

Flutterby

Olivia Lovell Wilson

Flutterby Stephen Cosgrove,2013-10 A tiny winged horse named Flutterby flies about the Island of Serendipity trying to discover who she is and why. She thinks she might be an ant and merrily joins them in their chores. She picked up a large crumb of bread in her mouth and got in line with the other ants. Sadly, she got stuck in the entrance of the ant nest. She definitely was not an ant. She tried to be a bee and fluttered about sipping the nectar from the flowers in the garden. Her mouth full, she flew back to the beehive. Unfortunately, with a simple gulp she swallowed all of the nectar, and then accidentally leaped into the center of the honeycomb. She definitely was not a bee. She did a bit of this and a bit of that, but nowhere could she find where she belonged. Through a series of magical misadventures, she discovered that she is most special just being who she is.

Far Flutterby Karen Kingsbury,2012-02-07 Cody the caterpillar is unhappy and wonders if there's more to his life than just branches and leaves. When two winged creatures pay a visit, they encourage him to have faith and trust in God's plan. Cody doesn't understand what they mean, and soon becomes stuck in a cocoon. He struggles to break free and finally emerges with a beautiful pair of wings. In the end he realizes that it's the struggles in life that allow us to soar.

Flutterby Baby Rachael Tickner,2019-09-15 This gift book is about the experience of miscarriage and provides comforting words of support with beautiful illustrations to accompany the story. It was written by a lady who has been through two early pregnancy losses.

Flutterby Rebecca Marriott Stout,2018-12-06 Flutterby is a delightful conversation between a boy and a butterfly about the life cycle of butterflies. Mispronunciations and misconceptions are corrected in a humorous manner in which listeners and readers will be encouraged to interact with the text. Science vocabulary and concepts are subtly taught. Themes of self-

acceptance, friendship, kindness, the wonder of creation, and acceptance of others' mistakes shine through. Flutterby is perfect for lap reading or classroom use.

Flutterby Stephen Cosgrove, 1995 Flutterby finds out what she is by painful trial and error.

Flutterby Fly Stephen Cosgrove, 1984-05 Back by popular demand, Serendipity* books share life lessons and memorable morals and are a favorite with children and parents alike. In this beloved story, Flutterby Fly helps keep the butterflies in line, at least when they are not distracted by gossip. When her flock becomes afraid, Flutterby helps them learn that they can't believe everything they hear. Full-color illustrations. Copyright © Libri GmbH. All rights reserved.

Help Is on the Way Linda Fulford Gault, 2012-11-15 The boys had been quite young when the wild winter in The Meadow arrived. Ellsworth was a young eagle who had lost his way in the storm. As strong as he was, he could not fly against the heavy snow and chilling winds. He landed in The Meadow and found a large hole in one of the trees for protection.

Flutterby Suz Korb, 2019-05-03 A blizzard in the middle of summer is impossible, right? As amazing as that phenomenon is, it's only the first of many seemingly impossible occurrences that are now happening in Ami's life. A life she thought was not just dull, but insufferable too. Now she must fight against all odds when everything turns against her, and not just on ordinary terms. There's power and prophecies involved and one or the other could get her killed. Permanently. For there's extraordinary magic at work here and it might not be Ami's downfall after all. Will she beat the odds? And basically kick butts of the bad guys who want the power of winged creatures all to themselves. Only time will tell against the beat of a monarch's wings as it flutters by.

Flutterby Stephen Cosgrove, 1995-01-01 *Flutterby* finds out what she is by painful trial and error.

Far Flutterby Karen Kingsbury, 2012-05-22 "I wonder," he said, as he inched up a tree, "If there's more to this life than just

branches and leaves.” Once in the land of Better-Than-Brown lived Cody the Caterpillar, down on the ground. His life he found boring; he wanted much more; then a message of hope told him he would soon soar. A place called Far Flutterby—it just couldn’t be! He thought, That’s only a dream for a small one like me. But God has a plan filled with wondrous things, and Cody would find that through hard times come wings.

Glitterby Baby Stephen Cosgrove, 2001 A beautiful winged mare waits to see if her foal by a mortal stallion will also be winged and able to return with her to her magical homeland.

Flutterby the Butterfly Tracy Hagan, 2021-03-17 Emerging from a chrysalis, Flutterby floats into a loving world full of supportive creatures. Yet Flutterby is too absorbed with nature to embrace their love until she experiences the power of their friendship to transform her life. This is a parable of physical and spiritual metamorphosis. The author was dedicated to serving special needs children. Even when she was struck down in mid-life with cancer, she saw life as a great wonder and an adventure. Surrounded by supportive friends, she embraced the fullness of life. This book is her gift to future generations of children as a reminder of the miracle of life, the beauty of the world, and the importance of friendship. All proceeds from this book will go to support Autism Speaks.
