KARL THOMSON

- 📖 **FREE FLOWS THE RIVER** EARL MURRAY,2006-11-28 In the continuation of the Western saga begun with High Freedom, Jethro Thompson, preparing to become a warrior, meets an enemy while sojourning in the wilderness and decides to spare him, a decision that proves costly. Reprint.
- 📖 **SOMETHING FOR NOTHING** MICHAEL W. KLEIN,2011-09-02 A young economic professor’s adventures in his quest for a tenure-track position and a well-balanced life. David Fox (Ph.D. Economics, Columbia, Visiting Assistant Professor at Kester College, Knittersville, New York) is having a stressful year. He has a temporary position at a small college in a small town miles from everything except Albany. His students have never read Freakonomics. He thinks he is getting the hang of teaching, but a smart and beautiful young woman in his Economics of Social Issues class is distractingly flirtatious. His research is stagnant, to put it kindly. His search for a tenure-track job looms dauntingly. (The previous visiting assistant professor of economics is now working in a bookstore.) So when a right-wing think tank called the Center to Research Opportunities for a Spiritual Society (CROSS)—affiliated with the Salvation Academy for Value Economics (SAVE)—wants to publish (and publicize) a paper he wrote as a graduate student showing the benefits of high school abstinence programs, fetchingly retitled “Something for Nothing,” he ignores his misgivings and accepts happily. After all, publication is “the coin of the realm,” as a senior colleague puts it. But David faces a personal dilemma when his prized results are cast into doubt. The school year is filled with other challenges as well, including faculty politics, a romance with a Knittersville native, running the annual interview gauntlet, and delivering the culminating “job talk” lecture under trying circumstances. David’s adventures offer an instructive fictional guide for the young economist and an entertaining and comic tale for everyone interested in questions of balancing career and life, success and integrity, and loyalty and desire.
- 📖 **FOX AND I** CATHERINE RAVEN,2022-06-28 After receiving her PhD in biology, Raven lived in an isolated cottage in Montana, teaching remotely and leading field classes in Yellowstone National Park. Her only regular visitor was a fox, with whom she developed a friendship and from whom she learned about growth, loss, and belonging.
- 📖 **CALL FORTH A FOX** MARKELLE GRABO,2024-04-02 Though the Western Wood is rumored to be home to wicked faeries, 15-year-old Roisin forages without fear, until the night she saves a red fox from a bear, and that bear turns on her. Ro and her sister survive the attack, but the forest isn’t finished with them yet, for the seemingly ordinary bear is truly a boy who’s been cursed by faeries and forced to partake in a deadly competition. And the red fox is actually a girl—the same girl from the village who Ro has fallen for. Between the bear and the fox only one is meant to survive, but Ro and her sister are determined to break the curse before tragedy strikes, and their fight forever alters their ties to the Western Wood and to each other.
- 📖 **NOT MY HOUSE YOU DON’T** KARL THOMSON,2023-06-26 While this book is about America in 2028 under a socialist government that no longer provides protection for its citizens and no longer believes public should have the right to protect themselves. That no longer believes our Constitution and Bill of Rights means the same as it did one hundred or even fifty years ago. Then calls this progress with their new ideas of how the nation should be run. While discarding old definitions to replace with their new interpretations. Forgetting past promises to balance the budget, control government spending. Free speech is redefined and limited; gun ownership is restricted to firearms that do not pose a problem against law enforcement. Even then very strict enforcement of very restrictive laws applies. Inter-structure means paying for government programs as well as repairing roads, dams, bridges and all it meant in the past. A time when citizenship means nothing, and any human with their feet on American soil, all have the same rights. A time when inflation has grown so bad that retirement funds are valueless. Then only a small percentage of Americans are able to maintain a small standard of living in 2028.A time when opposition to the government is treason.

- 📖 **JUST LUCKY** JOHN M. FINDLEY,2010-04 This is a very unusual book. It is full of stories of unexpected and sometimes hazardous experiences. It is an adventure book that will appeal to the young and old alike. Anyone who likes the outdoors and nature will enjoy reading this book. John writes the same way he speaks. The stories are told in a down to earth manner with just enough humor thrown in to make them enjoyable. If you ever had a desire to explore unknown territory or to hike a new trail, you will certainly enjoy the stories in this book. Editor’s note: John Findley is a truly extraordinary man and has lived a life packed with more extraordinary experiences than any other ten people I know combined. He has written this book where he relives many of these experiences, and I have had the good fortune to help John with some of the construction of this book (but the words and style are his). John has detailed memories of his experiences which include skydiving in ways I wish I could have seen, spelunking in places I am glad I have missed, and attempting to swim through the Grand Canyon three times. You will like this book!

- 📖 **95 Fox Love-ET’** KAYPULLS,2019-03-19 I was one of the 1st 12 women in the U.S.A. to work in police radio car. Until then, women were delegated to inside desk jobs. We were under a tremendous handicap. The male deputies received a full police uniform with all of the safety equipment. The women wore a mini skirt, nylons, high heel shoes, white blouse without a police patch on the shoulder, (the blouse was a real target at night), we couldn’t wear a gun belt or any other police equipment. We were permitted to carry a 38 cal. revolver and hand cuffs inside a black shoulder purse, that slid off my shoulder every time I moved. It was impossible to get to my gun or handcuffs out of my shoulder purse. Working under those circumstances was very dangerous and difficult to do your job. Most of the time, I was without a gun or hand cuffs. I had to use my own imagination to handle most cases involving violence or anger.

- 📖 **THE MAN WHO ONCE PLAYED CATCH WITH NELLIE FOX** JOHN MANDERINO,2009-11-01 At forty, Hank has decided he’s through with baseball—a routine pop-up fell on his head and he got the message. Trouble is, baseball is the one thing that’s given any meaning to his life. This is the painfully funny story of a man who decides to get a life, but isn’t sure how. It’s about fathers and sons, heroes and whiners, the wheel of fortune (and Vanna White), baseball and the decline of Western civilization—and why Nellie Fox always spat in his glove.
