Love in the Big City Sang Young Park, 2021-11-16 A funny, transporting, surprising, and poignant novel that was one of the highest-selling debuts of recent years in Korea, Love in the Big City tells the story of a young gay

man searching for happiness in the lonely city of Seoul

Love in the Big City is the English-language debut of Sang Young Park, one of Korea's most exciting young writers. A runaway bestseller, the novel hit the top five lists of all the major bookstores, went into twenty-six printings, and was praised for its unique literary voice and perspective. It is now poised to capture a worldwide readership. Young is a cynical yet fun-loving Korean student who pinballs from home to class to the beds of recent Tinder matches. He and Jaehee, his female best friend and roommate, frequent nearby bars where they push away their anxieties about their love lives, families, and money with rounds of soju and ice-cold Marlboro Reds that they keep in their freezer. Yet over time, even Jaehee leaves Young to settle down, leaving him alone to care for his ailing mother and to find companionship in his relationships with a series of men, including one whose handsomeness is matched by his coldness, and another who might end up being the great love of his life. A brilliantly written novel that takes us into the glittering nighttime of Seoul and the bleary-eyed morning after with both humor and emotion, *Love in the Big City* is a wry portrait of millennial loneliness as well as the abundant joys of queer life.

Call of the Wild Jack London, Gene Engene, Books in Motion, 2007 Jack London wrote this celebrated novel in 1903. It's considered one of his best stories and has become one of the world's most popular American classics. The call of the wild is the thrilling story of Buck, a domestic dog from California

kidnapped and thrust into the harsh, physical world of the Yukon, a land of danger and ferocity, a land of wolves, blizzards, and treacherous frozen rivers that swallow up entire dog teams. Here is where Buck must learn to survive. He must become as wild and vicious as the wilderness that surrounds him ... or die!

Bullshit Jobs David Graeber, 2019-05-07 From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), *Bullshit Jobs* gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an

avocation and "a thought-provoking examination of our working lives" (Financial Times).

House of Earth and Blood Sarah J. Maas, 2020-03-03 A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-

and the power of love.

Echo City Tim Lebbon, 2011-07-07 Surrounded by a vast, toxic desert, the inhabitants of labyrinthine Echo City believe there is no other life in their world. Some like it that way, so when a stranger arrives he is anathema to powerful interest groups. But Peer Nadawa found the stranger and she is determined to keep him and the freedom he represents alive. A political exile herself, she calls on her ex-lover Gorham, now leader of their anti-establishment network. Then they recruit the Baker, whose macabre genetic experiments seem close to sorcery. However, while factions prepare for war, an ancient peril is stirring. In the city's depths something deadly is rising, and it will soon reach the levels where men dwell.

Frank Miller's Sin City Volume 5: Family Values (Deluxe Edition) Frank Miller, 2022-07-26 The girls of Old Town are cashing in old debts in this tale from the signature series, returning in an oversized and slipcased hardcover that includes a portfolio, exclusive print, and new 2022 pinup gallery. Dwight McCarthy owes Gail and the girls of Old Town more than he can ever pay back, and they're putting him to the test. Two warring mobs—too dumb to know better and too vile even if they did—have spilled innocent blood that violates the girls' own laws. Now it's Dwight's job to help set things right. With deadly Miho at his side, Dwight is ready to teach a lesson to the mob about real family values. Frank Miller's return to his comic opus graphic novel series continues with the luxury edition of Volume 5 Family Values.

High-end materials and finishes, and iconic textures from the series embellish this package evoking the world of Sin City. Housed in a cloth-covered slipcase with foil stamping and printing is an oversized hardcover featuring a soft-touch matte finish with spot gloss and foil stamping. The slipcase includes a matching portfolio featuring a deluxe print of new artwork by Frank Miller. This edition includes a seven-page pinup gallery created for the 2022 publications of Volume 5, featuring art from Jöelle Jones, Tanino Liberatore, Tula Lotay, Milo Manara, Bill Sienkiewicz, and Jock. Also featured in the collection is a six-page gallery with covers and pinup art from previous editions of Volume 5. As an added bonus, each volume's slipcase has a different letter from the logo, placed on the front cover in such a way that alone it looks like a splash of red wrapping around the slipcase. But when all seven volumes are together it is clear that the grouping spells out "Sin City." Discerning fans and new readers can experience this unparalleled noir masterpiece in this, the most luxurious edition to date! FOR MATURE READERS

City of Girls Elizabeth Gilbert, 2019-06-04 AN INSTANT NEW YORK TIMES BESTSELLER! From the # 1 New York Times bestselling author of Eat Pray Love and The Signature of All Things, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. A spellbinding novel about love, freedom, and finding your own happiness. - PopSugar Intimate and richly sensual, razzle-dazzle with a hint of danger. -USA Today Pairs well with a cocktail...or two. -TheSkimm Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are. Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during the 1940s. Told from the perspective of an older woman as she looks back on her youth with both pleasure and regret (but mostly pleasure), City of Girls explores themes of female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a

flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. At some point in a woman's life, she just gets tired of being ashamed all the time, she muses. After that, she is free to become whoever she truly is. Written with a powerful wisdom about human desire and connection, *City of Girls* is a love story like no other.

The Architecture of the City Aldo Rossi, 1984-09-13 Aldo Rossi was a practicing architect and leader of the Italian architectural movement *La Tendenza* and one of the most influential theorists of the twentieth century. *The Architecture of the City* is his major work of architectural and urban theory. In part a protest against functionalism and the Modern Movement, in part an attempt to restore the craft of architecture to its position as the only valid object of architectural study, and in part an analysis of the

rules and forms of the city's construction, the book has become immensely popular among architects and design students.
