Cupine" The Real Family Feud Will Smith,2021-05-19 Cupine The Real Family Feud is a clever interpretation of the events that took place when I went on a very popular game show. Comical, exciting and thrilling this book is about a true event that occurred in my life. I was on a game show called Family Feud. I am taking you on the journey explaining how I got on the show, how I did and what happened after the show. I want to tell people a little about my family and myself. I am often asked how I came up with my genius answer. This Book should sum it all up.
