Act Like a Success, Think Like a Success Steve Harvey,2014-09-09 In his phenomenal #1 New York Times bestseller *Act Like a Lady, Think Like a Man*, Steve Harvey told women what it takes to succeed in love. Now, he tells everyone how to succeed in life, giving you the keys to fulfill your purpose. Countless books on success tell you what you need to get that you don't already possess. In *Act Like a Success, Think Like a Success*, Steve Harvey tells you how to achieve your dreams using the gift you already have. Every one of us was born with a gift endowed by our creator—something you do the best at with very little effort. While it can be like someone else's, your gift is yours alone. No one can take it away. You are the only one who can use it—or waste it. Steve shows how that gift holds your greatest chance at success, and the fulfillment of your life's mission and purpose. He helps you learn to define your gift—whether it's being a problem solver, a people-connector, a whiz with numbers, or having an eye for colors. He makes clear that your job is not your gift; you may use it in your work, but it can also be used in your marriage or relationship, your community, and throughout every aspect of your life. Throughout, he provides a set of principles that will help you direct your gift. "The scriptures say your gift will make room for you and put you in the presence of great men," Steve reminds us. This book is your roadmap to identifying your gift, acknowledging it, perfecting it, connecting it to a vehicle, and riding it to success. Because Success is the gift you already have." Funny yet firm, told in Steve's warm and insightful voice, and peppered with anecdotes from his own life, practical advice, and truthful insights, this essential guide can help you transform your life and achieve everything you were born to.

**Family Feud** Anthony Galvin,2003-01-01 THIS IS THE STORY of how it all began. 1978 and a double-murder that Gardai could not solve - the murder no one saw. It was a busy evening in Kiely's Bar when two members of the McNamara clan attacked Anthony Kelly with knives. In the ensuing struggle he wrestled the knives from both assailants. When he walked from the bar he left two dead men, and a bitterness that prevails to this day. THIS IS THE STORY of what followed: Vicious interfamily feuding, coupled with a thriving drug trade and petty crime, giving the city a name for mindless violence - 'stab city', best seen through the rear-view mirror of your car. THIS IS THE STORY of the detectives who have tried to contain the problem. Over three decades the weapons seized have changed - Stanley knives have been replaced on the streets by AK47s, pump action shotguns, and grenades. THIS IS THE STORY of a gang leader who became an alderman on the city council and brought the attitude of the streets to the council chamber. Michael Kelly's sights were set on the Dail before a CAB investigation derailed his ambitions. He is currently appealing an eight-year prison sentence. THIS IS THE STORY of a city which waits in fear for reprisals following the latest killing. Everyone says they don't want revenge. Everyone knows that's not true. The feuds go on. This is the story of Limerick, it's gangs, the men who have tried to stop them, and the innocent people who have endured twenty five years of fear, thuggery and

intimidation.
