Let Us Talk of Many Things William F. Buckley Jr.,2008-10-28 *Let Us Talk of Many Things*, first published in 2000, brings together Buckley's finest speeches from throughout his career. Always deliciously provocative, they cover a vast range of topics: the end of the Cold War, manners in politics, the failure of the War on Drugs, the importance of winning the America's Cup, and much else. Reissued with additional speeches, *Let Us Talk of Many Things* is the ideal gift for any serious conservative.

Listen, We Need to Talk Brian F. Harrison,Melissa R. Michelson,2017-01-20 American public opinion tends to be sticky. Although the news cycle might temporarily affect the public's mood on contentious issues like abortion, the death penalty, or gun control, public opinion toward these issues has remained remarkably constant over decades. There are notable exceptions, however, particularly with regard to

divisive issues that highlight identity politics. For example, over the past three decades, public support for same-sex marriage has risen from scarcely more than a tenth to a majority of the population. Why have people's minds changed so dramatically on this issue, and why so quickly? It wasn't just that older, more conservative people were dying and being replaced in the population by younger, more progressive people; people were changing their minds. Was this due to the influence of elite leaders like President Obama? Or advocacy campaigns by organizations pushing for greater recognition of the equal rights of Lesbian, Gay, Bisexual, and Transgender (LGBT) people? Listen, We Need to Talk tests a new theory, what Brian Harrison and Melissa Michelson call The Theory of Dissonant Identity Priming, about how to change people's attitudes on controversial topics. Harrison and Michelson conducted randomized experiments all over the United States, many in partnership with equality organizations, including Equality Illinois, Georgia Equality, Lambda Legal, Equality Maryland, and Louisiana's Capital City Alliance. They found that people are often willing to change their attitudes about LGBT rights when they find out that others with whom they share an identity (for example, as sports fans or members of a religious group) are also supporters of those rights—particularly when told about support from a leader of the group, and particularly if they find the information somewhat surprising. Fans of the Green Bay Packers football team were influenced by hearing that a Packers Hall-of-Famer is a

supporter of LGBT rights. African Americans were influenced by hearing that the Black president of the United States is a supporter. Religious individuals were influenced by hearing that a religious leader is a supporter. And strong partisans were influenced by hearing that a leader of their party is a supporter. Through a series of engaging experiments and compelling evidence, Listen, We Need to Talk provides a blueprint for thinking about how to bring disparate groups together over contentious political issues.

Speaking Naturally - Your Guide to Confident Successful Public Speaking Sean F. Kelly, Reid J. Kelly, 2003 About The Book Talking is something we all learn to do as very young children. Speaking effectively is a key factor in the success of both our personal and business relationships. Many people, however, find speaking in public to be extraordinarily stressful, as if it were something essentially different from ordinary speech. HOW TO TALK NATURALLY provides simple yet highly effective strategies to eliminate anxiety and organize thinking, so that your speaking in public becomes as natural and easy as conversing with a friend. One of the best books on effective public speaking I've read. Linda Tell, Ph.D., Educator A truly informative guide that can help anyone who reads it talk naturally and effectively. Harold H. Dawley, Jr., Ph.D. Psychologist About The Author Sean F. Kelly, Ph.D. and his wife, Reid, have developed and taught strategies for effective presentation skills since 1975. Martin Luther's Table Talk Henry F.

French, 2017-08-15 This volume provides access to selections from Martin Luther's Table Talk, Volume 54 of Luther's Works. Editor Henry F. French has carefully chosen some of the best of Luther's conversations with many guests who frequented the dinner table in the home of Martin and Katie Luther. Following the afternoon supper served at around 5 p.m. in the Luther household, guests ranging from exiled clergy, escaped nuns, government officials, visitors from abroad, and colleagues of Luther in the University stayed on in the relaxed and hospitable atmosphere to engage in spirited conversation. From 1531 till the year Luther died in 1546, colleagues and friends took notes of the table conversations in the Luther home. Topics ranged widely as Luther commented on his personal life and family; his perspectives on theology, Scripture, and the life of faith; his comments on political and social topics; and more. Almost no current issue was "off the table." Those who read this book will join the conversation with Luther and friends as they wrestle with important

questions of the day. Pull up a chair and join the circle. Henry F. French has written a brief new preface to introduce this abridged volume.

Speak Love Annie F. Downs, 2013-08-20 Through funny stories, Scripture, and a challenge that could help you change the lives of every person you see, tweet, or message for the better, Annie F. Downs explores the difference you can make when you speak love to others, to God, and to yourself. Do you still remember a mean comment someone made about you online? Does something you said to your friend about your other friend haunt you sometimes? Has your day instantly gotten better because you received a compliment? That's because everything we say has a lot of power—even the things we tell ourselves. Annie Downs has learned this lesson firsthand as both a reformed mean girl and the recipient of a lot of hurtful comments herself, and she knows we can break the cycle of harmful words and make a difference if we decide to focus on speaking love—positive, honest words—instead. Through truthful and very funny experiences from her own life, as well as examples from the Bible and every part of life, Annie shows the amazing changes that can happen when we send positive words out into the world and believe them about ourselves. *Speak Love: Is the perfect gift* for young women ages 13 and up who are ready to speak love and speak life Looks at the ways we speak to ourselves, to others, and to God—and how choosing to use positive words with each one can change our lives, and the lives of those around us Pairs well with the companion devotional, *Speak Love Revolution*, that contains thirty days of

encouragement and tips, as well as journaling space to record your Speak Love journey
