Dare Barry McDonagh, 2015-05-08 DO NOT READ THIS BOOK IF YOU WANT TO JUST MANAGE YOUR ANXIETY There's a new and faster way for anxiety relief, but few have ever heard it. Most people are advised to either just manage their anxiety or medicate it away. If you're tired of just managing your anxiety and want a powerful natural solution, then apply the 'Dare' technique as explained in Barry McDonagh's latest book. Based on hard science and over 10 years helping people who suffer from anxiety, Barry McDonagh shares his most effective technique in this new book. The DARE technique can be used by everyone, regardless of age or background, to live a life free from anxiety or panic attacks. In this step-by-step guide you will discover how to: -Stop panic attacks and end feelings of general anxiety. -Face any anxious situation you've been avoiding (driving/flying/shopping etc.). -Put an end to anxious or intrusive thoughts. -Use the CORRECT natural supplements to relieve anxiety. -Boost your confidence and feel like your old self again. -Fall asleep faster and with less anxiety each night. -Live a more bold and adventurous life again! IMPORTANT: THIS IS MUCH MORE THAN JUST A BOOK It also comes with a free App for your smartphone as well as four audios for quick anxiety relief. With these new tools you can apply the DARE Response in any situation that makes you anxious (e.g. driving/shopping/traveling). Help is now just a click away. Android Apps Felix E Mute, 2020-07-24 Years back when google launched the Android, it was almost difficult to imagine the numerous app we would have today. Now it's easier for you to search for anything you need without surfing through the google play store. Presently, there are variety of apps available for everything you need to do on your phone and many of them are completely free, meaning you're just a few steps away from upgrading your smartphone at no extra cost. Despite the numerous apps available today, finding the good ones can be challenging, so I make available various tools and techniques to help you surf easily. By going through the user's overview, app categories and types helps guides you into downloading your choice app rather than a bunch of junk on your device. With all the numerous apps on Google Play, it's most likely that the low-rated app gets up more leavings the top ones out. So, to ensure you don't download a whole lot of apps which you won't need, here I select list of apps you should install on your device. Each of these app is easy to use, fun-filled and useful to your social and daily activities. I have grouped all the apps into types and categories, based on their functions, making it easy for you to spot what you want in an app. Also, ensure to look out every few weeks for updates on new apps which are listed in this book.
