Working Mother ,1996-06 The magazine that helps career moms balance their personal and professional lives.

The Catalog of Catalogs VI Edward L. Palder,1999 The directory that saves time, money, and aggravation by providing thousands of mail-order sources in hundreds of subject areas is newly revised and updated. The sixth edition describes 15,000 catalogs--1,000 new listings--in more than 900 subject areas. Also new to this edition are 5,000 Internet addresses, which allow readers to browse catalogs on-line the same day they locate them in this handy reference.

The Georgia Rae Winston Mysteries Books 4-6 Marissa Shrock,2023-10-19 *Deadly Harmony* Georgia Rae Winston's romance has broken up. But that's the least of her problems. Georgia and Detective Cal Perkins are through. Fine. Maybe it's an opportunity to give charmer Hamlet Miller a chance. But there's no time for romance when Georgia hosts her stepsister and her roommate, Quincy, during a college chorale tour—and Quincy steals Georgia's car and disappears. When her car turns up in a cemetery with a cryptic note lying on the front seat, Georgia decides to take action. As Georgia and her stepsister dig into the mystery, they uncover Quincy's tumultuous past. A history with a wild rock and roll band. Rumors of an illicit affair. A past that points to a frightening present. When they discover Quincy's old music professor is involved, they dig deeper and discover a web of deception they're determined to untangle, if they can stay alive long enough to bring the truth to light. *Deadly Hideaway* A relaxing getaway. A rocky romance. And a dead body. Will life ever be normal? All Georgia Rae Winston wants is a little vacation from her unsettled love life. Some time at her friend Laura's lake house. At first? Perfect. Until a day on the water ends with Georgia discovering a dead body in the lake. And she can't stop herself from poking around. She soon learns the dead man's in-laws didn't like him much. And the gossip around town says he's been having an affair. Suspect. Motive. Simple case, right? But as Georgia digs further, she uncovers an even deeper web of deceit that will rock the town if the truth comes out. And there's no way that's not going to happen if Georgia has anything to do with it. *Deadly Heartbreak* Georgia Rae Winston believes she's found her happily-ever-after. But life is about to prove her very wrong. Georgia is back with Detective Cal Perkins, and they're looking toward a blissful future. But her ex-boyfriend's family isn't thrilled with that idea. And neither are Cal's multiple admirers. When a package containing a beef heart shows up at Georgia's door with a note that reads, "A dead heart for Georgia Rae the Heartbreaker," they sense their lives are about to shift into fifth gear. Is one of their exes playing a malicious prank, or is someone more sinister behind the threat? Then, Georgia discovers a limerick scrawled on the wall of her kitchen that dares her to solve a mystery designed specifically for her. A mystery that promises to be quite deadly. For her. For Cal. And for anyone who gets in the murderer's way.

FODMAP Friendly Georgia McDermott,2018-07-31 A low-FODMAP diet is the simplest and most effective way to manage irritable bowel syndrome (IBS) and a range of other dietary intolerances. Georgia McDermott is one of the 15 per cent of Australians who suffer from IBS. She is also a passionate home cook. She set out to find a way of managing her symptoms and discovered the low-FODMAP diet. At the same

time, she chronicled her journey and her cooking experiments on her phenomenally successful blog and on Insta (@georgeats). Now, in her first book *Low-FODMAP Favourites*, Georgia shares over 90 recipes that are not only delicious, but will help relieve the uncomfortable symptoms of an unsettled gut. Georgia creates food for all occasions, from colourful salads and hearty dinners to gorgeous savoury bites and full-blown baking extravaganzas. Accompanied by all-new photography, these recipes - most vegetarian and sometimes pescetarian - are tried and tested by Georgia to ensure that taste is never sacrificed in the pursuit of feeling well and comfortable. Whether you're following a low-FODMAP diet, suffer from food intolerances or experience gut-health issues OR you simply love great-tasting food that's also good for you, this book, bursting with deliciousness, is for you. This is a specially formatted fixed-layout ebook that retains the look and feel of the print book.

Georgia Tim Burford, 2018-06-18 This new sixth edition of Bradt's *Georgia*, the only dedicated guide to the country, has been thoroughly updated throughout to include all the most recent developments, ranging from greatly expanded coverage of Batumi, Adjara and Svaneti to the addition of new maps for Tbilisi, Mestia and Telavi. Tourism is booming in Georgia: the number of guesthouses has mushroomed, Tbilisi airport has just opened a second terminal and a new terminal and rail link are under construction at Kutaisi airport. New low-cost flights are now available and visa-free travel is the norm for most. With Bradt's *Georgia* discover both the old and the new. The capital, Tbilisi, has seen huge changes in the past decade with some conspicuous new projects such as the Peace Bridge, the Opera House and the Presidential Palace, as well as excellent new restaurants and bars. Much of the country can be reached in day-trips from the luxury hotels of Tbilisi and Batumi, and the remotest areas such as Svaneti and the Pankisi Valley can also now be visited. In addition, Mestia, the capital of Svaneti, now has an airport and two ski resorts. Also new for this edition is expanded information on Tusheti and the Trans Caucasian Trail, a volunteer-led project to create two long-distance hiking routes, east-west and north-south, linking the Black Sea with the Caspian, the Greater Caucasus with the Lower Caucasus and Georgia with Armenia and Azerbaijan. The Georgian wine industry is covered, with particular emphasis on natural qvevri wines, and so too are skiing, rugby, the World Heritage sites of Mtskheta and Gelati, Georgian food, 5th-century churches, cave cities, and Georgian polyphonic singing. Bradt's unique guide to Georgia is the ideal companion for all travellers, from serious hikers to wine buffs, high-end culture lovers to backpackers of all ages.
