A fully updated guide to the state-of-the-art guidelines, strategies, and new technologies in modern event planning A must-have resource for every event planner, manager, caterer, and student, this in-depth guide covers all aspects of the event planning process. Written by expert event manager Julia Rutherford Silvers, the book outlines the tools and strategies to effectively procure, organize, implement, and monitor all the products, vendors, and services needed to bring an event to life. Enhanced throughout with useful checklists, tables, and sample forms, the book includes chapters on everything from Developing the Event Site and Providing the Event Infrastructure to Ancillary Programs, Food and Beverage Operations, and Vendors and Volunteers. The practical information is supplemented throughout the book by On-Site Insights featuring real-world examples from successful event planners, as well as chapter

objectives, discussion questions, and exercises in professional event coordination to help readers build key skills and test their knowledge. From weddings to corporate conferences and from intimate events to huge festivals, Professional Event Coordination is a versatile guide to planning events of all kinds.

Marketing Your Event Planning Business Judy Allen, 2010-05-20 Practical, prescriptive advice on successfully marketing your event planning business Recent years have been tough on the event planning industry. The terrorist attacks of September 11, 2001, economic downturns, wars, and

SARS have all negatively impacted the business. There are fewer corporate dollars dedicated to travel budgets and special events, creating even more pressure on businesses in an already highly competitive industry. This book tells you all you need to know to market your business and build your client base in good times and bad. Marketing Your Event Planning Business shows you how to gain a competitive advantage by setting yourself apart from the competition, pursuing new markets, and soliciting sales. It covers all the vital topics in event planning marketing, including how to diversify your client base, develop niche markets, improve your customer service, establish emergency business plans, and much more. Ideal for event planners, marketing managers in the industry, and professionals in the hospitality, culinary, or travel industries Includes actionable advice on successfully marketing an event planning business Features illustrative examples, practical tips, and useful checklists and other resources Marketing Your Event Planning Business is packed with practical tips and examples, giving you creative new ways to showcase your talents, build your business, and bring added value to your clients.

Event Planning Toolkit Amoo O.

Olaleye, 2023-10-06 Creating exceptional events is a challenging yet rewarding endeavor. To decorate a room, it's not enough anymore: it's time to learn how to make a lasting impact for your company, your attendees, and most importantly, your professional identity. Let's face reality. Most events are boring. But they don't have to be. This highly actionable, fast-reading guide is chock-full of unconventional, un-borrifying tools, ideas, and strategies to help you design more captivating and unmissable events for less money and in less time. Discover how to effectively put on a successful event series that can generate

revenue and become your main business or generate leads and exposure to your main business. Gain valuable insights from interviews with practicing event planners, and stay on track with checklists, worksheets, and other resources. Successful events do not just fall together; they result from hard work, creativity, awareness, and careful attention to detail - every detail. Whether you're a veteran, newbie, or accidental event planner, you'll learn fresh strategies to smartly select speakers, manage logistics, set a content road map, as well as plan and execute rave-worthy events of all types. Inspired by decades of delivering everything from large-scale corporate events to multiple TEDx gatherings, this fun, practical book will transform how you plan your next event, no matter how large or small.
