Fightin' Gators Kevin M. McCarthy,2000 The University of Florida, the state's oldest and largest university, is recognized today as one of the country's most academically diverse public institutions. Though able to trace its history to 1853, the school did not begin its popular football program until the first few years of the 20th century. The program has had its share of scandals and embarrassments over time, but it has also produced two Heisman Trophy winners, a national champion, numerous players drafted into the professional ranks, and a visibility that consistently ranks the team in the top five in the country. Now attracting 85,000 fans to each of its home games, the Gators' football program has become a vital part of the University of Florida. When the team won the national championship in 1996, no one could have predicted such success just 90 years earlier. Fortunately, that fascinating journey through the last century has been captured in great photographs that include formal portraits of teams; action shots on the field; views of The Swamp; and snapshots of fans from every decade. These images tell the story of the birth and growth of a football team, a team that has brought enjoyment to millions and national recognition to the University of Florida.

Canes vs. Gators Marty Strasen,2016-09-13 All parties seem to be in agreement that the rivalry between the University of Miami and the University of Florida is as nasty and historical as they come; going back to the thirties, it's the state of Florida's oldest major rivalry. Gators beat writer Pat Dooley described the vitriolic rivalry to the author simply as "vile." History would prove that to be true. In Canes vs. Gators, coaches Urban Meyer, Howard Schnellenberger, Steve Spurrier, Larry Coker, and Ron Zook and several former notable players on both sides of the rivalry, along with key media members for both schools, offer their unique commentary on the intensity of the rivalry. For example, Schnellenberger recalled with anger that after his staff and team were pelted with frozen oranges in 1980, he kicked an extra meaningless field goal in a blowout victory . . . and he wished he'd called on his punter to take the ball and launch it into the Florida student section! Author Marty Strasen, who covered both schools for over a decade, brings to life the greatest moments of this historic rivalry. This book is the perfect gift for Florida college football fans! Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Great Moments in Florida Gators Football Brian Kelly,2017-05-12 The book is written for those of us who love the Gator Nation and Florida Gators football. You'll like the story about the University of Florida's founding in 1853 over 160 year ago and you will like it even more when we start talking about football. UF's first official football game was in 1906 but the lads had been fooling around on campus with weird shaped oval balls well before then as football was becoming a mature sport in America. It took until 1906 for an official UF team to emerge with its first coach Jack Forsythe and his Minnesota Shift Offense. From here, the book moves you through the Charley Pell era and to the Steve Spurrier days as both a Heisman level player and then a great coach. It finishes by looking through the seasons of Urban Meyer, Ron Zook, Will Muschamp of course on to the current season with Coach James McElwain. The history of Gator football as told here is just fascinating. This book captures the many great moments in Gator Football. We look at every game in every season and we take the reader through great chapters about Florida's 25 coaches to great stories about 110

seasons worth of great games (1169 games). The book often stops in time and talks about a particular great player. such as Steve Spurrier, Jack Youngblood, Emmitt Smith, Danny Wuerffel, Tim Tebow, Percy Harvin and others; or a great coach who won a national championship or two. The stories are riveting. This book is the closest thing to an all-encompassing, full-blown encyclopedia of Gator football-a blow by blow history-with tales of the great moments. We capture all the action and all the memorable moments in the 110 great years of Florida Gator football. We even cover 1943, when the Gators had no team because of WWII. This book is your finest source for a great read on your favorite college football team as well as a great reference for when you want to see how a particular game in any year happened to turn out. If you are a Gators fan, YOU will not want to put this book down.

The Boys from Old Florida Buddy Martin,2013-09-01 In *The Boys from Old Florida*, Buddy Martin takes the reader beneath the surface of Florida football as, without bias or sugar coating, he skillfully excavates the truths behind “The Gator Nation.” In this book, Martin, a Florida native, has chronicled the real stories of Gator coaches and players through their own eyes and in their words over a 55-year period since 1950—and not all are valentines. The school asked all but one of the coaches interviewed to leave or move up. Some players became estranged or never really felt appreciated. Yet, others are forever grateful for their experience as Gator players and feel a sense of brotherhood. Liberating moments such as the arrival of Ray Graves come to life through the words of somebody who experienced it firsthand. Martin’s fresh investigations have bolstered his sharp memory of those moments as they unfolded, including Graves’s firing after a fairy tale season with his “Super Sophs.”

Stadium Stories Peter Kerasotis,2005 A collection of terrific stories about the beloved Gators by a veteran journalist.

Florida Gators ,2007

Florida Gators The Gainesville Sun,2006-04

I Love Georgia/I Hate Florida Patrick Garbin,2012-08-01 Spotlighing a team that holds the edge in a series dating back to 1915, this pro-Georgia history proves why fans should love the Bulldogs and hate their archrivals, the Florida Gators. A pep talk from Vince Dooley is featured as is beloved mascot Uga, and the “Gator Stomp” that made Tim Tebow look even goofier than usual is highlighted for good measure. This entertaining chronicle argues for adoring Buck Belue while raking Rex Grossman over the coals, relating the fantastic coaching stories of the legendary W. A. Cunningham, Wally Butts, and Vince Dooley as well as up-close and personal chats with Fran Tarkenton, Herschel Walker, Boss Bailey, and more. Combining the legacy of a timeless rivalry with challenging trivia and insider knowledge, this definitive account grapples with a southern clash as broad as the Georgia&-Florida state line.

Great Coaches in Florida Gators Football Brian W. Kelly,2017-05-19 This book is written for those of us who love Florida Gators Football. Those of us who enjoy the teams coming out every week in the fall know that it was because twenty-five great UF coaches worked with hundreds of great players over 110 years. These coaches masterminded the all the victories while the UF players provided the excitement. We know how the coaches did it. It was through hard work--discipline, conditioning and a commitment to the honor of winning. From day one, The Gators have been a winning team. Look at the record. The Florida Gators from way back learned to win UF fans need this book on their bookshelves to tget the story from a coach's perspective on how they pulled it off. As we rapidly move through the UF football ages, we meet the great immortal University of Florida coachesfrom the first, Pee Wee Forsythe to the current coach, James McElwain. You've heard of them all over the years -- George E. Pyle, Bob Woodruff, Ray Graves, Doug Dickey, Charley Pell, Galen Hall, Gary Darnell, Steve Spurrier, Ron Zook, Charlie Strong, Urban Meyer, and Will Muschamp. Florida continues its journey of excellence each year with another great coach, not yet an immortal. Coach James McElwain. This fine coach seems to be on the right path for the future. In this book, I tell lots of great stories about lots of great teams and great Saturdays and special days in Florida Football. It takes the reader through stories about the Gators teams through the 25 coaches over the years. There are 110 seasons worth of great games (1169 games) played by the best football players in the nation for the University of Florida. The book stops frequently in time and tells great stories about a special coach and/or a special player to pique your interest. Gators fans will not be able to put this book down.
