The author, Ken Williams, founded Sierra On-Line Sierra with his wife Roberta who went on to create many of the company's best selling games. Sierra grew from just Ken and Roberta to over one thousand employees and a fan base that still exists today, despite the fact that the company was torn apart by criminal activities, scandal and corruption that resulted in jail sentences and the collapse of Sierra. This is the behind-the-scenes story of the rise and fall, as it could only be told by the ultimate insider.

The Faerie Games Michelle Madow, 2019-08-30 I'm Selena Pearce, and in the past few days I've been kidnapped by faeries, gifted with powerful magic, and forced by the gods to compete in a twisted game to the death. Growing up on the magical island of Avalon should be great... but I have no magic to speak of. And my parents forbid me from leaving. So when I sneak out to Earth for a night and meet a hottie named Julian with ice blue eyes that leave me

breathless, of course I say yes to a date with him. But when Julian pulls me through a magical portal, I realize he isn't human. He's a half-blood faerie sent to bring me to his realm of the Otherworld. Because apparently, I'm a half-blood faerie, too. And I've been chosen to compete in the annual Faerie Games--a brutal, gladiator-like competition where half-bloods fight to the death. Too bad I can't get my new magic under control. But with all eyes on me, I only have two options: Die in the Faerie Games, or win and earn my freedom. Now the other players--including Julian, who still captivates me even though I should hate him--better watch out. Because I'm determined to get home. And I'll fight anyone blocking my path to get there. Full of magic, mythology, adventure, and romance, *The Faerie Games* is the first book in an addicting young adult urban fantasy series by USA Today bestselling author Michelle Madow that will keep you reading late into the night!
