The Gentle Art of Swedish Death Cleaning Margareta Magnusson,2018-01-02 *The basis for the wonderfully funny and moving TV series developed by Amy Poehler and Scout Productions* A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called döstädning, dö meaning "death" and städning meaning "cleaning." This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In The Gentle Art of Swedish Death Cleaning, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

How to Start Your Own House Cleaning Company Angela Brown,2016-03-09 Start a house cleaning business with this step-by-step guide and be up and running in one week. Back in the olden days before the internet was really popular and you could Google search anything, there was trial and error. If you wanted to start a house cleaning business from scratch you could, but it was rarely an overnight success for anybody. Big success was tossed to the cleaning service franchisees who could afford the fancy training, and well-built brands, while the mom and pop cleaning services were left to figure it out on their own. Good news - times have changed. As an independent house cleaner, you no longer have to wade through endless Pinterest boards for tips and ideas on how to start a house cleaning business. Angela Brown built from scratch one of the most successful independently owned and operated house cleaning companies in the Southeastern United States. If you are serious about success in the cleaning service industry, you should sign up for her free tips, tricks and time saving hacks by joining the Savvy Cleaner email list at: savvycleaner.com/tips and you follow her blog at: AskaHouseCleaner.com She has trained a multitude of independent house cleaners how to take their business from day one through expansion and enormous growth. In this step-by-step guide she'll show you: How to set up your home office What office supplies you are going to need Ideas for your company logo How to choose your company name How to choose a uniform Tips on creating your company image and brand How to set your rules and policies How to choose a territory Everything you need to know about creating flyers, worksheets and why you need them. How to bid jobs, what to charge, What kind of car you need, Confidence builders & how to build instant credentials, Bonding, insurance The magic of the Mulligan, How to get an endless stream of referrals, how much you should pay for referral fees, How to never have any billing and collections, and how to always get paid and on time. (There is a reason they call Angela Brown The House Cleaning Guru.) If you're here because you have an interest in house cleaning or in upgrading your life and you want to start a house cleaning business, welcome. House cleaning business is a 49 billion dollar a year industry that is nearly recession proof - when times get hard, people work more hours to pay the bills, they have less time at home to clean, so they outsource their cleaning - which means more business for you and me. Another awesome reason to start a house cleaning business is this: unlike a regular 9 to 5 job if you get fired, you're not out of work. You simply add another customer into your new available time slot and keep going. And you will learn here how to do such an amazing job, that you will never get fired, and your clients will never want you to leave. Franchise or Start a house cleaning business? (FREE BONUS DOWNLOAD: savvycleaner.com/franchise So should you buy into an existing franchise like Molly Maid, MerryMaids, The Cleaning Authority, Maid Brigade, Maid Pro, Sears MaidServices, The Maids, Two Maids & A Mop, You've Got Maids, MaidSimple, Cleantastic, Home Cleaning Services of America, Jani-King, MopFrog, Jan Pro, Maid to Perfection, or many of the others on the market? Or should you start your own house cleaning company from scratch? There are pros and cons to both. If you are not sure of the differences, you can download a free comparison chart at savvycleaner.com/franchise For the sake of this book we are going to assume you are going to start your own.

Breathe: A FREE, Clean, Small Town Winery Romance Lucinda Race,2021-03-17 Enjoy this clean, small town romance by award-winning and bestselling author, Lucinda Race. Her dream-come-true may mean the end of his ... Her family's successful winery business in a small town in upstate New York should have gone to Tessa Price. She'd always dreamed of running the winery, but her brother, the prodigal son returns to claim the corner office. Looking to prove to her family she's more than capable she boldly strikes out on her own, purchasing Sand Creek Winery—a cash-strapped competitor—right out from under her family. She can forge her own destiny, using her marketing skills and big plans to bring new life to the small winery. But first, she has a proposition for the sexy previous owner. And he's likely to hate it almost as much as he hates anyone with the last name of Price. Kevin “Max” Maxwell would never have willingly sold his winery to anyone named Price. Family always comes first, and if paying for his sister's cancer treatment cost him his business, it was worth it. But when the new owner offers him a one-year contract to stay on as general manager, with a possible bonus, he's hit rock bottom but he really can't afford to turn it down. He can ignore the effect her deep brown eyes and heart-shaped face have on his senses for a year, can't he? Relationships, like slowly ripening vineyards, take time. But Max has been keeping a secret from Tessa, one that could destroy their hopes for a future. Will a terrible accident force Tessa and Max to face how much they have to lose or tear apart their budding relationship forever? Sometimes a romance is like a fine wine. To be its best, it just needs time to breathe. Breathe is the first novel in the Price Family Romance Series, although each book can be read as standalone. A sweet and clean romantic story with a guaranteed happily ever after. Happy reading!

Homemade Cleaners 30 Natural Chemical-Free Cleaning Recipes for Around the House In this book, you will find a great collection of natural homemade cleaning products for your home environment. If you are ready to replace the expensive chemical-filled store bought cleaning products, then here are some great natural cleaning solutions for you. Most people did not really give much thought to what ingredients were used in cleaning products, we only were concerned if they worked or not in getting things clean. Now people are becoming more aware of how different kinds of products can put us and our environment at risk. More recent research is revealing more about the dangers and health risks surrounding many synthetic products such as those used as cleaning products. Many of us might be using the same type of cleaning products that our parents used, we were happy with the cleaning results of them, but we were unaware of their harmful effects until recently. Now more people are looking for natural products over synthetic ones, that are better for our overall health with little to no side effects. This of course cannot be said for synthetic products that almost always have side effects. Researchers are discovering that many health ailments such as cancer are being connected to our exposure to harmful chemicals, artificial foods, pesticides, environmental pollution, toxic plastics, toxic metals just to name a few. Many commercial cleaning products have been identified as being the culprits that have been effecting our health in a negative way. However, you can start now to make safer healthier choices, by preparing your own natural and safe homemade cleaning solutions. Start here today with this easy to follow cleaning solution recipe collection! House Cleaning: How to Get Your Kids Begging for Chores (House Cleaning, House Organizing, Organized House, Easy) Miguel Augustine,101-01-01 They say cleanliness is next to godliness. Well, we can infer that dirt is next to the opposite of godliness. And as we all know, godliness comes with its set of benefits including but not limited to better health, peace of mind, more productivity, and peace with those

around you in the form of reduced conflicts. The inverse is also true; if you are not godly, it means your life will all be in one mess and this mess comes in the form of regular conflicts with people, diseases, reduced productivity, stress, depression, and many other bad things. Here's what you'll find inside: · Find out how to roar with laughter while you're doing your laundry. · Play Bomb Squad and have your house cleaned in record time. · Learn the secret to getting your kids to pick up each other's messes. · Find out what Happy Bucks are · . . . And so much more! You will love how clean your home is after using these natural products. It will help you to avoid the commercial products that often mask strong odors and leave a chemical residue that is harmful to the family.

How to Keep House While Drowning KC Davis,2022-04-26 If you're tired of staring at the same mess every day, but struggling to find the time and willpower to clean it, you probably have a very good reason: anxiety, fatigue, depression, ADHD, or lack of support. Designed by therapist KC Davis, this revolutionary method of cleaning and organizing helps end the stress-mess cycle. After KC Davis gave birth to her second child, she didn't fold a single piece of laundry for seven months. Between postpartum depression and ADHD, she felt numb and overwhelmed. She regained her sanity--and the functionality of her home--after one life-changing realization: You don't work for your home; your home works for you. In other words, messiness is not a moral failing. A new sense of calm washed over her as she let go of the shame-based messaging that interpreted a pile of dirty laundry as I can never keep up and a chaotic kitchen as I'm a bad mother. Instead, she looked at unwashed clothes and thought, I am alive, and at stacks of dishes and thought, I cooked my family dinner three nights in a row. Building on this foundation of self-compassion, KC devised the powerful practical approach that has exploded in popularity through her TikTok account, @domesticblisters. The secret is to stop following perfectionist rules that don't make sense for you--like folding clothes that don't wrinkle anyway, or thinking that every room has to be clean at the same time--and to find creative solutions that accommodate your needs, pet peeves, daily rhythms, and attention span. Inside, you'll learn exactly how to customize your approach and rebuild your relationship with your home, including: -How to stop seeing care tasks as a reflection of your worth, but rather as kindnesses to your future self -How to use calming rituals to keep you from feeling overwhelmed when you look at a big mess -How to stagger tasks that are easy to procrastinate throughout the week and month -How to quickly transform a room from messy to fully functional through the 5 Things tidying method, and other shortcuts requiring minimal energy Read this book to make home feel like a sanctuary again: where you can move with ease, where guilt, self-criticism, and endless checklists have no place, and where you always have permission to rest, even when things aren't finished.
