Blood Like Magic Liselle Sambury, 2022-07-05

“High stakes, big heart, and lots of Black Girl Magic...unputdownable.” –Aiden Thomas, New York Times bestselling author of Cemetery Boys A rich, dark urban fantasy debut following a teen witch who is given a horrifying task: sacrificing her first love to save her family’s magic. The problem is, she’s never been in love—she’ll have to find the perfect guy before she can kill him. After years of waiting for her Calling—a trial every witch must pass to come into their powers—the one thing Voya Thomas didn’t expect was to fail. When Voya’s ancestor gives her an unprecedented second chance to complete her Calling, she agrees—and then is horrified when her task is to kill her first love. And this time, failure means every Thomas witch will be stripped of their magic. Voya is determined to save her family’s magic no matter the cost. The problem is, Voya has never been in love, so for her to succeed, she’ll first have to find the perfect guy—and fast. Fortunately, a genetic matchmaking program has just hit the market. Her plan is to join the program, fall in love, and complete her task before the deadline. What she doesn’t count on is being paired with the infuriating Luc—how can she fall in love with a guy who seemingly wants nothing to do with her? With mounting pressure from her family, Voya is caught between her morality and her duty to her bloodline. If she wants to save their heritage and Luc, she’ll have to find something her ancestor wants more than blood. And in witchcraft, blood is everything.

A Radical Act of Free Magic H. G.

Parry, 2021-07-20 A Radical Act of Free Magic is the epic conclusion to the genre-defying Shadow Histories series following A Declaration of the Rights of Magicians; a sweeping tale of revolution and wonder in a world not quite like our own. The Concord has been broken, and a war of magic engulfs the world. In France, the brilliant young battle-mage Napoleon Bonaparte and has all but conquered Europe. Britain fights back, protected by the gulf of the channel and powerful fire-

magic, but Wilberforce's own battle to bring about free magic and abolition has met a dead end. In Saint Domingue, Fina watches as Toussaint Louverture navigates these opposing forces to liberate the country. But there is another, even darker war being fought beneath the surface. A blood magician is using the Revolutionary Wars to bring about a return to dark magic. Across the world, only a few know of his existence and the choices they make will shape the new age of magic. Praise for A Declaration of the Rights of Magicians: 'A rich, sprawling epic full of history and magic' Alix E. Harrow, Hugo award-winning author 'An absolute delight to read' Genevieve Cogman, author of The Invisible Library 'Impressively intricate; fans of the magic-and-history of Jonathan Strange & Mr Norrell will be delighted' Alexandra Rowland, author of A Conspiracy of Truths The Shadow Histories A Declaration of the Rights of Magicians A Radical Act of Free Magic For more from H. Creating Magic Lee Cockerell, 2008-10-14 "It's not the magic that makes it work; it's the way we work that makes it magic." The secret for creating "magic" in our careers, our organizations, and our lives is simple: outstanding leadership—the kind that inspires employees, delights customers, and achieves extraordinary business results. No one knows more about this kind of leadership than Lee Cockerell, the man who ran Walt Disney World® Resort operations for over a decade. And in Creating Magic, he shares the leadership principles that not only guided his own journey

from a poor farm boy in Oklahoma to the head of operations for a multibillion dollar enterprise, but that also soon came to form the cultural bedrock of the world's number one vacation destination. But as Lee demonstrates, great leadership isn't about mastering impossibly complex management theories. We can all become outstanding leaders by following the ten practical, common sense strategies outlined in this remarkable book. As straightforward as they are profound, these leadership lessons include: Everyone is important. Make your people your brand. Burn the free fuel: appreciation, recognition, and encouragement. Give people a purpose, not just a job. Combining surprising business wisdom with insightful and entertaining stories from Lee's four decades on the front lines of some of the world's best-run companies, *Creating Magic* shows all of us – from small business owners to managers at every level – how to become better leaders by infusing quality, character, courage, enthusiasm, and integrity into our workplace and into our lives.
