Sinister Lisa Jackson, Nancy Bush, Rosalind Noonan, 2013-12-01 Three New York Times bestselling authors unite their talents in this riveting novel of family secrets, obsession, and murder. As fear and distrust spread through Prairie Creek, soon all the Dillingers, and those closest to them, are targets—and suspects. A killer has been honing his skill, feeding his fury, and waiting for the moment when the Dillingers come home—to die . . . In *Blood* Ira Dillinger, the family's wealthy patriarch, has summoned his children home for his upcoming wedding. Eldest son, Colton, and his siblings don't approve of their father's gold-digging bride-to-be. But someone is making his displeasure felt in terrifying ways, setting fires just like in the past. Only this time, there will be no survivors. *Will Be Rewarded* Twenty years ago, a fire ravaged the Dillinger family's old homestead, killing Judd Dillinger and crippling his girlfriend. Most people blamed a serial arsonist who'd been seen around town. But strange things are happening in Prairie Creek, Wyoming, again. *A Killer's Patience* "This collaborative novel has all the tension and suspense that Jackson fans expect. The web of family ties and secrets creates a strong plot. Readers who enjoy shows like *Criminal Minds* will find the serial killer satisfyingly scary."—RT Book Reviews "Sinister reads as if penned by a single author, so kudos to each of the collaborators."—Mystery Scene

Interview Intervention Andrew LaCivita, 2012-03-15 If you are interviewing with a company, you are likely qualified for the job. Through the mere action of conducting the interview, the employer essentially implies this. So why is it difficult to secure the job you love? Because there are three reasons you actually get the job—none of which are your qualifications— and, unfortunately, you can only control one of them. **INTERVIEW INTERVENTION** creates awareness of these undetected reasons that pose difficulty for the job-seeker and permeate to the interviewer, handicapping

the employer's ability to secure the best talent. It teaches interview participants to use effective interpersonal communication techniques aimed at overcoming these obstacles. It guides job-seekers through the entire interview process to ensure they get hired. It teaches interviewers to extract the most relevant information to make sound hiring decisions. INTERVIEW INTERVENTION will become your indispensable guide to: ? Create self-awareness to ensure you understand the job you want before—not after—the fact. ? Conduct research to surface critical employer information. ? Share compelling stories that include the six key qualities that make them believable and memorable. ? Respond successfully to the fourteen most effective interview questions. ? Sell yourself and gather intelligence through effective question asking. ? Close the interview to ensure the interviewer wants to hire you.

The Heathens Ace Atkins,2021-07-13 Sheriff Quinn Colson and his former deputy Lillie Virgil find themselves on opposite sides of a case for the first time after a woman is found dead and three delinquent teens go on the run. Before he was an Army Ranger who came home to become Tibbehah County Sheriff and take down a corrupt system, Quinn Colson was a kid who got into trouble--a lot of it. So when juvenile delinquent TJ Byrd insists that she doesn't know who killed her mother—an unreliable addict who has disappeared—Quinn's inclined to believe her. But no one else does--not the town, not the sheriff in a neighboring county, not her mother's older boyfriend, and certainly not Quinn's friend and former deputy, U.S. Marshal Lillie Virgil. The Byrd family has always been trouble, and sixteen-year-old TJ is known for petty theft, fighting, and general hellraising. She's also no fool, and when she senses she's about to take the fall for her mother's murder, TJ, her boyfriend, her best friend, and her nine-year-old brother go on the run. As Lillie Virgil tracks the kids across a trail of burglaries, stolen cars and even a kidnapping, intent on bringing TJ to justice, Quinn sets out to find the truth back in Tibbehah. Someone has gone to a lot of violent trouble to make TJ and her friends the logical target of the investigation. It's easy, and who cares about a bunch of lawless kids? As the bloody evidence against TJ piles up, Quinn knows someone truly evil is at work here--and that puts TJ and her friends in more danger than they can imagine.

To Fly and Fight Clarence E. "Bud" Anderson,2017-05-12 Bud Anderson is a flyers flyer. The Californians enduring love of flying began in the 1920s with the planes that flew over his fathers farm. In January 1942, he entered the Army Air Corps Aviation Cadet Program. Later after he received his wings and flew P-39s, he was chosen as one of the original flight leaders of the new 357th Fighter Group. Equipped with the new and deadly P-51 Mustang, the group shot down five enemy aircraft for each one it lost while escorting bombers to targets deep inside Germany. But the price was high. Half of its pilots were killed or imprisoned, including some of Buds closest friends. In February 1944, Bud Anderson, entered the uncertain, exhilarating, and deadly world of aerial combat. He flew two tours of combat against the Luftwaffe in less than a year. In battles sometimes involving hundreds of airplanes, he ranked among the groups leading aces with 16 aerial victories. He flew 116 missions in his old crow without ever being hit by enemy aircraft or turning back for any reason, despite one life or death confrontation after another. His friend Chuck Yeager, who flew with Anderson in the 357th, says, In an airplane, the guy was a mongoosethe best fighter pilot I ever saw. Buds years as a test pilot were at least as risky. In one bizarre

experiment, he repeatedly linked up in midair with a B-29 bomber, wingtip to wingtip. In other tests, he flew a jet fighter that was launched and retrieved from a giant B-36 bomber. As in combat, he lost many friends flying tests such as these. Bud commanded a squadron of F-86 jet fighters in postwar Korea, and a wing of F-105s on Okinawa during the mid-1960s. In 1970 at age 48, he flew combat strikes as a wing commander against communist supply lines. To Fly and Fight is about flying, plain and simple: the joys and dangers and the very special skills it demands. Touching, thoughtful, and dead honest, it is the story of a boy who grew up living his dream.

A Drummer's Tailz from the Road Ace Stephen Finchum,2016-03-22 Being a musician or making a living as a musician is hard work in 2015, But it was hard work in 1979 as well. The big difference being the internet. Back in the 80's bands sold records and claimed royalties, It paid to be in a big band in the eighties! Motley Crue, Poison and Ratt were doing very good business. With sales and the Ladies. Now, in 2015 you wont sell any albums, and that is because your new album will be downloaded for free on the Internet. So its tough for new bands now. In 1979 I decided I wanted to be a Rock Star, nothing else mattered, Not school, nor a normal job. I was very determined to make it! And my one and only wish was a simple one really, but seemed impossible at the same time too. Before I die i had to record one album, to have something to my legacy, to show i did what i set out to do! One album, that's all i asked God for many times. Well i did eventually do that, and much more. Sure I wanted more, don't we all? So i wanted to share some of my trials and tribulations, and good and bad stories alike to fulfill my dream of signing a recording contract and recording that 1 album to complete my lifelong wish

The Spirit of Attack Bruce Gordon,2014-01-28 SCRAMBLE! In a couple of minutes my wingman and I would be airborne on another adventure. Sometimes we intercepted an airliner, sometimes a misplaced B-52 bomber, and sometimes Russian bombers probing our defenses; Russian warships; MIG fighters; or troops in contact in Vietnam, calling for napalm only yards from their positions. Twice it was UFOs - Unidentified Flying Objects! This book is a series of short stories, supported by more than 90 photographs. The first part has my own stories; later stories were contributed by my fellow pilots. The last story is from WW II of our P-38 fighters attacking the Romanian oil fields and getting badly mauled by defending Romanian fighters - and a Romanian pilot's view of the battle! Only the spirit of attack borne in a brave heart will bring success to any fighter aircraft, to matter how highly developed the aircraft may be. That quote from Adolf Galland, an Ace of the German Luftwaffe in WW II, was the motto of our 317th Fighter Interceptor Squadron in Alaska. The fighter pilot is a hunter, and his quarry is the most dangerous in the world - men who want to kill him! The best defense is a good offense - ATTACK! The US Air Force had a program called Every Man a Tiger. A tiger does not kill impulsively or in anger, but plans his attack carefully and strikes with cool ferocity. We were tigers! Fighter pilots tell stories around the bar, but they seldom write them down. These stories were written by the fighter pilots themselves! Come with me and hear of the beauty of flight, the mortal danger of electrical power failure at night in a snowstorm, and the thrill of attack with 20mm cannons firing right under your feet!
