Your no-nonsense guide to getting in touch with your iPhone.

*Facetime with Jesus* Benjamin John, 2018-08-07 Image is purpose. Image is everything. Image drives your outcome. God shows you an image in His plan and purpose for you when you back it up with scripture and evidence. This is a test of will. With every good image that God gives you, there is a fight for destiny. There is going to be opposition; sometimes, very stiff. In engaging in FaceTime with Jesus, you are having the eyes of your heart opened to who He is, and we behold Him and reflect Him. We are also transformed to the same image as Him. As He is, so are we. Any opposition that manifest itself as a counterfeit image becomes irrelevant. In FaceTime with Jesus, you behold His glory. And in beholding His glory, you reflect His glory. Even more intriguing is this: the more you behold Jesus, the more you are changed into His image, becoming more like Him.
