Essential Dua's in the Life of a Muslim - 115 Dua's in One Book Jamiatul Ulama Kzn Sa,2015-11-22 All praise is due to Allah Ta'ala, The Supreme Master of all the worlds. Countless Durood and Salaam be upon our beloved Nabi, Sayyidina Muhammad(PBUH). We have been taught by Rasulullah(PBUH) to recite duas at different occasions of our life. From the time we awaken till the time we go to sleep we have been taught to recite these duas. In this manner our entire day passes in the remembrance of Allah Ta'ala. It is mentioned in the Hadith that Rasulullah(PBUH) used to remember Allah Ta'ala at all times. A great amount of the constant remembrance was by means of the recitation of the duas for the various occasions. The recitation of these duas also strengthens our bond with Allah Ta'ala and increases the love for our Creator in our hearts. Parents need to play the very important role of constantly encouraging and reminding their children to recite the duas at the appropriate time. Thus when the child is woken up in the morning, before he enters the toilet and after he leaves, before and after eating and at all other occasions, the parents should remind the child to recite the dua. In this way it will become a part of their lives and the purpose of teaching these duas will be achieved, Insha Allah.

Daily Dua (english-Arabic) Ed. Goodword Books,2004-01-01 This book contains masnun duas or the duas which were taught by the Prophet Muhammad. Dua is a noble form of dhikr or remembrance of Allah. By learning these duas and reciting them at the appropriate occasions, our every action is turned into ibadah. Our sleeping, eating, drinking, dressing, etc, all assume the form of ibadah. Constant and conscious recital of the various duas at their appropriate time fixes the remembrance of Allah in the hearts. These duas of the Prophet draw the faithful closer to his Creator. Therefore, it is of absolute necessity that all Muslims learn and recite the various duas. Felicity and success will be the result, insha Allah.

The Dua Book Abu Umar Nurudeen,2020-05-26 As you struggle and live through life as a Muslim it is important to note that you are not alone, Allah is there for you all you need to do is call upon him by making DUA. Allah said in Quran 2: 187 And when my servant ask you, [o Muhammad], concerning Me - Indeed I am near. I respond to the invocation of the supplicant when he calls upon Me. This shows Allah's readiness to answer our call and essentially encourages Muslims to make dua. The dua(supplications and invocations) in this book have been compiled from the Quran and Hadith for use daily in the life of a muslim. Dua is your sword as you fight through life in the hope of gaining Allah's pleasures. From the moment you wake up in the morning till you get back to bed at night, the necessary supplication and invocations to get you through the day has been compiled in this book. Amazingly this book offers the following: Arabic wording for Muslims that can read Arabic ☐ Transliteration for Muslims that can't ☐ and the Translation of each dua ☐ Get this book now and arm yourself with the necessary dua Your sword according to Prophet Muhammad

Books of Daily Thoughts and Prayers by Swami Paramanda Swami

Paramananda, 2020-09-17 There are moments when the spirit is mute and powerless to give utterance to its interior yearning. It feels the need of a vibrant word to rouse it from its numbness and voice its voiceless aspiration. Hence attempts to provide, in one form or another, daily thoughts for the day's round are coincident with the rising of the religious consciousness. The ancient Forest-Books or Upanishads of the Vedlc period were but the accumulated effort of great sages to help those who surrounded them in their woodland hermitage, to meet the daily problem with triumphant heart. The mediaeval breviaries and manuals of devotion were written or compiled to the same end. The present volume is another contribution to this daily sacrament of prayer and holy thought. The idea of preparing it is not of recent conception. As far back as 1812 Swami Parama-nanda wrote me from Switzerland Other day I was thinking a little of the next book (from your letters). Can't we call it A Book of Daily Thoughts and Prayers' ? What do you think of it ? I had written to him that the idea had come to me to gather from his later letters and certain notes of his teaching material for a companion volume to the Path of Devotion, made up from earlier letters. The prayers were caught with the same stealthy silent pencil at the moment of their utterance. They sound in consequence the more living note of spoken supplication. The quotations from the Scriptures are from the Swami's translations. Coming from such intimate sources, the words which follow possess special helpfulness in the intimate inward strivings of each day. They have been classified and arranged in consecutive and cumulative sequence. The thought is carried forward from day to day, so that at the end of a month a new and defined impression will be made on the character. Each

day brings its salient thought to be held through the waking hours in continuous mindfulness a brief lesson amplifies this and imbeds it more deeply in the consciousness a prayer feeds and strengthens the natural upward-reaching devotional aspirations of the heart. A few lines from the Swami's sacred and illumined poems are given as a daily exercise in memorizing. Memorizing is one of the most productive of spiritual practices. It provides a rich inner library to which one can turn in the moment of emptiness or distress. A single line called up in memory will sometimes turn the thought into an entirely fresh and wholesome channel. Thus on each page will be found food for all the faculties of the aspiring spirit. The Swami's words lend themselves with peculiar aptitude to a work of this nature. His sentences have the focused, shining quality of a finely-cut gem which requires no embellishment of ornate setting. They stir the higher, holier impulses of the soul and impel to consecrated living. They carry forward by their inherent vitality and strength. The book calls for no other introduction than itself. With its tender counsel and ringing appeal it will find its way, by the force of its spiritual power, into the heart and sanctuary of every seeker whose hand it reaches. DEVAMATA. The Book Of Remembrances Imam Yahya ibn Sharaf an-Nawawi, 2014-01-01 The Book Of Remembrances [Kitab al-Adhkar] - By Imam Yahya ibn Sharaf an-Nawawi Kitab al-Adhkar is the definitive compilation of words of remembrance and glorification of (dhikr), and supplicatory prayer to (du'a), the Lord of the Universe, as related from His final Emissary, the Prophet Muhammad (may Allah bless and exalt him). Dhikr and du'a lie at the very heart of the din, the relationship between creature and Creator. As part of the Sunna or Prophetic Way, they are a divinely appointed means of approaching Allah Most High for all our needs, and of making use of all the moments of daily life to strengthen our tawhid, the existential and cognitive Unity that is the hallmark of Muslim spirituality. Also covered are the vital principles of speaking only what is good and avoiding the sins of the tongue. The author, Muhy al-Din Yahya ibn Sharaf al-Nawawi (631-676/123-1277) devoted his entire life to the pursuit of sacred knowledge. He is revered throughout the Sunni world as one of its greatest authorities. Among his most famous writings are the Arba'in, a collection of forty Hadiths; a commentary on the Sahih of Imam Muslim; and Kitab al-Adhkar. Designed as a reference guide and a source of inspiration, this volume presents a clear and elegant English translation of Imam al-Nawawi's classic, together with the text of every single prayer and invocation, both in Arabic letters and in romanisation. Also included are all the author's statements about those Hadiths which he related personally from his own teachers, and his guidance on the correct spelling and meanings of

rare words and names. Finally, al-Nawawi's comments on the sources of Hadiths are supplemented by further scholarly notes.
