While being respectful and dignified in the language he employs, the author does not shy away from discussing sensitive issues. He records, in thorough detail, the guidance Islam provides regarding sexual encounters with one's spouse. Stand by Your Truth Rickey Smiley,2017-10-24 Part memoir, part testimonial, and part life guide, Stand by Your Truth mixes Rickey Smiley's down-home humor with the values he learned from being raised by three generations of elders, steeped in the Baptist church, and mentored by some of the most celebrated comics in the entertainment industry today. "I'm very passionate about everything that I do and I don't play any games. I just keep it honest. I don't put on airs. That's the only way you can be. If you tell one lie, you've got to tell another lie. I'm cool with who I am. What you see is what you get." Stand-up comic. Single dad. Radio personality. TV star. Prankster. Producer. Community activist. Man of faith. Visit a church, comedy club, college campus, or barber shop, and you'll find few people who aren't familiar with, or fans of, Rickey Smiley. At least four million

listeners in more than seventy markets tune in every weekday morning to hear him banter with his radio show crew, hilariously prank call an unsuspecting listener, and perform skits featuring his one-man cast of characters, including “Lil Darryl,” “Beauford,” and “Joe Willie.” But in between the rapid-fire jokes and celebrity dish are flashes of how Rickey views the world, from the challenges of raising children, to the importance of education, to the need to always stand by your own truth. After more than two decades in the spotlight, Rickey is finally ready to delve more deeply into the opinions he voices on the air, riffing on those issues that his listeners, viewers, and fans find most important. This collection of personal and powerful essays will speak to readers from all walks of life, and is sure to inspire you to Stand by Your Truth.

I Am Restored Lecrae Moore, 2020-10-13 When the challenges you've faced threaten to destroy your life, how do you find your way back to the truths you thought you believed? I Am Restored tells the untold story of how Lecrae's past nearly ruined his future--until he learned that the wounds we carry can have the potential to be unlikely guides to healing and freedom for ourselves and others. Throughout I Am Restored, Lecrae documents the shattering yet hopeful story of how he faced the scars of his past--sexual abuse, physical trauma, addiction, and depression--and emerged more fully human than ever before. With remarkable transparency and vulnerability, Lecrae reveals that at the height of his professional success, his life was spinning out of control, driven by a past that he had never confronted and a religious perspective that was incapable of meeting the challenge. I Am Restored takes an unflinching look at the personal and public spaces that are too often at the societal core of our pain and heartache--culture, politics, family, church, and more--and teaches us that forgiveness can be the birthplace of the life that God has created for us. Throughout this powerful, deeply personal account, Lecrae shares the life lessons he's learned about: Confronting the pain and trauma that has shaped your story Breaking the cycle of sin and shame and embracing joy and authenticity Finding hope and healing in the midst of chaos The simple practices that can change your mental, emotional, and spiritual health Leading a life that's bursting with creativity and true freedom I Am Restored is a hopeful, inspiring charge to start your journey to lasting healing today. No matter what your past has held, God is near you, he hears you, and he's not done writing your story.

Raising Kanye Donda West, Karen Hunter, 2007-05-08 The mother of rap superstar Kanye West shares her experiences on being a single mother raising a celebrity. As the mother of hip-hop superstar Kanye West, Donda West has watched her son grow from a brilliant baby boy with all the intimations of fame and fortune to one of the hottest rappers on the music scene. And she has every right to be proud: she raised her son with strong moral values, teaching him right from wrong and helping him become the man he is today. In *Raising Kanye*, Donda not only pays homage to her famous son but reflects on all the things she learned about being his mother along the way. Featuring never-before-seen photos and compelling personal anecdotes, Donda's powerful and inspiring memoir reveals everything from the difficulties she faced as a single mother in the African American community to her later experiences as Kanye's manager as he rose to superstardom. Speaking frankly about her son's reputation as a Mama's Boy, and his memorable public outbursts about gay rights and President George W. Bush, Donda supports her son without exception, and here she shares the invaluable wisdom she has taken away from each experience—passion, tolerance, patience, and above all, always telling the

truth. Ultimately, she not only expresses what her famously talented son has meant to her but what he has meant to music and an entire generation.

The Saxophone Stephen Cottrell,2013-02-05 In the first fully comprehensive study of one of the world's most iconic musical instruments, Stephen Cottrell examines the saxophone's various social, historical, and cultural trajectories, and illustrates how and why this instrument, with its idiosyncratic shape and sound, became important for so many different music-makers around the world. After considering what led inventor Adolphe Sax to develop this new musical wind instrument, Cottrell explores changes in saxophone design since the 1840s before examining the instrument's role in a variety of contexts: in the military bands that contributed so much to the saxophone's global dissemination during the nineteenth century; as part of the rapid expansion of American popular music around the turn of the twentieth century; in classical and contemporary art music; in world and popular music; and, of course, in jazz, a musical style with which the saxophone has become closely identified.

The Fair Tax Book Neal Boortz, John Linder,2009-03-17 Wouldn't you love to abolish the IRS . . . Keep all the money in your paycheck . . . Pay taxes on what you spend, not what you earn . . . And eliminate all the fraud, hassle, and waste of our current system? Then the FairTax is for you. In the face of the outlandish American tax burden, talk-radio firebrand Neal Boortz and Congressman John Linder are leading the charge to phase out our current, unfair system and enact the FairTax Plan—replacing the federal income tax and withholding system with a simple 23 percent retail sales tax. This dramatic revision of the current system, which would eliminate the reviled IRS, has already caught fire in the American heartland, with more than 600,000 taxpayers signing on in support of the plan. As Boortz and Linder reveal in this first book on the FairTax, this radical but eminently sensible plan would end the annual national nightmare of filing income tax returns, while at the same time enlarging the federal tax base by collecting sales tax from every retail consumer in the country. The FairTax, they argue, would transform the fearsome bureaucracy of the IRS into a more transparent, accountable—and equitable—tax collection system. Endorsed by scores of leading economists—and supported by a huge and growing grassroots movement—the FairTax Plan could revolutionize the way America pays for itself.
