Sports Illustrated Texas Longhorns Football Editors of Sports Illustrated, 2009-09-15 As the University of Texas Longhorns begin their 117th football season, SPORTS ILLUSTRATED pays tribute to this Lone Star treasure with a book that draws on 55 years of award-winning magazine coverage. SI tells the Longhorns' story with excerpts from classic articles and with vintage photographs, as well as rare images from the team's earliest years. Inside you'll find our selections of 20 great moments in Longhorns history (including the opening of Memorial Stadium) and 10 of the program's most historic victories, as well as profiles of five giants of University of Texas football. In addition, you'll get an all-access pass that takes you behind the scenes of coach Mack Brown's current program. Legendary sportswriter Dan Jenkins introduces the book, which includes contributions from SI's Walter Bingham, Tim Layden, Austin Murphy, Bruce Newman, Pat Putnam, Roy Terrell, John Underwood and Jenkins himself. James Street, the former quarterback, provides the valedictory. This hardbound edition also includes a bonus 16-page section with some of the most vivid Longhorns images that have appeared in SI. This is Texas football.

Longhorn Hoops Richard Pennington, Denton A. Cooley, 1998-01-01 Longhorn Hoops documents the history of basketball at the University of Texas. For men's basketball, Richard Pennington goes season by season, describing every game the Longhorns have ever played from 1906 to 1998. He does the same for women's basketball, except for the first two chapters, which cover longer spans of time leading up to the establishment of basketball as a varsity sport for women in 1974. Pennington demonstrates that Texas basketball, while always secondary to King Football, actually has a long and colorful history. Beside stories of games won or lost, points scored, and rebounds collected, Pennington recalls the orange-and-white stars of yesteryear--from Clyde Littlefield to Reggie Freeman--and brings the greatest teams to life, including the unbeaten Steers of 1924, the Final Four team of 1947, Harold Bradley's 1963 team, Abe Lemons' 1978 NIT champions, and Tom Penders' 1990 Longhorns. Perhaps the most interesting story in Longhorn Hoops is how Anna Hiss, director of women's physical education at Texas from 1921 to 1957, helped lead a nationwide movement against intercollegiate competition for women, which shut down UT women's basketball for several decades and made progress in the 1960s and 1970s much more difficult. Some determined co-eds got it going again, and, with the energy and direction of women's athletic director Donna Lopiano and coach Jody Conradt (whose teams have won more than 700 games), the Longhorns built a powerhouse program that reached its apex with an undefeated team in 1986, winning the NCAA championship with the heroics of freshman star Clarissa Davis. Basketball, as Pennington notes in his preface, is the most beautiful sport of all, and its history at the University of Texas has now been told. This comprehensive book features a foreword by Dr. Denton Cooley, the world-famous heart surgeon who helped the Longhorns win an SWC title in 1939.

Longhorn Nation Bill Little, Jenna Hays McEachern, 2015-09 Firsthand accounts of the legends and lore of Texas football The most outstanding voices of the University of Texas football tradition come together in this decade-by-decade collection of more than 40 stories. Texas fans will relish the intimate stories told by Darrell Royal, Mack Brown, Earl Campbell, Ricky Williams, and other figures they have come to cherish. This collection of interviews with student athletes and coaches captures the true essence of Texas football, making it the perfect book for any Longhorn fan.

Larry Gets Lost in Texas John Skewes, Michael Mullin, 2010-11-09 Larry's latest tale begins in the family's car with a trailer hitched to the back--they're off on a road trip to the Lone Star State! Follow Larry as he gets separated from his best friend Pete and searches for him all over Texas. Larry journeys through the major cities--Houston, Dallas, San Antonio, Fort Worth, El Paso, Amarillo, and Corpus Christi--where he meets armadillos and snakes and even hitches a ride from a horse in a trailer. He also visits the Cadillac Ranch sculpture, the NASA space station, and a rodeo before passing by pump jacks and the famous aircraft carrier, Saturn V. After stopping by the USS Lexington, Larry finally ends up at the Texas State Fair. But will he ever find Pete?

The LH7 Ranch, in Houston's Shadow Deborah Lightfoot Sizemore, 1991-12 The story of Emil Henry Marks and the LH7 Ranch he founded records not only the history of a unique family but also tells something of the cattle business on the coastal prairies of Texas when ranching was the principal industry of the region, before Houston became a major metropolitan center and industry became king. It also chronicles the beginning of the Salt Grass Trail, one of Houston's most enduring traditions. Marks registered the LH7 brand in Harris County in 1898 and started the ranch with 63 acres of grass west of Houston and a few Longhorn cattle. By the early 1930s the LH7 was running 6,670 head on 36,000 acres. The city's shadow loomed over the LH7 in the 1940s and 1950s, and eventually a big bite of the ranch was condemned to protect booming Houston from flooding along Buffalo Bayou. At age seventy, Marks made the first Salt Grass Trail ride in January, 1952, which is reenacted each February to kick off the Houston Livestock Show and Rodeo.

DKR Jenna Hays McEachern,2012-09-01 Decades after his last game in 1976, Darrell K Royal remains The Coach, the winningest football coach in University of Texas history. The driving force behind eleven Southwest Conference and three national championships, winner of Coach of the Year and Coach of the Decade awards, and honored namesake of the Darrell K Royal-Texas Memorial Stadium, Royal is still revered as a coach who would rather lose a game than engage in unsportsmanlike tactics; who would neither make excuses for losing nor brag about winning; and who by his own example contributes to the building of stalwart character in men, in the words of the City of Austin's Darrell Royal Day proclamation. DKR offers an intimate, insider's view of the private life of the man behind the legend through an extraordinary collection of never-before-published photographs, letters, newspaper clippings, football ephemera, recollections, and Royalisms lovingly preserved by Royal's wife of more than sixty-five years, Edith. This irreplaceable family archive offers revealing snapshots of Royal's entire life, from his impoverished youth in Oklahoma, through his courtship of Edith and his glory days as a player at Oklahoma and a coach at Texas, to his retirement career as a goodwill ambassador for the university. Accompanying the images are moving recollections from fellow coaches and former players, family members, and friends who testify to Royal's honesty and integrity and the transformative effect that his character has had on the legions of people whose lives he has touched.

I Hope They Serve Beer In Hell Tucker Max,2012-03-01 The “highly entertaining and thoroughly reprehensible” #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist. I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you.

Butcher's Crossing John Williams,2011-03-30 Now a major motion picture starring Nicolas Cage and directed by Gabe Polsky. In his National Book Award-winning novel Augustus, John Williams uncovered the secrets of ancient Rome. With Butcher's Crossing, his fiercely intelligent, beautifully written western, Williams dismantles the myths of modern America. It is the 1870s, and Will Andrews, fired up by Emerson to seek “an original relation to nature,” drops out of Harvard and heads west. He washes up in Butcher's Crossing, a small Kansas town on the outskirts of nowhere. Butcher's Crossing is full of restless men looking for ways to make money and ways to waste it. Before long Andrews strikes up a friendship with one of them, a man who regales Andrews with tales of immense herds of buffalo, ready for the taking, hidden away in a beautiful valley deep in the Colorado Rockies. He convinces Andrews to join in an expedition to track the animals down. The journey out is grueling, but at the end is a place of paradisaal richness. Once there, however, the three men abandon themselves to an orgy of slaughter, so caught up in killing buffalo that they lose all sense of time. Winter soon overtakes them: they are snowed in. Next spring, half-insane with cabin fever, cold, and hunger, they stagger back to Butcher's Crossing to find a world as irremediably changed as they have been.

Coach Royal Darrell Royal,John Wheat,2010-01-01 Many legendary men have been associated with University of Texas football, but for most fans one man will always be Coach—Darrell K Royal. One of the most successful coaches in college football, Royal led the Longhorns to three national championships and eleven Southwest Conference titles during his twenty years (1956-1976) as UT's head coach. He coached some of the Horns' best players, including future Heisman Trophy winner Earl Campbell, and was named NCAA Coach of the Year three times. In 1969, an ABC-TV poll of sportswriters called Royal the Coach of the Decade. In 1996 UT recognized his unrivalled contribution to Longhorn football when it designated Memorial Stadium the Darrell K Royal-Texas Memorial Stadium in his honor. Now, for the first time, Darrell Royal tells his life story in his own words. He remembers growing up poor in Hollis, Oklahoma, during the Great Depression, and describes playing college football for the University of Oklahoma and then coaching a succession of college teams and one pro team before settling in at UT for the rest of his career. He gives a fascinating, behind-the-scenes look at Longhorn football during his time-recruiting strategies, coaching techniques, the famous wishbone offense, unforgettable wins and losses, and his impressions of rival teams and coaches, including Bear Bryant of Texas A&M and Alabama and Frank Broyles of Arkansas. Proving that he's still the same straight shooter as always, Darrell Royal even discusses some of the controversies he's dealt with, including early charges of racism in the UT football program, the impact of Title IX on college athletics, his association with Jim Bob Moffett and the Freeport-MacMoRan Corporation, his longtime friendship with Willie Nelson, and his decision to retire from coaching. But whether he's describing the tough times he's faced professionally and personally or the rewards of being UT's most beloved coach and goodwill ambassador, Royal maintains the same plainspoken honesty and sense of honor that—as much as the winning seasons—have made him a legend to so many people.

Hothouse Brian W. Aldiss,2015-05-19 A Hugo Award-winning classic about a far-future Earth dominated by gargantuan plants and

the few humans who remain Millions of years beyond our time, our Earth has long since stopped spinning—and giant flora have taken over the sunlit half of the motionless world. Here humans are among the very few animal species that still exist, struggling to survive against enormous odds, but they have become small and weak, and their numbers have dwindled to almost nothing. When the aging leader of Gren’s tribe decrees it is time for the old ones to go “Up,” the younger are left to make their own way below. Although the journey will not be an easy one for young Gren, he sets off on an odyssey across a perilous world populated by carnivorous plants and other evolved vegetation. But any knowledge to be gained at the terminator—the forbidding boundary between the day world and the night—might well prove worthless for the boy and the companions he amasses along the way when the expanding sun goes nova and their Earth is no more. A thrilling parable of courage, discovery, and survival, Hothouse is among Grand Master Brian W. Aldiss’s most beloved and enduring works. Ingeniously inventive, richly detailed, and breathtakingly lush and vibrant, the doomed world and people that Aldiss creates will live forever in the minds of all those who enter this remarkable realm.

Greenlights Matthew McConaughey,2023-07-06 From the Academy Award®-winning actor, an unconventional memoir filled with raucous stories, outlaw wisdom, and lessons learned the hard way about living with greater satisfaction. I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges - how to get relative with the inevitable - you can enjoy a state of success I call 'catching greenlights.' So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmity, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights-and to realising that the yellows and reds eventually turn green too. Good luck.
