Angry Birds and Rovio Entertainment Jason Porterfield, 2014-12-15 Since its release for Apple's iPhone in 2009, Angry Birds has been one of the most successful video games in history. Although Angry Birds seemed to be an overnight success, the game was actually the result of years of struggle by Rovio Entertainment, the Finnish company that created it. The company's founder, Niklas Hed, his cousin Mikael Hed, and Peter Vesterbacka have established not just a profitable video game but a cultural phenomenon. In this thrilling narrative, readers examine the challenges and triumphs of building a company while keeping the spirit of fun behind the development of new products.

National Geographic Angry Birds Mel White, 2014-01-21 If playing Angry Birds has suddenly turned you into a bird lover, you'll want to get your talons on the latest book National Geographic Angry Birds: 50 True Stories of the Fed Up, Feathered and Furious. --geekstyleguide.com This hilariously eye-popping book showcases real-world angry birds and 50 fantastic stories peppered with

tips to avoid them, as well as fascinating facts about angry bird behavior. In addition to the funny and light-hearted real-life angry bird stories, National Geographic Angry Birds: Fed up, Feathered, and Furious will tell, for the first time ever, the story of the Angry Birds we all know and love from the hit game. Angry Bird fans will finally get to learn the personality, name, and all the details of each of the iconic Angry Birds. The Angry Birds' stories have been TOP SECRET until now, and will only be revealed in this book! Rovio graphics and National Geographic photography are featured throughout. Structured like the game which progresses in degree of difficulty, the book progresses in degree of anger and devotes a chapter to each level of anger intensity; Annoyed, Testy, Outraged, and Furious. Readers will discover the world's angriest real bird at the end. As one of the most trusted authorities on animal behavior, National Geographic is the perfect source for the real truth behind real-life angry birds.

The World of Angry Birds Heather E. Schwartz, 2018 Do you know the names of the Angry Birds characters? Learn all about the Angry Birds games and discover the scientific reason they are so

popular. You'll have more fun than a bird smashing a building!

National Geographic Angry Birds Furious Forces Rhett Allain, 2014-01-21 Another Angry Birds National Geographic mash-up! This fun, engaging paperback uses Angry Birds to explain the physics at work in the world--and behind the popular game. National Geographic's trademark science blends with Angry Birds' beloved entertainment to take readers into the world of physics. Rhett Allain, physics professor and Wired blogger explains basic scientific principles in fun, accessible ways; the Angry Birds come along for the ride to illustrate concepts we see in the real world--as well as in the Angry Birds games. Packed with science and a sense of humor, this book will improve readers' understanding of the world and how it works--and it may just improve their Angry Birds scores as well. Rovio Learning is known for collaborating with several scientific and educational institutions, such as the National Geographic Society and NASA. The recent collaboration with CERN brings quantum physics to the reach of children. There is no subject that young children can not learn - when the medium is age-appropriate, fun and engaging!

The Business of iOS App Development Dave Wooldridge, Taylor Pierce, 2014-10-29 Updated and expanded for the new Apple iOS8, The Business of iOS App Development, Third Edition shows you how to incorporate marketing and business savvy into every aspect of the design and development process, giving your app the best possible chance of succeeding in the App Store. This book is written by experienced developers with business backgrounds, taking you step-by-step through cost-effective marketing techniques that have proven successful for professional iOS app creators—perfect for independent developers on shoestring budgets. No prior business knowledge is required. The phenomenal success of the iPhone, iPad and the iPod touch have ushered in a gold rush for developers, but with well over a million apps in the highly competitive App Store, it has become increasingly difficult for new apps to stand out in the crowd. Achieving consumer awareness and sales longevity for your iOS app requires a lot of organization and some strategic planning. This is the book you wish you had read before you launched your first app!

Costello, 2012-10-30 My iPad for Kids is here to help your kids (and you!) get the most out of your iPad2, iPad 3rd or 4th generation, or iPad mini running iOS 6. Using full-color, step-by-step tasks, My iPad for Kids walks step-by-step through learning how to use your iPad for home, school, and just for fun! Grade specific chapters for grades 4-7 offer information on apps that are great resources for everything from music to art to spelling and math homework. In addition, you learn how to setup and configure all the features of your iPad, including connecting to networks, setting up and using email accounts, using Siri, downloading and installing apps, safely surfing the internet downloading and syncing music and videos, taking and sharing photos, playing games, as well as setting up restrictions (parental controls) and troubleshooting problems with your iPad, should any occur. Full-color, step-by-step tasks walk you through learning how to use your iPad for home, school, and just for fun! Learn how to:

- Safely surf the Internet on the iPad to do research for school and find interesting facts.
-

Use email, texting, and chat apps to stay in touch with friends, family, and teachers. • Have fun (or do group projects for school) using FaceTime and Skype video chatting. • Write emails, search the Web, and launch apps with your voice using Siri. • Use the iPad in school and for homework. Four chapters of suggestions for grade-specific apps (4th through 7th grade) to help you excel in the classroom. • Use the built-in Music app so you can rock out to your favorite tunes. • Watch movies and TV shows from iTunes and videos on YouTube (only when homework is done, of course). • Use iPad's built-in cameras to take photos and video of you and your friends. Use the Photo Booth app to make them even more interesting—or a little crazy! • Set new high scores playing the tens of thousands of great games available at the App Store. • Discover great apps for school or just for fun through recommendations in nearly every chapter. • Reassure your parents that you can use your iPad and the Internet safely and responsibly. • Become your own tech support team by learning to maintain and solve problems with your iPad, including tips on restarting, backing up, and cleaning the iPad. • Read about the latest iPad technologies, including iOS 6, Siri, and 4G LTE.
