Excerpt: ...nothing: I kept silence, yea, even from good words; but it was pain and grief to me. 4 My heart was hot within me, and while I was thus musing the fire kindled: and at the last I spake with my tongue; 5 Lord, let me know mine end, and the number of my days: that I may be certified how long I have to live. 6 Behold, thou hast made my days as it were a span long: and mine age is even as nothing in respect of thee; and verily every man living is altogether vanity. 7 For man walketh in a vain shadow, and disquieteth himself in vain: he heapeth up riches, and cannot tell who shall gather them. 8 And now, Lord, what is my hope: truly my hope is even in thee. 9 Deliver me from all mine offences: and make me not a rebuke unto the foolish. 10 I became dumb, and opened not my mouth: for it was thy doing. 11 Take thy plague away from me: I am even consumed by the means of thy heavy hand. 12 When thou with rebukes dost chasten man for sin, thou makest his beauty to consume away, like as it were a moth fretting a garment: every man therefore is but vanity. 13 Hear my prayer, O Lord, and with thine ears consider my calling: hold not thy peace at my tears. 14 For I am a stranger with thee: and a sojourner, as all my fathers were. 15 O spare me a little, that I may recover my strength: before I go hence, and be no more seen. Psal. xl. Expectans expectavi. I WAITED patiently for the Lord: and he inclined unto me, and heard my calling. 2 He brought me also out of the horrible pit, out of the mire and clay: and set my feet upon the rock, and ordered my goings. 3 And he hath put a new song in my mouth: even a thanksgiving unto our God. 4 Many shall see it, and fear: and shall put their trust in the Lord. 5 Blessed is the man that hath set his hope in the...

Campaigning for Children Jo Becker, 2017-08-15 Advocates within the growing field of children's rights have designed dynamic campaigns to protect and promote children's rights. This expanding body of international law and jurisprudence, however, lacks a core text that provides an up-to-date look at current children's rights issues, the evolution of children's rights law, and the efficacy of efforts to protect children. *Campaigning for Children* focuses on contemporary children's rights, identifying the range of abuses that affect children today, including early marriage, female genital mutilation, child labor, child sex tourism, corporal punishment, the impact of armed conflict, and access to education. Jo Becker traces the last 25 years of the children's rights movement, including the evolution of international laws and standards to protect children from abuse and exploitation. From a practitioner's perspective, Becker provides readers with careful case studies of the organizations and campaigns that are making a difference in the lives of children, and the relevant strategies that have been successful—or not. By presenting a variety of approaches to deal with each issue, this book carefully teases out broader lessons for effective social change in the field of children's rights.

Piano Lessons Anna Goldsworthy, 2023-08-01 The award-winning, much-loved memoir of renowned author and musician Anna Goldsworthy about her first steps towards a life in music. In this remarkable story, Anna Goldsworthy recalls her journey from childhood piano lessons with a local jazz muso to a successful career as a concert pianist. As she discovers passion and ambition, and confronts doubt and disappointment, she learns about much more than technique. *Piano Lessons* captures the hopes and uncertainties of youth, the fear and exhilaration of performing, and the complex bonds between teacher and student. An unforgettable cast of characters joins her: her family; her friends and rivals; and her teacher, Mrs Sivan, who inspires and challenges her in equal measure, and who transforms what seems an impossible dream into something real and sustaining. This is a story of the getting of wisdom, tender and bittersweet. 'I loved this book. Anna Goldsworthy's memoir left me awed, inspired and humbled.' --Alice Pung 'Marvellous. Enlightenment and joy on every page' --Helen Garner 'An expertly spun narrative, told

with wry, self-effacing charm, elegant economy and the genuine love of a student for her teacher' The Australian 'A brilliant memoir ... Goldsworthy is a fine writer.' Big Issue Winner of Newcomer of the Year in the 2010 Australian Book Industry Awards Shortlisted for the Melbourne Prize for Best Writing Shortlisted for the Colin Roderick Award Shortlisted in the NSW Premier's Literary Awards
