**Getting Things Done** David Allen,2015-03-17 The book Lifehack calls The Bible of business and personal productivity. A completely revised and updated edition of the blockbuster bestseller from 'the personal productivity guru'—Fast Company Since it was first published almost fifteen years ago, David Allen's Getting Things Done has become one of the most influential business books of its era, and the ultimate book on personal organization. "GTD" is now shorthand for an entire way of approaching professional and personal tasks, and has spawned an entire culture of websites, organizational tools, seminars, and offshoots. Allen has rewritten the book from start to finish, tweaking his classic text with important perspectives on the new workplace, and adding material that will make the book fresh and relevant for years to come. This new edition of Getting Things Done will be welcomed not only by its hundreds of thousands of existing fans but also by a whole new generation eager to adopt its proven principles.

**The Lazy Genius Way** Kendra Adachi,2021-08-17 NEW YORK TIMES BESTSELLER • Being a Lazy Genius isn't about doing more or doing less. It's about doing what matters to you. "I could not be more excited about this book."—Jenna Fischer, actor and cohost of the Office Ladies podcast The chorus of "shoulds" is loud. You should enjoy the moment, dream big, have it all, get up before the sun, track your water consumption, go on date nights, and be the best. Or maybe you should ignore what people think, live on dry shampoo, be a negligent PTA mom, have a dirty house, and claim your hot mess like a badge of honor. It's so easy to feel overwhelmed by the mixed messages of what it means to live well. Kendra Adachi, the creator of the Lazy Genius movement, invites you to live well by your own definition and equips you to be a genius about what matters and lazy about what doesn't. Everything from your morning routine to napping without guilt falls into place with Kendra's thirteen Lazy Genius principles, including: • Decide once • Start small • Ask the Magic Question • Go in the right order • Schedule rest Discover a better way to approach your relationships, work, and piles of mail. Be who you are without the complication of everyone else's "shoulds." Do what matters, skip the rest, and be a person again.

Michael Jackson the Solo Years Craig Halstead,Chris Cadman,2003 The main focus of this book is on Michael's career from the late 1970s onwards. It features a complete, chronological listing of every album, one-off single and collaboration Michael recorded during this period. Throughout the book, albums are printed in CAPITALS, to distinguish them from singles and other songs. Each entry features American and UK catalog numbers and release dates, artist credits (as per the actual release), album track listings, and chart positions achieved in the States (Hot 100 and R & B charts), the UK and numerous other countries. Other significant aspects of Michael's life are included as well, and the book concludes with a comprehensive chartography (USA and UK), top singles and albums, awards, movies and videography, discographies (USA and UK), and a fascinating listing of rarities from around the world.

*The Everyday Internet All-in-One Desk Reference For Dummies* Peter Weverka,2005-04-29 The Internet made its way into everyday life as a tool people used occasionally to keep in touch with friends and gather information for personal or business needs. Now, thanks to high-speed connections, wireless access, and safe and powerful Web sites, the Internet has become the main means for handling personal finance, shopping for big-ticket items, and

communicating with people around the world. It's to the point where many people can't get through the day without turning to the Internet to get things accomplished. The Everyday Internet All-in-One Desk Reference For Dummies is the complete resource for casual Internet users who are looking to make the jump to becoming experienced navigators of the wired world. Written by Internet guru Peter Weverka, this book walks readers through the basics of going online before heading into the realms of online bargain shopping, bill paying, personal finance, keeping up with hobbies, and even setting up an online business. \* The material is broken into mini-books that make it easier to find an answer and keep moving along the online highway \* This book clarifies all the mysteries of how to use the Internet to make everyday life simpler \* Covers key Internet properties like eBay, Google, and Yahoo! as well as favorite tasks like playing games, tracing family roots, and keeping a diary online
