Lost Restaurants of Fairfield Patti Woods, 2015 The Culinary History of Fairfield, Connecticut, brims with bygone and beloved eateries and watering holes. Discover some of these lost classics, from the Sun Tavern-where George Washington enjoyed a few victuals-to the Scenario, where local celebrities always had a seat reserved at the bar. The best doughnuts in town were at the corner of Post and Beaumont at Devore's, while Art Green served up his famous chocolate cream pies at the Pie Plate. Join author Patti Woods for a generous serving of nostalgia complete with nachos from Sidetrack's, chili from Kuhn's and maybe even an ice cold beer from the Driftwood. Book jacket.

The Crystal Crypt Fiona Veitch Smith, 2021-11-19 'A gloriously readable slice of historical crime fiction featuring a charismatic amateur sleuth.' Liz Robinson, LoveReading The 1920s most stylish sleuth returns in *The Crystal Crypt* for another thrilling murder mystery! "But accidents can still happen... Perhaps there was something out of her control, something she couldn't have foreseen..." "Like someone plotting to kill her?" Reporter sleuth Poppy Denby is asked to investigate the mysterious death of an up-and-coming female scientist in an Oxford laboratory known as the Crystal Crypt. The official verdict is that Dr June Leighton died in a tragic accident, but Dr Leighton's lab assistant believes it was murder. However, when Poppy discovers that the colleague has spent time in a mental institution and has an unresolved murder in her own past, Poppy wonders if she is being misled. But then, another female academic is attacked, and Poppy herself becomes a target. 'The latest instalment in the Poppy Denby Investigates series is another cracking piece of historical crime fiction by Fiona Veitch Smith. The author's enthusiasm for the 1920s really shines through and her in-depth knowledge of the period ensures that the settings and dialogue ring

The Last True Poets of the Sea Julia Drake, 2019-10-04 Fans of *Far from the Tree*, *We Are Okay* and *Emergency Contact* will love this epic, utterly unforgettable contemporary novel about a lost shipwreck, a missing piece of family history, and weathering the storms of life. The Larkin family isn't just lucky—they persevere. At least that's what Violet and her younger brother, Sam, were always told. When the *Lyric* sank off the coast of Maine, their great-great-great-grandmother didn't drown like the rest of the passengers. No, Fidelia swam to shore, fell in love, and founded Lyric, Maine, the town Violet and Sam returned to every summer. But wrecks seem to run in the family: Tall, funny, musical Violet can't stop partying with the wrong people. And, one beautiful summer day, brilliant, sensitive Sam attempts to take his own life. Shipped back to Lyric while Sam is in treatment, Violet is haunted by her family's missing piece—the lost shipwreck she and Sam dreamed of discovering when they were children. Desperate to make amends, Violet embarks on a wildly ambitious mission: locate the *Lyric*, lain hidden in a watery grave for over a century. She finds a fellow wreck hunter in Liv Stone, an amateur local historian whose sparkling intelligence and guarded gray eyes make Violet ache in an exhilarating new way. Whether or not

they find the Lyric, the journey Violet takes—and the bridges she builds along the way—may be the start of something like survival. Epic, funny, and sweepingly romantic, *The Last True Poets of the Sea* is an astonishing debut about the strength it takes to swim up from a wreck.
