Savannah J. Frierson

**Paradise Lost** John Milton, 1711

**Curbing It** Jeff Garlin, 2012-01-03 The comedian and actor chronicles his year-long journey to live a more Earth-friendly lifestyle and lose seventy-five pounds, from exercising under the tutelage of a former Solid Gold dancer to avoiding his penchant for eating pudding and napping.

Trolling Nights Savannah J. Frierson, 2020-09-01 It only takes a second to fall in love forever. Navy SEAL Timothy Capshaw is only in Charleston, South Carolina, for the summer. He's not looking for a romance or even a hookup, but when he sees Bevin on his first night out on the town, he knows she's the one for him. Coffeehouse owner Bevin Moore is the friend who makes sure everyone makes safe decisions when they go out on their Trolling Nights, the nights where her friends look for a weekend fling. Then she meets Tim, and she's certain he's the most dangerous choice of all—especially for her heart. How will Tim convince Bevin he's the man she hasn't known she's been looking for and that the need for her Trolling Nights is over?

**The Comedy and Legacy of Music-Hall Women**

**1880-1920** Sam Beale, 2020-09-04 This book explores the comedy and legacy of women working as performers on the music-hall stage from 1880-1920, and examines the significance of their previously overlooked contributions to British comic traditions. Focusing on the under-researched female 'serio-comic', the study includes six micro-histories detailing the acts of Ada Lundberg, Bessie Bellwood, Maidie Scott, Vesta Victoria, Marie Lloyd and Nellie Wallace. Uniquely for women in the late-nineteenth and early-twentieth centuries, these pioneering performers had public voices. The extent to which their comedy challenged Victorian and Edwardian perceptions of women is revealed through

explorations of how they connected with popular audiences while also avoiding censorship. Their use of techniques such as comic irony and stereotyping, self-deprecation, and comic innuendo are considered alongside the work of contemporary stand-up comedians and performance artists including Bridget Christie, Bryony Kimmings, Sara Pascoe, Shazia Mirza and Sarah Silverman.

#### **How to Build a Pillow Fort** Dushka

Zapata, 2018-11-03 Pillow fort building is arduous and complex and requires a full day and all hands on board. Phase one. Crew runs around the house collecting necessary material. Assemble all pillows and blankets that can be found. Make a gigantic pile. Jump on pile to test resilience and consistency of the various elements available. (This will soon become valuable intelligence.) Phase two. Step back. Assess and discuss. Get milk and cookies (for the master planner), find paper and crayons and develop elaborate architectural sketches. Phase three. Agree on the general purpose of the fort. Attack? Defense? A place to hide inside undetected by pesky parents? (The last one usually wins.) Take a lunch break. Find the rest of the instructions within.

#### **Out of the Silent Planet** Clive Staples

Lewis, 1960 Out of the Silent Planet introduces Dr. Ransom and chronicles his abduction by a megalomaniacal physicist and his accomplice via space ship to the planet Malacandra. The two men are in need of a human sacrifice and Dr. Ransom would seem to fit the bill. Dr. Ransom escapes upon landing, though, and goes on the run, a stranger in a land that, like Jonathan Swift's Lilliput, is enchanting in its difference from Earth and instructive in its similarity.

#### **The Cultural Set Up of Comedy** Julie A.

Webber,2013 How do various forms of comedy—including stand-up, satire, and film and television—transform contemporary invocations of nationalism and citizenship in youth cultures? And how are attitudes about gender, race, and sexuality transformed through comedic performances on social media? *The Cultural Set Up of Comedy* seeks to answer these questions by examining comedic performances by Chris Rock and Louis C.K., news parodies *The Daily Show* with Jon Stewart and *The Colbert Report*, the role of satire in the Arab Spring, and the groundbreaking performances by women in *Bridesmaids*. Breaking with the usual cultural studies debates over how to conceptualize youth, the book instead focuses on the comedic cultural and political scripts that frame them.

*The Call* Tanya Barfield,2014-03-17 Annie and Peter decide to adopt, setting their sights on a child from Africa. But, when they receive surprising news from the adoption agency, their marriage is put to the test, secrets of the past are exposed, and this couple approaching midlife is left with an unexpected choice. Politically charged, funny and tack-sharp, *THE CALL* is a startling portrait of cultural divide, casting global issues into the heart of an American home.

*Ethnic Humor in Multiethnic America* David Gillota,2013-07-01 When wielded by the white majority, ethnic humor can be used to ridicule and demean marginalized groups. In the hands of ethnic minorities themselves, ethnic humor can work as a site of community building and resistance. In nearly all cases, however, ethnic humor can serve as a window through which to examine the complexities of American race relations. In *Ethnic Humor in Multiethnic America*, David Gillota explores the ways in which contemporary comic works both reflect and participate in national conversations about race and ethnicity. Gillota investigates the manner in which various humorists

respond to multiculturalism and the increasing diversity of the American population. Rather than looking at one or two ethnic groups at a time—as is common scholarly practice—the book focuses on the interplay between humorists from different ethnic communities. While some comic texts project a fantasy world in which diverse ethnic characters coexist in a rarely disputed harmony, others genuinely engage with the complexities and contradictions of multiethnic America. The first chapter focuses on African American comedy with a discussion of such humorists as Paul Mooney and Chris Rock, who tend to reinforce a black/white vision of American race relations. This approach is contrasted to the comedy of Dave Chappelle, who looks beyond black and white and uses his humor to place blackness within a much wider multiethnic context. Chapter 2 concentrates primarily on the Jewish humorists Sarah Silverman, Larry David, and Sacha Baron Cohen—three artists who use their personas to explore the peculiar position of contemporary Jews who exist in a middle space between white and other. In chapter 3, Gillota discusses different humorous constructions of whiteness, from a detailed analysis of South Park to “Blue Collar Comedy” and the blog Stuff White People Like. Chapter 4 is focused on the manner in which animated children’s film and the network situation comedy often project simplified and harmonious visions of diversity. In contrast, chapter 5 considers how many recent works, such as Harold and Kumar Go to White Castle and the Showtime series Weeds, engage with diversity in more complex and productive ways.

John Milton John T. Shawcross,2021-09-15 The facts of John Milton's life are well documented,

but what of the person Milton—the man whose poetic and prose works have been deeply influential and are still the subject of opposing readings? John Shawcross's different biography depicts the man against a psychological backdrop that brings into relief who he was—in his works and from his works. While the theories of Freud, Lacan, Kohut, and others underlie this pursuit of Milton's self, Jung and some of his followers provide the basic understanding by which Shawcross places Milton in the panorama of history. His explorations of the psychological underpinnings of Milton's decision to become a poet, of the homoerotic dimensions of his personality, and of his relationships with father and mother demonstrate the extent to which psychobiography proves itself invaluable as a means to appreciate this complex writer and his complex writings. This biography combines the traditional chronological narrative with a technique akin to that of fiction, a mixture of times and a triggering of remembrances from various time frames without time differentiations. Such an approach offers a view of Milton not only in being but in process of being. Shawcross's examination of two current concerns, gender attitudes and political ideologies, ranges Milton's work against the self he exhibits. Specialists and nonspecialists alike will find in this magisterial biography a wealth of new insight into one of the greatest of English poets.

**Pretty/Funny** Linda Mizejewski, 2014-03-07 "A totally engaging read [and] a fascinating look at the diversity and range of female comics . . . by an author who herself obviously has a sense of humor." —Joanna E. Rapf, coeditor of *The Blackwell Companion to Film Comedy* Women in comedy have traditionally been pegged as either "pretty" or "funny." Attractive actresses with good comic timing such as Katherine Hepburn, Lucille Ball, and Julia Roberts have always gotten plum roles as the heroines of romantic comedies and television sitcoms. But fewer women who write and perform their own comedy have become stars—and often they've been successful because they were willing to be funny-looking, from Fanny Brice and Phyllis Diller to Lily Tomlin and Carol Burnett. *Pretty/Funny* focuses on Kathy Griffin, Tina Fey, Sarah Silverman, Margaret Cho, Wanda Sykes, and Ellen DeGeneres, the groundbreaking women comics who flout the pretty-versus-funny dynamic by targeting glamour, postfeminist girliness, the Hollywood A-list, and feminine whiteness with their wit and biting satire. Linda Mizejewski demonstrates that while these comics don't all identify as feminists or take politically correct positions, their work on gender, sexuality, and

race has a political impact. The first major study of women and humor in twenty years, *Pretty/Funny* makes a convincing case that women's comedy has become a prime site for feminism to speak, talk back, and be contested in the twenty-first century.
