A few months ago, I was convinced to try

baking a cake by myself, and I was surprised how good it turned out. Since then I have made seven cakes and all of them were beyond my expectations. From now on, I will always make my sweets at home. Recipes are terrific. I like the way she explains the baking process, so easy to follow. I will order more recipe books. I was never a baker, but I was always curious about baking. With Maria's recipes, I was able to bake decent cakes. No one could believe I was the one who baked these cakes. They thought it came from a store. AAAA+++ I am happy I ordered this baking guide. It simplifies the whole baking process. My family and I like the results. Now I am making cakes a few times a month. Kids are happy.
