**Songs for the Waiting** Magrey R. deVega, 2016-10-01 Despite the presence of many beautiful Advent songs in many of our hymnals, most of us would prefer to skip right to singing our favorite Christmas carols. But in our rush to get to the joy of Christmas, we forget what Advent is all about-- watching and waiting for the coming of a promised king. It is not about shopping, partying, gift wrapping, and vacationing. It is about resting, trusting, praying, and seeking. Through the words of moving Advent hymns and the powerful words of Scripture, *Songs for the Waiting* will help readers reclaim a sense of the beautiful anticipation and preparation that is central to Advent.

*Free Organ Accompaniments to 50 Hymns* T. Tertius Noble, T. Tertius Noble presents here a collection of free organ accompaniments similar to *Free Organ Accompaniments to One Hundred Well-Known Hymn Tunes*. These two books taken together cover the hymn repertoire common to all types of American churches. Each hymn tune is arranged with the hymn melody on a separate staff above Noble's original accompaniment arrangement notated on the grand staff (without a separate pedal staff). These are perfect for accompanying choirs, soloists, or in congregational settings.

The First Songs of Christmas Nancy DeMoss Wolgemuth, 2021-10-05 Let the songs of the first Christmas turn your heart toward God's glory. During the holidays the musical tunes of the season are everywhere. Their nostalgic melodies warm our hearts. But the original Christmas songs are different; they lift our hearts to a holy God. They reveal the greatness, glory, and goodness of our Savior. Taking us beyond quaint imagery and feel-good lyrics, the Advent songs of the Bible unfold God's redemptive plan for the world and His eternal purpose for the ages. Reflecting her own love for the season, Nancy DeMoss Wolgemuth offers meditations on the first two chapters of Luke's gospel in *The First Songs of Christmas*. This 31-day Advent devotional shines new light on the ancient yet inspiring songs of Elizabeth, Mary, Zechariah, the angels, and Simeon. These readings will lead you to contemplate the loveliness and essence of Christmas. Let this book be your companion as you spend the days surrounding Christmas the way these men, women, and angels did, your gaze fixed on our great God and Savior.

**The Emergent Psalter** Isaac Everett,2009-05-01 Isaac Everett's Emergent Psalter is clearly a work of love. Springing from the life of a young, emergent congregation, it embodies the best of old and new, and it is a sign of maturity in our important movement. —Tony Jones, author of *The New Christians: Dispatches from the Emergent Frontier* Many alternative and emerging church communities have begun exploring ancient music and liturgical traditions despite a lack of high-quality, published liturgical music, which does not require (or even desire) an organ and a four- part choir. The Emergent Psalter serves to provide that resource. The psalter itself consists of musically notated antiphon melodies with chord symbols followed by the printed psalm text which is read aloud. Featuring music written for two emerging communities (Transmission in New York and Church of the Apostles in Seattle), this book is an excellent resource for anyone producing alternative worship service or thinking of starting one.

**Our Constant Star** Mandy Crow,2023-10-12 For most of us, O Savior of Our Fallen Race isn't one of the usual Christmas carols or hymns we sing each year. While it may not be as familiar as Joy to the World or O Come All Ye Faithful, this ancient hymn is full of theological truths and deeply rooted in the history of the church. *Our Constant Star: An Advent Devotional* by Mandy Crow finds its starting place in this ancient hymn. The Advent devotional

is designed to invite Christians into the true beauty of the Advent season: what Jesus has done to set us free from sin and death. Spanning the entire Advent season, Our Constant Star provides four weeks of daily meditations and guided journaling prompts, carefully crafted to invite Christians into the deeper significance of the Christmas season. Readers will be challenged to discover the theological implications of the Incarnation, dwell on the nature of Christ and celebrate the reason for their joy as believers.

Sheltering Mercy Ryan Whitaker Smith,Dan Wilt,2022-02-08 Sheltering Mercy helps us rediscover the rich treasures of the Psalms--through free-verse prayer renderings of their poems and hymns--as a guide to personal devotion and meditation. The church has always used the Psalms as part of its prayer life, and they have inspired countless other prayers. This book contains 75 prayers drawn from Psalms 1-75, providing lyrical sketches of what authors Ryan Smith and Dan Wilt have seen, heard, and felt while sojourning in the Psalms. While each prayer corresponds to a particular psalm and touches on its themes and ideas, it is not a new translation of the Psalms or an attempt to modernize or contextualize their content or language. Rather, the prayers are responses to the Psalms written in harmony with Scripture. These prayers help us quiet our hearts before God and welcome us into a safe place amid the storms of life. This artful, poetic, and classic devotional book features compelling custom illustrations and beautiful hardcover binding, offering a fresh way to reflect on and pray the Psalms.

*The Collected Sermons of Dietrich Bonhoeffer* Dietrich Bonhoeffer,2012 Preaching, according to Bonhoeffer, is like offering an apple to child. The gospel is proclaimed, but for it to be received as gift depends on whether or not the hearer is in a position to do so. Offered here are thirty-one of Pastor Bonhoeffer's sermons, in new English translations, which he preached at various times of the year and in a variety of different settings. Each is introduced by Bonhoeffer translator Isabel Best who also provides a brief biography of Bonhoeffer. The foreword is by Victoria J. Barnett, general editor of the Dietrich Bonhoeffer Works, English edition, published by Fortress Press, from which these sermons are selected. In his preaching, Bonhoeffer's strong, personal faith--the foundation for everything he did--shines in the darkness of Hitler's Third Reich and in the church struggle against it. Though not overtly political, Bonhoeffer's deep concern for the developments in his world is revealed in his sermons as he seeks to draw the listener into conversation with the promises and claims of the gospel--a conversation readers today are invited to join.
