*The Essential John Nash* John Nash,2016-06-29 When John Nash won the Nobel prize in economics in 1994, many people were surprised to learn that he was alive and well. Since then, Sylvia Nasar's celebrated biography *A Beautiful Mind*, the basis of a new major motion picture, has revealed the man. *The Essential John Nash* reveals his work--in his own words. This book presents, for the first time, the full range of Nash's diverse contributions not only to game theory, for which he received the Nobel, but to pure mathematics--from Riemannian geometry and partial differential equations--in which he commands even greater acclaim among academics. Included are nine of Nash's most influential papers, most of them written over the decade beginning in 1949. From 1959 until his astonishing remission three decades later, the man behind the concepts Nash equilibrium and Nash bargaining--concepts that today pervade not only economics but nuclear strategy and contract talks in major league sports--had lived in the shadow of a condition diagnosed as paranoid schizophrenia. In the introduction to this book, Nasar recounts how Nash had, by the age of thirty, gone from being a wunderkind at Princeton and a rising mathematical star at MIT to the depths of mental illness. In his preface, Harold Kuhn offers personal insights on his longtime friend and colleague; and in introductions to several of Nash's papers, he provides scholarly context. In an afterword, Nash describes his current work, and he discusses an error in one of his papers. A photo essay chronicles Nash's career from his student days in Princeton to the present. Also included are Nash's Nobel citation and autobiography. *The Essential John Nash* makes it plain why one of Nash's colleagues termed his style of intellectual inquiry as like lightning striking. All those inspired by Nash's dazzling ideas will welcome this unprecedented opportunity to trace these ideas back to the exceptional mind they came from.

Peaces Helen Oyeyemi, 2021-04-06 “Enchanting . . . the most surprising, confounding, and oddly insightful couple’s trip in recent literary history.” —Entertainment Weekly The prize-winning, bestselling author of *Gingerbread*; *Boy, Snow, Bird*; and *What Is Not Yours Is Not Yours* returns with a vivid and inventive new novel about a couple forever changed by an unusual train voyage. When Otto and Xavier Shin declare their love, an aunt gifts them a trip on a sleeper train to mark their new commitment—and to get them out of her house. Setting off with their pet mongoose, Otto and Xavier arrive at their sleepy local train station, but quickly deduce that *The Lucky Day* is no ordinary locomotive. Their trip on this former tea-smuggling train has been curated beyond their wildest imaginations, complete with mysterious and welcoming touches, like ingredients for their favorite breakfast. They seem to be the only people on board, until Otto discovers a secretive woman who issues a surprising message. As further clues and questions pile up, and the trip upends everything they thought they knew, Otto and Xavier begin to see connections to their own pasts, connections that now bind them together. A spellbinding tale from a star author, *Peaces* is about what it means to be seen by another person—whether it’s your lover or a stranger on a train—and what happens when things you thought were firmly in the past turn out to be right beside you.

*A Favor for a Favor* Helena Hunting, 2020 An Amazon Charts bestseller. From the New York Times bestselling author of *Pucked* and *A Lie for a Lie*, a new stand-alone romance about trading favors, battling wills, and winning love. When I joined Seattle's NHL expansion team, I thought it was the start of something great. But nothing ever goes the way you expect. Take my introduction to my new neighbor. She came rolling in on the hot mess express at midnight, making a racket while she tried to get into my team captain's apartment. Did I mention that he's married to a woman who definitely was not her? Imagine my surprise when I end up with an injury that has me out of the game for weeks, and she's the one to offer to help me. I should probably add that she's not the captain's mistress. She's his sexy, pastel-haired younger sister. So we come up with an arrangement: she rehabs me so that I can get back on the ice sooner, and she can add a professional athlete that isn't her brother to her client list. Seems simple enough. As long as I can keep my hands to myself and my hormones in check.
