Fethullah Gülen, Cevdet Türkyolu

M. Fethullah Gülen Faruk MERCAN, Çağımızın yaşayan en büyük İslâm âlimlerinden biri olan Fethullah Gülen, hem ülkesi Türkiye'nin tarihinde çok önemli roller oynamış hem de İslâm âleminde ve dünyada büyük etkiler yapmış bir lider... Milyonlarca takipçisi olan Fethullah Gülen'in hayatını yazmak kolay bir proje değildi. 2015 yılı Mart ayında Washington'daki bir programa katıldıktan sonra Türkiye'ye dönmeden önce, Pensilvanya'da ziyaret ettiğimde Gülen, 80 yıllık hayatını konu alan bu kitap projesi için "Değer mi ki... dedi...

Between Thought and Action Ori Z

Soltes,2022-10-01 This volume has two goals. One is to explore the life and the thought of Fethullah Gülen and the important educational and peace-inducing activities in which he and those inspired by him have been engaged for several decades. The outcome of those efforts—of creating schools and providing diverse social and cultural services that bring people together people from diverse backgrounds—has been to provide the face of civic and civil Islam as an antidote to the uglier side of political Islam. The second goal has been to make clear how the accusations against Mr. Gülen by the minions of Recep Tayyip Erdoğan could hardly be more false: that what Gülen and the hizmet (service) movement that he has inspired are ultimately about is improving the world and saving it from its uglier inclinations. A brief discussion of his life and thought has been supplemented by the voices of more than 70 interviews conducted over several years, with individuals intimate and more distant but all inspired to be part of the process of serving humanity.

A Life in Tears Salih Yucel,2018-12-01 Fethullah Gülen is a leading figure in the current Turkish socio-political context. Regardless of the

impression different circles have about him, he is universally acknowledged as an accomplished scholar and independent thinker who has had a life in tears dreaming of a “golden generation,” but also a life spent in persecution and ongoing trials. This book goes beyond the current controversy around his name, and tries to explore Gülen as a scholar around his certain personal traits and some of the key concepts he has been emphasizing over the years to mobilize his audience. Based on a research that covers over seventy books, 564 sermons, over 500 talks by Gülen, more than fifty interviews of his close associates and friends aired on TV networks, and the author’s personal observations, this book is a useful reference for those who study scholarly traditions of Islam in general and Fethullah Gülen in particular.

Pearls of Wisdom Fethullah Gülen,2000

Fethullah Gulen Jon Pahl,2019 In this first ever life story of Fethullah Gülen, Jon Pahl explores the story of one of the most controversial figures of our times both as the personal biography of the person from Turkey to the United States and the public biography of the social movement he has inspired.

Statue Of Our Souls M. Fethullah Gülen,2010-02-16 Gulen echoes the great teacher Rumi by telling is not to ignore the doctrine of causes, not to sit around heedlessly waiting for God's favor, but rather to continuously exert ourselves in order to transform this broken world into a world of peace and justice, in accordance with the Will of God. He neither denies reality by turning his back on modernity, nor does he fall into bitterness, incomprehension and fury. His message is essentially a message of peace and hope, a message that is best conveyed in *The Statue of Our Souls*.

Devoted to the Truth Fethullah Gulen,2023

Devoted to the Truth is a compilation of the most recent articles by renowned Islamic scholar, Fethullah Gülen, since 2016. The themes he covers are commitment to lofty ideals, self-reckoning, and hope--

Strategic Defamation of Fethullah Gülen Doğan Koç, 2012 Fethullah Gülen is a moderate Turkish Muslim scholar who is known mostly for his education and dialogue activities. The Hizmet Movement, inspired by Gülen, has established hundreds of education and dialogue institutions throughout the world. Several books and hundreds of articles and news reports have been written about Gülen himself and the movement. In recent years, a defamation campaign has been launched against Gülen and the Hizmet Movement. Although these defamation articles may seem random, this book will show that the articles are written strategically in a campaign manner. In Strategic Defamation of Fethullah Gülen, close to 500 defamation articles, books, and other forms of writings are analyzed according to their languages. Koç concludes that these defamations are not random and that they appear according to their respective audiences.

Fethullah Gülen and the Gülen Movement in 100 Questions Dogu Ergil, 2013-02-27 Understanding both Fethullah Gülen, a moderate Turkish Muslim scholar, and the Gülen Movement, a global network of volunteers, teachers, students, intellectuals and business people who are inspired by Gülen's philosophy based on dialog and peaceful coexistence, is vital to making any sort of predictions about the direction that Turkey might be headed in the next years. Who is Fethullah Gülen? What is Gülen's worldview and what are his fundamental ideas about society and the state. How does Gülen view history and what does he consider the most important events? What are the basic principles of the Gülen movement? These questions

and more are posed and answered in detail in this book.

Time to Talk Ekrem Dumanli, 2015-04-07 Time to Talk , a detailed interview of Fethullah Gulen by Ekrem Dumanli, is a defense manifesto of the Hizmet Movement which has been engaged in educational activities around the world and in Turkey for five decades. The content of the talk once again confirms that the Movement, which has never been involved in any illegal activity whatsoever since its inception, expects nothing but the establishment of bridges of peace and brotherhood throughout the world. Gulen's responses to the questions on the association of the Hizmet Movement with the so-called parallel state, the December 17 corruption investigation and many other critical inquiries eliminate the suspicions.

No Return from Democracy Faruk Mercan, 2017-10-01 It was rare, if not impossible, to find in '80s and '90s a Muslim cleric who spoke in favor of democracy, integration with the Western world, and universal human values. Fethullah Gülen was one of those. Many of his avant-garde ideas did not only earn him one of the largest and most influential faith-inspired social movements of recent history, but also many foes, especially from the Turkish ruling elite, placing him in the center of many social and political developments in Turkey. Despite the enormous defamation from some political groups in Turkey, Gülen is recognized in the world as a devout Muslim cleric, whose thoughts and life style are deeply rooted in the Islamic faith, but who also believes Islam is not in conflict with the progressive values of the modern world. This book collates Gülen's ahead-of-his-time comments on some of the debated issues as he phrased in interviews in the past few decades.

So That Others May Live Fethullah Gülen, 2013 Fethullah Gülen's work and writings have inspired a

transnational civic movement that advocates for education, promotes intercultural and interfaith understanding, and delivers humanitarian aid and disaster relief. Originated in Turkey, this Hizmet or Gülen Movement is active in more than one hundred countries across the globe. So That Others May Live offers a definitive compilation of Gülen's characteristic essays. Some of them are available here in English for the first time. The rest have been carefully re-translated and edited, providing even familiar readers with new insight into Gülen's most remarkable writings on faith, morality, education, civic service, and modern civilization.

Essays, Perspectives, Opinions Fethullah Gülen, 2009 An intellectual with a distinctive spiritual charisma, a prolific writer and poet, M. Fethullah Gülen has been an extremely effective and popular scholar of Islam for the last 3 decades. This work presents Gülen through a short biography, a selection of various articles, his views on modern education and its importance, and how he has been presented in the media. It is by no means a comprehensive presentation of his life and influence upon millions of people; rather, it is meant to serve as an introduction to those who desire a better understanding of Gülen's message and what it has accomplished over the years.
