Androids Rule J. Harry Duggan,2003-09-09 The smiling android female on the saucer terminal's video screen said, Would you like to be immortal? Would you like to be rich? Would you like to travel the galaxy? You can, you know. Go on-line, fill out Mincom's new EZ employment form, and become part of our management team. We will provide everything, including your own, custom-fitted android body. The smiling face was very convincing. Yeah, thought Max Mars, convincing. Be immortal. Get a new body and be guaranteed a trip to the most desolate planets in the universe, to mine heavy ice for four Earth years with just enough down-time to recharge your batteries. But Mars wasn't too concerned for the humans who fell for that old ploy. He had problems of his own. He was low on cash, so he had taken a job he normally would have turned down. Just travel to the Rim, to planet Kalos, and find a rich man's relatives. They had been missing-only seven years.

The Mindblower Androids Randall Edward Foss,2018-02-01 As androids proliferate, become highly skilled, and become difficult to tell apart from humans, Mytown Mining, Inc. takes full advantage of the situation to secretly rise up from below and give those responsible for top secret plans in the United States Air Force all that it can handle in the remotest western skies. Meanwhile, the three members of the Braun family, Ben, Jenny, and Max, are plucked from their normal routine to participate voluntarily in the top secret plans along with a few others to battle the crooked corporation sometimes underground, but mostly in the air. Ben, the inventor and manufacturer of the Mindblower, a sleek electronic device that boosts memory and enhances mental acuity, disappears on a family hike in the rain forest. When Jenny, his wife and a traveling pharmaceutical sales representative, and Max, his teenage son, try to find him in Jenny's small plane, they discover the USAF top secret facilities and its latest top secret aircraft and androids. Then as they and their friends continue their search for Ben, they find themselves fighting for their lives and for those humans and androids beside them until they discover much more about what really goes on between the military and the bad mining corporation and the future for both humans and androids. The Mindblower Androids is the second novel in a trilogy by Randall Edward Foss, beginning with The Mindblower Families. The story continues with The Mindblower Orbs, coming soon. Gradually, the recurring characters develop into greater importance as they are thrust deeper into the mysteries behind corporate control over the U.S. government and over energy economics. Mytown Mining, Inc., using android miners instead of human labor to dig deeper in remote regions first on earth and then in space for new energy reserves, must fight off both human and android heroes seeking to curtail its overbearing dominance threatening all human safety and freedom.

The Popular & the Canonical David Johnson,2005 This volume ranges from the Second World War to the postmodern, considering issues of the 'popular' and the competing criteria by which literature has been judged in the later twentieth century. As well as tracing the transition from modernism to postmodernism, the authors guide students through debates around the pleasures of the popular and the question of inter-relations between 'mass' and 'high' cultures. Drawing further upon issues of value and function raised in Aestheticism and Modernism: Debating Twentieth-Century Literature 1900-1960, they examine contemporary literary prizes and the activity of judgement involved in English Studies. This text can be used alongside the other books in the series for a complete course on twentieth-century literature, or on its own as essential reading for students of mid to late twentieth-century writing. Texts examined in detail include: du Maurier's Rebecca, poetry by Ginsburg and O'Hara, Dick's Do Androids Dream of Electric Sheep?, Puig's Kiss of the Spiderwoman, Beckett's Waiting for Godot, Heaney's New Selected Poems 1966-1987, Gurnah's Paradise, Barker's The Ghost Road.
