Nature's Best Hope Douglas W. Tallamy,2020-02-04 A NEW YORK TIMES BESTSELLER Douglas W. Tallamy's first book, *Bringing Nature Home*, awakened thousands of readers to an urgent situation: wildlife populations are in decline because the native plants they depend on are fast disappearing. His solution? Plant more natives. In this new book, Tallamy takes the next step and outlines his vision for a grassroots approach to conservation. *Nature's Best Hope* shows how homeowners everywhere can turn their yards into conservation corridors that provide wildlife habitats. Because this approach relies on the initiatives of private individuals, it is immune from the whims of government policy. Even more important, it's practical, effective, and easy—you will walk away with specific suggestions you can incorporate into your own yard. If you're concerned about doing something good for the environment, *Nature's Best Hope* is the blueprint you need. By acting now, you can help preserve our precious wildlife—and the planet—for future generations.

Man on the Middle Floor Elizabeth S Moore,2018-04-12 Despite living in the same three-flat house in the suburbs of London, the residents are strangers to one another. The bottom floor is home to Tam, a recent ex-cop who spends his days drowning his sorrows in whisky. On the middle floor is Nick, a young man with Asperger's that likes to stick to his schedules and routines. The top floor belongs to Karen, a doctor and researcher that has spent her life trying to understand the rising rates of autism. They have lived their lives separately, until now, when an unsolved murder and the man on the middle floor connect them all together. Told from three points of view, this book is about disconnection in all its forms; sexual, physical, parental and emotional. It questions whether society is meeting the needs of the fast growing autistic section of society, or exacerbating it. Thought-provoking and thrilling, *The Man on the Middle Floor* will leave readers talking.

The Joy of Brewing Cider, Mead, and Herbal Wine Koziol Nancy,2018-10-02 You're ready to try your hand at home brewing, but you want to try something unique—and you also have no idea where to start. This is the book for you. Broken into three sections—mead, cider, and herbal wine—you'll learn what basic equipment you'll need, what ingredients to have on hand, and author Nancy Koziol will walk you through each step of the process. Along the way, you'll pick up some fun facts about ethical consumption, sustainable farming, and the science behind fermenting. Whether you want to try a simple honey mead, a crisp apple or pear cider, or a wild wine with herbs foraged from your backyard, in these pages you'll find the inspiration and instruction you need to follow through to the finished product. Many of these drinks are brewed in a matter of weeks rather than months, so you don't even have to be particularly patient! Once you get the hang of the basics, try experimenting with the suggested seasonal additions, or whatever fruit, herb, or spice is ready for harvest (or on sale at the local market). Add some ginger to your cider, some blackberries to your wine, or some pumpkin to your mead for brews that are truly your own. With a unique focus on local, seasonal produce and sustainable farming practices, this will appeal to seasoned brewers who are looking for something new as well as eco-conscious millennials ready to impress their friends on Instagram. Fascinating tidbits of trivia, information on health benefits, and a dash of humor make this book as entertaining as it is useful.

Night Comes To The Cumberlands: A Biography Of A Depressed Area Harry M. Claudill,2015-11-06 "At the time it was first published in 1962, it framed such an urgent appeal to the American conscience that it actually prompted the creation of the Appalachian Regional Commission, an agency that has pumped millions of dollars into Appalachia. Caudill's study begins in the violence of the Indian wars and ends in the economic despair of the 1950s and 1960s. Two hundred years ago, the Cumberland Plateau was a land of great promise. Its deep, twisting valleys contained rich bottomlands. The surrounding mountains were teeming with game and covered with valuable timber. The people who came into this land scratched out a living by farming, hunting, and making all the things they need-including whiskey. The quality of life in Appalachia declined during the Civil War and Appalachia remained "in a bad way" for the next century. By the 1940s, 50s, and 60s, Appalachia had become an island of poverty in a national sea of plenty and prosperity. Caudill's book alerted the mainstream world to our problems and their causes. Since then the ARC has provided millions of dollars to strengthen the brick and mortar infrastructure of Appalachia and to help us recover from a century of economic problems that had greatly undermined our quality of life."-Print ed.

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
